Destination Gardens

Beautiful flowerbeds and floral displays are widespread throughout Brampton. Come and visit every one of them. Unwind and enjoy the beauty of Flower City.

1. Charles F. Watson Family Gardens

These showpiece gardens are an oasis of colour. Situated along the Etobicoke Creek Recreational Trail the gardens are below street level, therefore isolated from the busy road above. 398 Main Street South.

2. Gage Park

Gage Park is a landmark in Brampton’s historic downtown centre. It’s also a very popular place to enjoy the fresh air. Attractive floral gardens, large trees, gazebo and a fountain provide a wonderful setting popular with local residents and visitors from far and wide. 45 Main Street South.

3. Mandarin Restaurant Corporate Headquarters

The Mandarin Restaurant Corporate Headquarters in Brampton showcases extensive gardens full of beautiful perennials, annuals and a rock waterfall feature. In the winter, the gardens sparkle with over 650,000 holiday lights. 238 Biscayne Crescent.

4. Donald M. Gordon Chinguacousy Park Greenhouse & Gardens

Explore the beautiful formal gardens and lush greenhouse in Donald M. Gordon Chinguacousy Park. Stroll along the pathways surrounding the ponds and relax in the shade with a picnic lunch. 4060 Bramalea Road.

5. Historic Bovaird House

Historic Bovaird House is a Brampton heritage landmark. Friends of Bovaird House and the City of Brampton have developed this wonderful Georgian-type farmhouse into a popular tourism attraction. The property boasts heritage gardens typical of 19th century plantings, including a pretty rose garden and herb garden. You will want to take a tour of the house while you are there and peruse the craft shop too! 563 Bovaird Drive East.

Please contact Bovaird House for all tours:

Spring Bulb Displays

Watch for the blooms as they start sprouting in April and May.

As the snow melts and temperatures rise the City of Brampton greets its visitors with over one million spring flowers! 300,000 bulbs are added each year, decorating the landscape of Brampton with vibrant blooms. The variety of blossoming flowers includes daffodils, tulips, crocus, scillia, chionodoxa, allium and more wonderful bulbs.

1. The islands of the Brampton Gateway Entrance, north of Highway 407 on Highway 10 (Hurontario Street) are painted by a beautiful display of flowering spring bulbs.

2. Find clusters of daffodils and tulips along the north side of Bovaird Drive between Bramalea Road and Dixie Road.

3. A mixture of beautiful crocus, scilla and chionodoxa can be found roadside on Queen Street East, between Bramalea Road and Torbram Road.

4. More crocus, scilla and chionodoxa can be seen along the east side of Bramalea Road North, between Queen Street East and Williams Parkway.

5. At the end of June, a beautiful allium display decorates the southeast corner of Williams Parkway and McLaughlin Road North.

Feature Flower Beds

Brampton’s talented gardeners craft wonderful gardens reflecting their own creativity. These gardens are designed specifically for the location. Roadides burst with spectacular colour and vitality while walk-by locations are decorated with subtle colour and intricate design.

The following gardens are just a handful of over 400 roadside gardens you will find throughout Brampton. Don’t miss these spectacular sights!

2. All four corners of Highway 10 (Hurontario Street) and Steeles Avenue.

3. Gardens at the corners of Dixie Road and Bovaird Drive. Flower beds are currently under construction.

4. Gardens at Sandalwood Parkway and Dixie Road at the northeast, southeast and southwest corners.

5. Flower bed at Southeast corner of Queen Street West and McLaughlin Road South.

Wild Flowers

Valleylands and woodlands throughout Brampton provide exceptional displays of native wildflowers including, trilliums, trout lily and jack-in-the-pulpits in the spring. The City continues to create wildflower and wild grass meadows and pollinator gardens to support pollinator species such as butterflies and bees.
