Number 205-79

A By-law to designate private roadways as fire routes, and to prohibit parking thereon

WHEREAS paragraph 45a of Section 354(1) of The Municipal Act (R.S.O. 1970, c. 284, as amended) authorizes the designation of private roadways as fire routes and the prohibition of parking thereon;

NOW THEREFORE the Council of The Corporation of the City of Brampton enacts as follows:

1. In this by-law,

- (1) "enforcing official" means an officer or constable of the Peel Regional Police Force, a by-law enforcement officer for the City of Brampton, the Fire Chief for the City of Brampton, a member of the Division of Fire Prevention, and a special constable appointed to enforce the provisions of this by-law.
- (2) "owner", when used in connection with real property, means,
 - (a) in the case of a property upon which there is a condominium, the Corporation incorporated under The Condominium Act for that condominium, and
 - (b) otherwise, the person shown as the owner of the property on the last revised assessment roll of The Corporation of the City of Brampton;

- (3) "person" includes a corporation;
 - (4) "private roadway" means any private road, lane, ramp or other means of vehicular access to or egress from a building or structure and it may include part of a parking lot;
 - (5) "vehicle" includes a motor vehicle, trailer, traction engine, farm tractor, road-building machine and any vehicle drawn, propelled or driven by any kind of power, including muscular power.
2. (1) The Fire Chief for the City of Brampton, following the date upon which Council adds the municipal address of a property to Schedule A of this by-law, shall cause a notice to be mailed by prepaid registered post to the owner of such property.

(2) Such notice shall indicate when the municipal address of the property was included in or added to Schedule A of this by-law and which private roadways thereon shall be marked as fire routes by signs.
3. (1) The owner of a property shall erect signs marking private roadways thereon as fire routes in accordance with the approval under subsection 3(2) within thirty (30) days following the date upon which a notice under Section 2 is mailed.

(2) Before erecting signs as required by subsection 3(1), the owner of a property shall obtain direction from and the approval of the Fire Chief or the persons designated by him to give such direction and approval, for all such signs, the wording thereon and the location thereof.

4. Each private roadway

(1) which is located on a property of which the municipal address is listed in Schedule A hereto, and

(2) beside or near which there are signs marking it as a fire route,

is hereby designated as a fire route.

5. The owner of a property upon which there is a private roadway that has been designated as a fire route

(1) shall maintain the signs marking it as a fire route, and

(2) shall keep such private roadway

(a) in good repair,

(b) clear of snow and ice, and

(c) free of all obstructions.

6. No person shall park or leave a vehicle at any time on or along any part of a private roadway designated as a fire route.

7. Where a vehicle is found parked or standing in contravention of the provisions of this by-law, the enforcing official may issue a summons or issue and attach to or place on the vehicle a ticket in the form of a serially numbered notice stating:

(a) the licence number and a concise description of the vehicle;

(b) that the vehicle is unlawfully parked;

(c) the date, time and place of the alleged offence;

(d) that the owner or driver thereof may make a voluntary payment of ten dollars (\$10.00) to The Corporation of the City of Brampton, by attendance at its offices between the hours of 8:30 a.m. and 4:30 p.m., exclusive of Saturdays, Sundays and holidays, or by mail thereto, within five (5) days after the day when the ticket was issued; and

(e) that in the event of a failure to make such payment, a summons will be issued pursuant to The Summary Convictions Act.

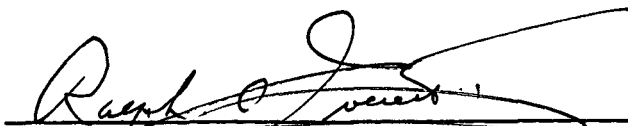

8. An enforcing official, upon discovery of any vehicle parked or standing in contravention of the provisions of this by-law, may cause it to be moved or taken to and placed or stored in a suitable place, at the owner's expense, and all costs and charges for removing, care and storage thereof, if any, are a lien upon the vehicle, which may be enforced in the manner provided by Section 48 of The Mechanics' Lien Act.
9. The driver of a motor vehicle, not being the owner, is liable to any penalty provided in this by-law, and the owner of the motor vehicle is also liable to such penalty unless at the time the offence was committed, the motor vehicle was in the possession of a person other than the owner or his chauffeur without the owner's consent.
10. Any person who contravenes any of the provisions of this by-law is guilty of an offence and is liable to a penalty of not more than One Thousand Dollars (\$1,000.00), exclusive of costs, for each offence.
