Heritage Professionals and Contractors

This list of Greater Toronto Area (GTA) heritage professionals is provided for information purposes only and inclusion in this list is neither an endorsement nor recommendation by the City of Brampton. Individuals are encouraged to undertake their own inquiries prior to selecting a professional. Be sure to check references and previous work before engaging anyone.

The *Canadian Association of Heritage Professionals (CAHP)* Professional Directory also serves as a resource for heritage professionals who have specialized knowledge, supported by formal training and work experience, in the conservation and stewardship of cultural heritage. CAHP members conform to accepted technical and ethical standards in accordance with the regulations and guidelines of their specialty in the heritage field.

To search the CAHP directory go to:

<https://cahp-acecp.ca/professionals>

The *Ontario Ministry of Tourism, Culture and Sport* maintains an updated list of Archaeologists Licensed in Ontario.

To view the Ministry's list of licensed archaeologists in Ontario go to:

http://www.mtc.gov.on.ca/en/archaeology/licensed_archaeologists_list.shtml

If you are a heritage professional and would like to be added to the list, please contact us by phone at 905-874-3825 or by email at heritage@brampton.ca.
