

Dear Stakeholders,

July 2014 – **Stakeholder Update #22**

The City's peer review consultants have completed their review of the additional materials submitted by Brampton Brick in response to the City's second round of peer review findings. Where a response was required, memos and updated reports have been prepared by the City's peer reviewers and are now available on the project website under the heading "2014 Peer Review Documents."

Please be advised that a status report on the Brampton Brick proposal will be considered at the August 6, 2014 Planning, Design and Development Committee Meeting. The status report will not contain any recommendations on the Brampton Brick rezoning application but will provide an update since City staff last reported on this matter Council in September 2012.

A Recommendation Report on the Brampton Brick rezoning application is planned to be part of the September 8, 2014 Planning, Design and Development Committee Meeting agenda.

For more information on the Brampton Brick application please contact Natasha Rea, the planner assigned to this file, or visit the project webpage at:

<http://www.brampton.ca/en/Business/planning-development/projects-studies/Pages/Norval-Quarry-Re-Zoning.aspx>.
