## **A By-law to prohibit smoking on transit property by amending City of Brampton By-law 82-2008, as amended**

### **Recitals:**

Section 8(1) of the *Municipal Act, 2001*, S.O. 2001, c.25, as amended, (*Municipal Act, 2001*) provides that the powers of a municipality under any Act shall be interpreted broadly so as to confer broad authority on municipalities to enable them to govern their affairs as they consider appropriate, and to enhance their ability to respond to municipal issues;

Section 11(3)(2) of the *Municipal Act, 2001*, provides that a lower-tier municipality may pass by-laws respecting transportation systems;

Section 115 of the *Municipal Act, 2001*, allows a municipality to prohibit or regulate the smoking of tobacco in public places, workplaces and public transportation vehicles;

The Council of the City of Brampton considers it desirable, for the health, safety, and welfare of Brampton Transit users and employees, to prohibit smoking at transit facilities which are both public places and workplaces.
