

THE CORPORATION OF THE CITY OF BRAMPTON

BY-LAW

Number 379-2002

A By-law to amend By-law 1-2002, as amended, being a by-law respecting the issue of licences

WHEREAS By-law 1-2002, as amended, provides for the issue of licences in the City of Brampton; and

Whereas it is deemed appropriate to amend Licensing By-law 1-2002 to provide for the issuance of licences to businesses which provide certain personal aesthetic procedures which involve exposure to blood and body fluids, such as barbers, body piercing and tattooing; the purpose of which is to ensure appropriate health, sanitary & hygiene practices are followed, to reduce any potential for infectious and blood-borne disease;

NOW THEREFORE the Council of The Corporation of the City of Brampton ENACTS as follows:

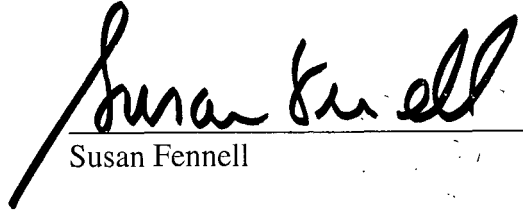

1. That By-law 1-2002, as amended, is hereby amended, as follows:
 - (1) By adding to Section 1, Definitions, the following:

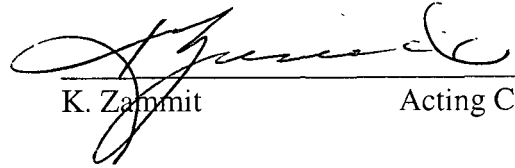

“personal aesthetic procedures” shall mean any procedures that contact intact or non-intact skin, or which penetrate skin, and include shaving, tattooing, piercing, manicures and pedicures”;
 - (2) By adding as subsection 2(32), the following:

(32) “every person who owns or operates a business which offers personal aesthetic procedures”.

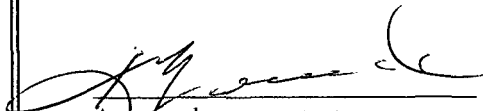

(3) By adding as Schedule S-27 the attached Schedule A to this by-law.

READ A FIRST, SECOND AND THIRD TIME AND PASSED IN OPEN COUNCIL THIS 18TH DAY OF DECEMBER, 2002.

Schedule S-27 to By-law 1-2002, as amended

This Schedule relates to businesses which provide certain personal aesthetic procedures which involve exposure to blood and body fluids, such as barbers, body piercing and tattooing; the purpose of which is to ensure appropriate health, sanitary & hygiene practices are followed, to reduce any potential for infectious and blood-borne disease.

1. For the purpose of this schedule, "invasive procedure" shall mean services which involve penetration of the skin including tattooing and body piercing other than ear-piercing.
2. Every owner shall ensure that:
 - (1) the establishment is kept in a clean and sanitary condition;
 - (2) work surfaces are of a smooth, impervious material and are maintained in a clean and sanitized state following each client procedure;
 - (3) work areas are well-lit and adequately ventilated;
 - (4) at least one sink is provided exclusively for employee use, maintained in a sanitary condition, with hot and cold running water, liquid soap and single use paper towels, in close proximity to the work area;
 - (5) all equipment and instruments are of durable construction, in good condition, and maintained in a clean and sterile condition;
 - (6) all single-use articles are disposed of immediately following use;
 - (7) sharp items are placed in regulation 'sharps' containers following use;
 - (8) that all procedures and handling of equipment and instruments conforms to all applicable guidelines established by the Province of Ontario and the Medical Officer of Health.
3. Every owner shall maintain a record of all invasive procedures, for a minimum of five (5) years and the record shall include:
 - (1) Name, address and telephone number of client
 - (2) Date of procedure
 - (3) Description of procedure
