Report on tender call - Contract #74-143
Collection of Garbage, trash and newspaper

Following is a summary of tenders taken out and opened on Tuesday, December 3rd, 1974, in the presence of:

Mayor J. E. Archdekin
Mr. D. Tufts
Mr. A. Livingston
Mr. L. T. Koehle

Summary:-

	<u>URBAN</u>	<u>RURAL</u>
- Superior Sanitation - Normal pickup	- \$5.14	- \$5.52
- Trash	- .29	- .69
	<u>\$5.43</u>	<u>\$6.21</u>
- Newspaper	- .39	- 1.24
	<u>\$5.82</u>	<u>\$7.45</u>
- Tops Sanitation Ltd.	-----	-----
- Tri-Cil Waste Management	-----	-----
- L. W. Sanderson & Son - Normal pickup		- \$3.70
- Trash		- .43
		<u>\$4.13</u>
- Newspaper		- .34
		<u>\$4.47</u>
- Bi-West		
- Normal Pickup-	\$4.95	
- Trash	- .75	
	<u>\$5.70</u>	
- Newspaper	- .75	
	<u>\$6.45</u>	

Discussion:-

From this summary it can be seen that Superior Sanitation is low with respect to the Urban Area, namely

\$5.43 for regular and trash pickup
.39 for paper pickup

\$5.82/Cap/Year or 82,950* x \$5.82 = \$482,769.00

and that L. W. Sanderson is low with respect to the rural area, namely

\$3.70 for regular and trash pickup
.34 for newspaper

\$4.47 Total or 5,950* x \$4.47 = \$26,596.50

*/Population figures/September, 1974

Council will recognize that these costs are considerably higher than the 1974 prices of \$3.28/Cap/Year/in Brampton.
and \$3.22/Cap/Year/in Bramalea.

However, it should be recognized that the Brampton price results from tenders called in 1967 for the 1968-1970 period at \$2.98/Cap/Year, later extended till June 1974 at the same rate and increased on July 1st, 1974, by 10.4% to \$3.28/Cap/Year for the remainder of 1974. The cost of equipment maintenance, gas, oil and labour has gone up considerably during this period which is reflected in today's prices, which are for a 3-year period subject to increases based on the increase in cost of living index.

The City of Sarnia called tenders very recently and received the following prices.

Superior Sanitation	- \$6.17/Cap/Year
Tri-Cil	- \$6.32/Cap/Year
Industrial Disposal Hamilton	- \$7.00 + Cap/Year

These prices are for a once a week pickup except for June and July when there is a twice/week/pickup but no other provisions for trash or paper pickups are included.

Superior Sanitation's tender included \$0.40/Cap/Year to provide for twice weekly pickup in June and July.

With respect to the separate collection of newspaper, we wish to point out that based on the tenders received and present day population figures the total cost for 1975 will be

Urban - 82,950 x \$0.39 =	\$32,350.50
Rural - 5.950 x 0.34 =	<u>2,023.00</u>
	\$34,373.50 (to be increased as population increases)

Presently we are collecting ± 25Ton/week. We are estimating that on a monthly pickup we will collect ± 75Ton/month or 900 Ton/Year.

We have just been informed by I.K.O. that for December 1974, we will be receiving \$5.00/Ton for newspaper. Present Metro price is \$2.50/Ton
Regional contribution \$1.50/Ton.

Based on the above figures, we estimate our 1975 revenue at \$5,400. Cost to the City for 1975 approximately \$29,000.00. Based on today's market conditions and the projected cost to the City it is our opinion that the separate collection of newspaper and cardboard must be discontinued until market conditions improve to the point where this operation can be justified.

The tender calls for a Performance Bond of \$75,000.00 for the total contract. Since Superior Sanitation is low tenderer on the Urban collection and Sanderson on the Rural collection, we recommend that the performance bond requirements for the Urban Contract be set at \$65,000.00 and at \$10,000.00 for the Rural contract.

Recommendations:-

1. That Part "A" of Contract #74-143 for the collection and haulage of all residential, commercial and industrial garbage including the monthly collection of trash in the Urban Areas of the City of Brampton, all as specified in Contract #74-143 be awarded to Superior Sanitation Ltd., on the basis of their tender price of \$5.43/Cap/Year.
Their's being the lowest tender received for the Urban Area.
Subject to receipt of a \$65,000.00 Performance Bond.
2. That Part "B" of Contract #74-143 for the collection and haulage of all residential, commercial and industrial garbage including the monthly collection of trash in the Rural Area of the City of Brampton, all as specified in Contract #74-143 be awarded to L. W. Sanderson & Son on the basis of their tender price of \$4.13/Cap/Year subject to receipt of a \$10,000.00 Performance Bond.
Their's being the lowest tender received for the Rural Area.

3. That the Engineering Department be authorized to inform the public as soon as possible of the changes in garbage collection resulting from the acceptance of the above tenders and the terms and conditions of Contract #74-143.
