In cases of emergencies, such work may be done without prior notice but the Owner shall be notified forthwith. The cost of such work will be calculated by the Commissioner of Public Works or the Commissioner of Planning and Development, whose decision shall be final. It is understood and agreed that such cost shall include a management fee of fifteen per cent (15%) of the cost of the labour and materials. Any work done at the direction of the Commissioner of Public Works or the Commissioner of Planning and Development pursuant to the provisions of this clause shall not be an assumption by the City of any liability in connection therewith nor a release of the Owner from any of its obligations under this agreement.
