In cases of emergencies, such work may be done

without prior notice but the Owner shall be notified forthwith. The cost of such work will be calculated by the Commissioner of Public Works, whose decision shall be final. It is understood and agreed that such cost shall include a management fee of fifteen per cent (15%) of the cost of the labour and materials. Any work done at the direction of the Commissioner of Public Works pursuant to the provisions of this clause shall not be an assumption by the City of any liability in connection therewith nor a release of the Owner from any of its obligations under this agreement.

Inspection of Works 17.5 The Owner hereby grants to the City, its servants, agents and contractors, the licence to enter the lands for the purpose of inspection of any of the works referred to in this agreement and to perform such work as may be required as a result of a default.

18.6 contain a provision that the policy or policies will not be changed or cancelled without at least thirty (30) days prior written notice being given to the City.

The Owner shall deposit with the City, prior to the issuance of a building permit, a certificate of insurance in the form attached hereto as Schedule E without modification.

If required by the City, the Owner shall prove to the satisfaction of the City that all premiums on such policy or policies have been paid and that all insurance is in full force and effect.

In the event that such renewal certificate is not received, the City shall be entitled to either renew the policy at the expense of the Owner or to order that all work on the land within the plans cease until the policy is renewed.

The issuance of such a policy of insurance shall not be construed as relieving the Owner from the responsibility for other or larger claims, if any, for which it may be held responsible.

23.5 The Owner acknowledges that the City shall not be required to reduce or release the cash deposit, letter of credit or other negotiable security in accordance with clause 17 of this agreement until the City is satisfied that all of the provisions of paragraphs 23.1, 23.2 and 23.3, together with all other applicable provisions of this agreement have been complied with.
