CITY-WIDE AMENDMENT TO UPDATE SUPPORTIVE HOUSING POLICIES, INCLUDING GROUP HOMES, IN THE CITY'S OFFICIAL PLAN & ZONING BY-LAW

Public Notice

Virtual meeting http://video.islive.ca/ brampton/live.html

Information is available in an alternative/accessible format upon request.

Purpose and Effect

The City recognizes the need to support and promote the provision of specialized housing for a diverse population, including persons with disabilities and those having special housing needs. Specialized housing is to be strategically located and integrated in the community to provide access to all public amenities, including transportation, parks and open spaces.

On November 20, 2019, Council passed Interim Control By-Law (ICBL) 286-2019 within Area 10, as set out in Schedule A of the Zoning By-Law, that prohibits the use of land, building or structures in residential zones, for the purpose of Supportive Housing Facilities, Group Home Type 1 or Group Home Type 2, excluding retirement home, nursing home and senior citizen residence. The ICBL was originally intended to be in effect for a six-month period beginning November 20, 2019, while the City undertakes a City-wide review of the Official Plan policies and Zoning By-Law regulations with respect to this matter. However, due to the COVID-19 pandemic and the State of Emergency declared by the Province on March 17, 2020, Ontario Regulation 149/20 froze a number of timelines under the Planning Act, including the expiry of ICBLs. On June 15, 2020, the Province passed Ontario Regulation 278-20, which ended the suspension of Planning Act timelines under O.Reg 149/20 as of June 22, 2020. Under this regulation, the ICBL expired on August 24, 2020.
