

THE CORPORATION OF THE CITY OF BRAMPTON

BY-LAW

Number 121-88

To amend By-law 139-84
(former geographic Township of
Toronto)

The council of The Corporation of the City of Brampton ENACTS as follows:

1. By-law 139-84, as amended, is hereby further amended:

(1) by adding to Section 5 thereof, the following subsection

"RECREATION FACILITY shall mean an area, surface, place, installation or device which is designed and used for the active recreational pursuits of persons during their leisure time. A recreation facility may include, but shall not be limited to, a tennis court, ice skating rink, horseshoe pit, bocce court, lawn bowling court, croquet pitch and shuffleboard court."

(2) by deleting subsection 10.7 thereof and substituting therefor the following subsection:

"10.7 Uncovered Swimming Pools and Recreation Facilities

10.7.1 A private, uncovered swimming pool or recreation facility shall only be permitted in the rear or side yard of a lot provided that it is no closer than 1.2 metres to any lot line or easement.

10.7.2 In the instance of a corner lot within a residential zone where the rear lot line of the corner lot coincides with the interior side lot line of an abutting lot with frontage on the same street which forms the flankage lot line of the corner lot, a private, uncovered swimming pool or recreation facility shall not be permitted in the exterior side yard of the corner lot plus an area delineated by the exterior side yard, the rear lot line and a line projected from the rear corner of the dwelling

situated on the corner lot, closest to the flankage lot line, and the front corner of the dwelling situated on the abutting lot described above, closest to the corner lot, provided a habitable room is situated on the ground storey level at the front corner of the dwelling situated on the abutting lot.

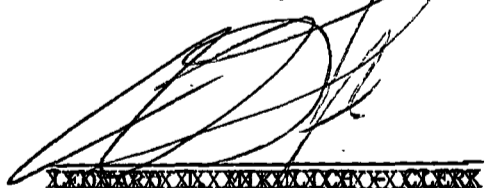

If the front or interior side yard of the abutting lot which abuts the rear yard area of the corner lot is occupied by an attached or detached garage or carport which effectively separates the rear corner of the dwelling situated on the corner lot and the applicable front corner of the dwelling situated on the abutting lot, then the restriction imposed by this subsection shall not apply to the corner lot.

If one of the two dwellings referred to above is not constructed, then the minimum required yard setbacks will be used to establish the rear or front corner of the dwelling which is not constructed.

All uncovered swimming pools or recreation facilities which existed prior to April 25, 1988 or for which a permit was issued prior to April 25, 1988 shall be deemed to comply with this subsection."

READ a FIRST, SECOND and THIRD TIME, and PASSED, in OPEN COUNCIL,

this 24th day of May 1988.
