17.1.1 all the works required by this agreement to be constructed on public lands.
Security Required: N I L

17.1.2 all landscaping and fencing shown on the approved landscape and fencing plan.

17.3 The Owner may, from time to time, apply to the City for a reduction in the amount of the security by an amount up to ninety per cent (90%) of the value of the works for which security was deposited, which the Commissioner of Public Works and the Commissioner of Planning and Development have certified in writing to be satisfactorily completed upon receipt of:

17.3.1 a statutory declaration that all accounts relative to the installation of the completed works have been paid.

The Owner shall maintain all of the works for which security was taken for a period of two (2) years following the date of the certificate of satisfactory completion of such works.

The remaining ten per cent (10%) of the security shall be retained by the City until the expiration of the aforesaid maintenance period and the Commissioner of Public Works and the Commissioner of Planning and Development have finally approved the works for which security is deposited. Prior to the expiration of the maintenance period, the Commissioner of Public Works and the Commissioner of Planning and Development shall inspect the works for which security is deposited and all defects disclosed by such inspection shall be remedied by the Owner at its own expense prior to the release of the remaining ten per cent (10%) of the security to the Owner.

violated, or carelessly executed, or shall the Owner neglect or refuse to renew or again perform such work as may be rejected by the Commissioner of Public Works as defective or unsuitable, or shall the Owner, in any manner, in the opinion of the Commissioner of Public Works, make default in performance in the terms of this agreement, then in such case the Commissioner of Public Works shall notify the Owner in writing of such default or neglect and if such default or neglect not be remedied within ten (10) clear days after such notice, then in that case the Commissioner of Public Works thereupon shall have full authority and power immediately to purchase such materials, tools and machinery and to employ such workmen as in its opinion shall be required for the proper completion of the said works at the cost and expense of the Owner. In cases of emergencies, such work may be done without prior notice but the Owner shall be notified forthwith. The cost of such work will be calculated by the Commissioner of Public Works, whose decision shall be final. It is understood and agreed that such cost shall include a management fee of fifteen per cent (15%) of the cost of the labour and materials. Any work done at the direction of the Commissioner of Public Works pursuant to the provisions of this clause shall not be an assumption by the City of any liability in connection therewith nor a release of the Owner from any of its obligations under this agreement.

Inspection of Works

17.5 The Owner hereby grants to the City, its servants, agents and contractors, the licence to enter the lands for the purpose of inspection of any of the works referred to in this agreement and to perform such work as may be required as a result of a default.

The Owner shall file a renewal certificate with the City not later than one (1) month before the expiry date of any policy provided pursuant to this agreement, until the City has indicated in writing that the policy need not continue in force any longer. In the event that such renewal certificate is not received, the City shall be entitled to either renew the policy at the expense of the Owner or to order that all work on the land within the plans cease until the policy is renewed.
