

THE CORPORATION OF THE CITY OF BRAMPTON

BY-LAW

Number 149-83

To regulate, supervise and govern
the parking of vehicles on
municipal parking lots.

The Council of The Corporation of The City of Brampton enacts as follows:

1. For the purposes of this by-law.

"motorcycle" means a self-propelled vehicle having a seat or saddle for the use of the driver and designed to travel on not more than three wheels in contact with the ground, and includes a bicycle with a motor attached and a motor scooter;

"motor vehicle" includes automobile, motorcycle, and any other vehicle propelled or driven otherwise than by muscular power;

"park", "parking", "parked", when describing a vehicle, includes that vehicle, whether occupied or not, and whether parked or standing;

"parking lot" shall mean land where motor vehicles may be parked which has been acquired, established, laid out or improved by the City;

"parking machine" means an automatic or other mechanical device, with the necessary standard for the same, for the purpose of controlling and regulating the parking of any motor vehicle in or on a parking lot and which, when a coin has been inserted therein and the machine activated, issues a card indicating the date and time of such activating and the duration of the parking in or on the parking lot permitted thereby;

"parking meter" means an automatic or other mechanical device, with the necessary standard for same, for the purposes of controlling and regulating the parking of any motor vehicle in a parking space and measuring and recording the duration of such parking;

"parking space" means a portion of the surface of a parking lot normally designated by lines painted or marked on the surface of the parking lot;

"permit" means a monthly pass to park a motor vehicle within a designated lot for the duration of a month;

"vehicle" includes motor vehicle, trailer, traction engine, farm tractor, roadbuilding machine and any vehicle drawn, propelled or driven by any kind of power, including muscular power.

2. The Commissioner of Public Works is hereby authorized, for the purpose of controlling and regulating parking in or on parking lots and to measure and record the time during which a motor vehicle has been parked and the amount of fee to be collected,
 - (1) to erect, maintain and operate parking meters in or on those parking lots set out in Schedule A of this by-law,
 - (2) to erect, maintain and operate parking machines in or on those parking lots set out in Schedule B to this by-law,
 - (3) to station attendants in or on those parking lots set out in Schedule C to this by-law, and
 - (4) to designate parking spaces in connection therewith.
3. The Commissioner of Public Works is also authorized to erect in or on any parking lot such gates, attendant shelters, signs and markers or other devices as may be necessary for the safe and efficient operation of such parking lot.
4. If a parking space has been designated by lines painted on the surface of the parking lot, no person shall park any motor vehicle in such a manner that it is not wholly within the area designated as a parking space.
5.
 - (1) The driver of every motor vehicle parked in any parking space in or on a parking lot set out in Schedules A, B and C during the hours of operation of the parking lot, as set out in the applicable schedule, shall pay the fee prescribed in Column 3 of the applicable schedule.
 - (2) Where a motor vehicle operated by or conveying a physically handicapped person properly displays a valid identifying marker issued in accordance with the provisions of By-law 33-79, the owner and driver of said vehicle are exempt from the provisions of paragraph 5 of this by-law pertaining to the parking of motor vehicles in or on any parking lot set out in Column 1 of Schedule B.
6. The amount of the fee for parking shall be clearly displayed in a conspicuous place in or on each parking lot by means of a sign or signs.
7.
 - (1) Where parking meters have been erected no person shall park any motor vehicle in a parking space in or on any of the parking lots set out in Column 2 of Schedule A to this by-law during the times set out in Schedule B unless the meter controlling such parking space is used and the fee deposited thereunder in accordance with the rate set out in Column 3 of the said Schedule A and the meter is set in operation in accordance with the instructions indicated thereon, and the fee stipulated for a given period in a parking space shall be paid for that period or any portion thereof, and the period shall be measured by the parking meter controlling such parking space.
 - (2) No person shall allow a motor vehicle to remain in a parking space for a period longer than set out in this by-law.
8.
 - (1) Where parking machines have been erected and are in operation in or on any parking lot set out in Column 1 of Schedule B to this by-law, the duration of the period of parking permitted shall be measured by the parking machine and shall be the period of duration indicated on the card issued by the parking machine next following the activation thereof (such period being hereinafter referred to as the "permitted period").
 - (2) No person shall park any motor vehicle in or on any parking lot where a parking machine is in operation,
 - (a) during the times set out in Schedule B, unless
 - (i) the parking machine controlling such parking lot is used and a fee deposited thereunder in accordance with the rate set out in Column 3 of the said Schedule B and the machine is activated,
 - or
 - (ii) the motor vehicle has a valid monthly permit;
 - (b) at anytime not within the permitted period.

9. The card issued by the parking machine shall while the motor vehicle is parked in or on the parking lot be placed inside the windshield of the motor vehicle in such position that the writing and markings thereon face outward and can be easily seen from outside the motor vehicle.
10. Any person may obtain from the City a permit to park a motor vehicle in a specified parking lot for the current month or unexpired period thereof upon payment of the fee prescribed in Column 3 of Schedules B and C of this by-law.
11. The permit shall, while the motor vehicle is parked in or on any parking machine controlled parking lots set out in Schedule B, be placed inside the windshield of the motor vehicle in such position that the writing and markings thereon face outward and can be easily seen from outside the motor vehicle.
12. The permit shall be presented for inspection to the attendant upon entering and exiting any attendant-controlled parking lot set out in Column 1 of Schedule C to this by-law.
13. No person shall deposit or cause to be deposited in any parking meter or parking machine any slug, device, or other substitute for a coin of Canada or of the United States of America.
14. No person shall deface, injure, tamper with, open or wilfully break, destroy or impair the usefulness, of any parking meter, parking machine, or other parking device.
15. No person shall park a motor vehicle in or on any parking lot if such a motor vehicle is in excess of 3000 kilograms gross vehicle weight.
16. No person shall use any parking lot
 - (a) for the purpose of parking a motor vehicle while repairs are being made to such vehicle, unless such repairs are of an emergency nature and are required to be made so that the motor vehicle can be moved from the parking lot,
 - (b) for the purpose of storing or keeping a vehicle or vehicles, or
 - (c) for any purpose other than parking purposes, unless permission to do so is granted by the City.
17. No person shall park or leave any motor vehicle in or on any part of a parking lot where, by means of one or more signs, it is indicated that such parking or leaving is not authorized.
18. If compliance therewith would be impractical, the provisions of sections 4, 7, 8 or 15 of this by-law shall not apply to
 - (1) ambulances, police and fire department vehicles, or
 - (2) any vehicles while actually engaged in works undertaken for or on behalf of The Corporation of the City of Brampton, The Regional Municipality of Peel or any utility.
19. (1) Where a motor vehicle is found parked or standing in contravention of the provisions of this by-law, the enforcing official may issue a summons, or issue and attach to or place on the motor vehicle a ticket in the form of a serially numbered notice stating:
 - (a) the licence number and a concise description of the motor vehicle;
 - (b) that the motor vehicle is unlawfully parked;
 - (c) the date, time and place of the alleged offence;
 - (d) that the owner or driver may make a voluntary payment of ten dollars (\$10.00) to The Corporation of the City of Brampton by attendance at its offices between the hours of 8:30 a.m. and 4:30 p.m., or by mail thereto, within five (5) days, exclusive of Saturdays, Sundays and holidays, after the day upon which the ticket was issued, and,
 - (e) that in the event of a failure to make such payment, a summons will be issued pursuant to the Summary Convictions Act.

- 19. (2) Where payment has been made in accordance with paragraph (1)(d) of section 18 of this by-law, no further proceedings shall be taken under this by-law in respect to the offence alleged in the ticket.
- 20. An enforcing official, upon discovery of any motor vehicle parked or standing in contravention of the provisions of this by-law, may cause it to be moved or taken to and placed or stored in a suitable place, at the owners expense, and all costs and charges for removing, care and storage thereof, if any, are a lien upon the motor vehicle which may be enforced in the manner provided by section 52 of the Mechanics' Lien Act. (R.S.O. 1980, C.261 as amended).
- 21. (1) Subject to section 21 (2), every person who contravenes any of the provisions of this by-law is guilty of an offence and is liable upon conviction to a penalty not exceeding the sum of two thousand dollars (\$2,000.00), exclusive of costs, for each offence.
 (2) Every person who contravenes sections 4, 5, 7, 8, 11, 12, 15 and 17 of this by-law is guilty of an offence and is liable upon conviction to a penalty of not more than \$10.00 for the first offence and not more than \$25.00 for every subsequent offence, exclusive of costs.
- 22. The driver of a motor vehicle, not being the owner, is liable to any penalty provided in this by-law, and the owner of the motor vehicle is also liable to such a penalty unless at the time the offence was committed, the motor vehicle was in the possession of a person other than the owner without the owner's consent.
- 23. The following by-laws and all amendments pertaining thereto are hereby repealed:
