Subject: Community Services Department – 2008 Rate & Fee Increases

Contact: Harvey Newlove, Director of Recreation Facilities & Programs
905-874-2358

OVERVIEW:

- The Community Services Department conducts an annual review of Parks & Recreation, Animal Services, Theatre rates and fees.
- The proposed 2008 rates & fee's presented in this report do not exceed 2.5%
- The registration fees for Summer Day Camps have been reduced to reflect a change in hours of operation.
- Public Notice that Committee is to consider a rate and fee change has been published in the Brampton Guardian pursuant to the City's Public Notice By-law and the Municipal Act.
- The general public will be informed through a news release, and an ad in the Brampton Guardian. Information will also be available on the city web site.
- User groups will be notified by the Department immediately following Council approval.
- The addition of "Free" track use for "Seniors Over 70" has been implemented at specific recreation facilities.

Recommendations:

1. That the report titled **Community Services Department - 2008 Rate & Fee Increases** dated November 21, 2007 from Harvey Newlove, Director of Recreation Facilities & Programs be received.
2. That the 2008 rate & fee increases for registered programs, point of sale items, memberships and facility rentals, Animal Services, Theatre as appended to the subject report, be approved.
3. That User Fee By-law 380-2003, as amended, be amended accordingly in Schedule "A"- Fees Relating to Parks & Recreation Programs & Services.

Background:

On an annual basis, the Community Services Department reviews rates & fees. Pursuant to the *Municipal Act*, public notice must be given when Council is considering amendments to rates and fees.

The sale of food products is not considered to be a “user fee” and is therefore not part of this review.

Cemetery services are legislated under the Cemeteries Act and related fees are not part of this review.

Current Situation:

Rate and fee information is organized into the following categories:

Course Extra Fee Listing	e.g., Costume Fees or Lifesaving Manuals
Facility & Equipment Listing	e.g., Field, Arena & Room Bookings
Rental Extra Fee Listing	e.g., Fencing, Port-a-let Rentals, Lighting
Membership Pass Options	e.g., Annual Fitness & Racquet Membership
Point of Sale Listing	e.g., Mini Golf & Souvenirs
Theatre Fee Listing	e.g., Theatre Rentals, Lighting
Animal Services Listing	e.g., Adoption, Licenses, Impoundment

Each of the eight sections specify:

- The individual name of the product, program or service
- The fee history associated with the product, program or service
- The proposed fee for 2008 (has been highlighted throughout the book in gray)
- The effective start date of the proposed fee

In determining fees, Managers work with staff to complete a program cost analysis. Prices are also benchmarked against other municipalities. This information along with any applicable market pricing data and the assurance of affordability and accessibility are all taken into consideration in finalizing the proposed unit price.

The price increases are reflective of the 1% GST reduction that will come into effect January 1, 2008.

Program fees are summarized as follows:

In 2008 the Recreation Programming is proposing a 0% increase for specific Youth programs (ie: summer camps, child youth outdoor programs, music, fun to learn programs, arts & crafts programs). This is keeping the need for more physical and social participation from our youths.

Affiliated youth and registered sports programs have been kept to a maximum 2.5% increase.

Staff conducted benchmark comparisons for day camps that included opportunities within the City of Brampton and municipalities across the GTA.

Findings concluded that the majority of day camps operate from 9:00 until 4:00 at a fee considerably lower than the City of Brampton's, with an option to purchase extended care. Based on this information, and in order to be more competitive, and commencing in 2008, most of the Parks and Recreation day camps will now operate 9:00 to 4:00 at a reduced fee. For those families requiring extended care, camp staff

will be available on-site from 7:30 am to 9:00 am and again from 4:00 pm to 6:00 pm. This service will be provided at a nominal fee.

The addition of "Free" track use for "Seniors Over 70" will be provided at the Wellness Centre, Brampton Soccer Centre and at the Cassie Campbell Community Centre when it opens.

Financial Impact:

Even though the registration fees have been reduced for Summer Camps, the impact on the budget will be minimal. The reduced fees will encourage new participants to register for the City of Brampton camps."

The financial impact to the 2008 budget taking into account the above mentioned, overall revenue will increase by \$278,000.

Communications Plan:

The communication plan will include due notice to the Sports Affiliates & Community groups on the fee's proposed for 2008 in advance of their 2008-2009 budget preparation.

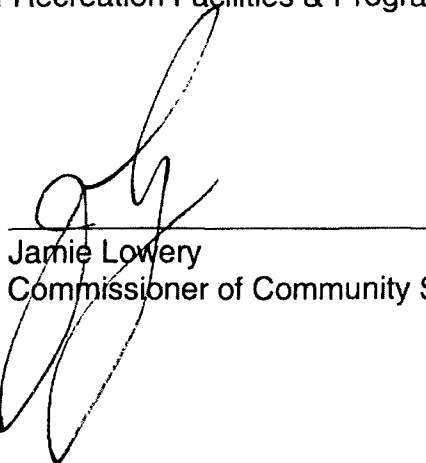

The General public will be informed through a news release, and an ad in the Brampton Guardian. Information will also be available on the city web site.
