Abbreviation - Meaning

AGCO - Alcohol & Gaming Commission of Ontario

MVC - Motor Vehicle Collision

MVF - Motor Vehicle Fire

NFPA - National Fire Protection Association

RSMP - Risk and Safety Management Plan

USWG - US Water Gallons

Detailed descriptions for the Fire & Emergency Services user fees in Schedule F Motor Vehicle Collision (MVC) - Non-Resident

•If Fire and Emergency Services attends at the scene of a motor vehicle collision or motor vehicle fire, on any property within the City of Brampton and provides firefighting or other emergency services, and if the owner of the motor vehicle is a non-resident, the Corporation shall charge the fee stipulated in this fee schedule to any one or more of the following: the non-resident driver, the owner and the insurance company, in order to recover full payment of the stipulated fee.

•In the case of a multiple vehicle collision, where those drivers involved consist of a Brampton resident and a non-resident, the fee billed to the non-resident shall be pro-rated.

Example:

(1)Two vehicle collision, one resident and one non-resident: billing shall be only 50% of the total cost recovery fees demanded of a non-resident; or,

(2)Three vehicle collision, one resident and two non-residents: cost recovery fees shall be divided (as per this example) by three and one third shall be demanded of each of the two non-resident drivers.

SCHEDULE F - FIRE AND EMERGENCY SERVICES NOTES

Hazardous Materials Response

- If Fire and Emergency Services responds to an incident or emergency and a hazardous material response is provided, the Corporation shall charge the fee stipulated in the fee schedule to any one or more of the following: the property owner, the vehicle owner and the insurance company, in order to recover full payment of the stipulated fees.

- In the event an emergency involves hazardous materials and at the scene or property, damages or contaminations of equipment occurs, the expenses incurred by Fire and Emergency Services for cleaning and decontamination or replacement of equipment, as applicable, and shall be recovered as a fee as stipulated in this schedule.

- In the event an emergency involves hazardous materials and at the scene or property, the use of consumable materials, other than water and medical supplies, are used to suppress or extinguish a fire, preserve property, prevent a fire from spreading or otherwise control and eliminate an emergency, the expenses incurred by Fire and Emergency Services for using consumable materials shall be recovered as a fee as stipulated in this schedule.

Reports and Searches

- For all fire related file searches and fire report requests, the requester shall be charged the fee as stipulated in this schedule.

Permits, Applications and Reviews

- For all fire related permit requests, designated fire route applications and Propane Facility License application and reviews, the requestor shall be charged the fee as stipulated in this schedule.

- Consumer firework permits are issued at no cost to Brampton residents, provided the firework by-law requirements are met, and only on designated occasions. Refer to the Fireworks by-law 147-2006 for more information.

- For all other firework requests, including consumer, display or pyrotechnique special effects, a permit is required. Display and pyrotechnique special effects permits are required, any day of the year.

Fire Inspection - Group Homes

- For the provision of requested fire related inspection services, the requester shall be charged the fee as stipulated in this schedule.

- "Per Occupant" and "Over 10,000 square feet" fees are billed in addition to the base inspection fee, where applicable.

SCHEDULE F - FIRE AND EMERGENCY SERVICES NOTES

Fire Inspection - Industrial/Commercial/Office/Multi Occupancy Complex

- For the provision of requested fire related inspection services, the requester shall be charged the fee as stipulated in this schedule.
- "Per Tenant or Occupant" and "Over 10,000 square feet" fees are billed in addition to the base inspection fee, where applicable.

Fire Inspection - Residential/Apartment/Condominium Building

- For the provision of requested fire related inspection services, the requester shall be charged the fee as stipulated in this schedule.
- "Per Additional Floor" fee is billed in addition to the base inspection fee, where applicable.

Fire Inspection - Two Unit Dwelling

- For the provision of requested fire related inspection services, the requester shall be charged the fee as stipulated in this schedule.
- "4th and Subsequent Inspections" fee is billed in addition to the base inspection fee, where applicable.

Fire Inspection - Tents

- For the provision of requested fire related inspection services, the requester shall be charged the fee as stipulated in this schedule.
- "Additional Tents under 10,000 square feet" fee is billed in addition to the Tent/Marquee Inspection, where applicable.

Fire Inspection - General

- For the provision of requested fire related inspection services, the requester shall be charged the fee as stipulated in this schedule.

Fire Alarms

- If Fire and Emergency Services attends at a property in response to a fire alarm and upon conducting an investigation, fire personnel determine that the alarm is a nuisance false alarm or has occurred as the result of a malicious act, the property owner shall be charged the fee as stipulated in this schedule. Note: The first response occurrence will not be billed, However, the fee will apply to each subsequent occurrence within the same 12 month rolling period.
- If the property owner fails to notify the Joint fire Communication Centre in advance of any work being conducted on a fire alarm system or emergency system at a property, and as a result of the work being done on a fire alarm system or emergency system a false alarm is triggered, the property owner shall be charged the fee as stipulated in this schedule if Fire and Emergency Services responds to the false alarm. Note: The first response occurrence will not be billed, However, the fee will apply to each subsequent occurrence within the same 12 month rolling period.

SCHEDULE F - FIRE AND EMERGENCY SERVICES NOTES

Rentals

- For the provision of requested rentals of the specified fire equipment or facilities, the requester shall be charged the fee as stipulated in this schedule.
- All rentals are subject to availability as well as pre-approval by Fire and Emergency Services. Usage restrictions and limitations apply. Liability waivers are required.
- For the rental of fire trucks: (1) One hour shall be added to all vehicle rentals, in addition to the duration requested, to allow for set-up and travel. All vehicle rentals require a minimum three hour rental.
- Burn Building (Live Fire) Rental: A mandatory requirement for the rental of this facility is to have a qualified NFPA 1403 instructor present for the full duration of the rental. One may be provided by the renter, subject to approval by Brampton Fire and Emergency Services.

Miscellaneous

- For the provision of other general services and products such as key boxes, smoke alarms, carbon monoxide detectors, printed copies of safety plans and/or other general items listed within this section, the requester shall be charged the fee as stipulated in this schedule.
- If Fire and Emergency Services responds to a fire or other emergency at a property and determines that it is necessary to rent special equipment or use consumable materials to board-up and barricade a property, the expenses incurred by Fire and Emergency Services shall be recovered as a fee under this By-law.
