[2018 OGRA Conference Workshops Available Online](#)

With so much great content at the 2018 OGRA Conference it is forgivable if you missed a workshop. But if you are kicking yourself for missing one that you could really use, or just want to review what the speakers were talking about, we have you covered.

The workshops for the OGRA Conference have been recorded, and uploaded [HERE](#) for you to view as you please.

PLEASE NOTE: The Plenary Sessions, including Janette Sadik Khan and Paul Smetanin, will be uploaded to the OGRA Conference site separately. We will send out another email when those presentations are available.

There is no need to worry anymore about what you missed or may have forgotten, as you can access the collective knowledge of our wonderful speakers at your convenience.

Have a look at the [OGRA Career Hub](#). Where you look for a career, not just a job.

Join the conversation at [the OGRA Interchange](#)

The mandate of the Ontario Good Roads Association is to represent the transportation and public works interests of municipalities through advocacy, consultation, training and the delivery of identified services.

Resolution Number 2018-177

Sent by e-mail

Mr. Peter Fay
City Clerk
City of Brampton
2 Wellington Street West
Brampton, ON L6Y 4R2

Subject: **Motion Regarding Two Intersections Fronting onto Mayfield Road in Subdivision Application 21T-17017B, Mayfield Road Project**

**Corporate
Services**

Office of the
Regional Clerk

10 Peel Centre Dr.
Brampton, ON
L6T 4B9
tel: 905-791-7800

peelregion.ca

I am writing to advise that Regional Council approved the following resolution at its meeting held on Thursday, March 8, 2018:

Resolution 2018-177:

Whereas the capital project and related construction for the widening and reconstruction of Mayfield Road from Bramalea Road to Airport Road is in process;

And whereas, staff from the City of Brampton and Region of Peel have no principle concerns with the Mayfield Road intersection locations proposed by subdivision application 21T-17017B;

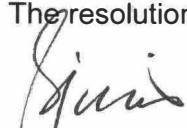

Therefore be it resolved, solely respecting the two intersections fronting onto Mayfield Road that are proposed in subdivision application 21T-17017B, that Regional staff incorporate these two intersections into the current Mayfield Road Project;

And further, that the applicant be required to enter into an agreement with the Region to address financial matters, incremental costs and required securities, including costs and security requirements which may arise if entrances need to be relocated after they are built to deal with those costs;

And further, the Regional staff be authorized to prepare the agreement in a form satisfactory to the Commissioner of Public Works and the Regional Solicitor;

And further, that staff be authorized to extend the purchase orders with the consultant to complete the design of the two intersections and with the contractor for the construction costs.

The resolution is provided for your information.

Stephanie Jurrius
Legislative Specialist

Call for participants: Public interest inquiry into racial profiling and discrimination by the Toronto Police

In advance of the [International Day for the Elimination of Racial Discrimination](#) (March 21), the Ontario Human Rights Commission (OHRC) is inviting people to take part in its public interest inquiry into racial profiling and racial discrimination of Black persons by the Toronto Police Service (TPS).

Background

On November 30, 2017 the [OHRC announced its public interest inquiry](#). Using our legislated inquiry powers under section 31 of Ontario's *Human Rights Code*, we have called for the TPS, the Toronto Police Services Board (TPSB) and the Special Investigations Unit to provide a wide range of data and documents.

We are inquiring into particular practices and activities of the TPS between January 1, 2010 and June 30, 2017, to assess whether they are consistent with racial profiling and racial discrimination against the Black community. We will also examine police culture, training, policies, procedures and accountability mechanisms relating to racial profiling and discrimination.

We are currently conducting research, consulting with key stakeholders, and receiving information from affected individuals, groups and organizations.

The OHRC will report publicly on the inquiry process, its findings and recommendations.

Call for participants

We are looking for Black people to provide first-hand accounts of their experiences with the Toronto police that fall within the scope of the inquiry:

Do you feel that you have experienced racial profiling and/or racial discrimination by the Toronto police in the following areas?

- Stop and questioning practices, or carding
- Use of force
- Arrests and charges, and forms and conditions of release for offences such as:
 - Out-of-sight driving offences (for example, driving without a license or insurance)
 - Simple drug possession
 - Obstructing a police officer, assaulting a police officer, assaulting a police officer to resist arrest, and uttering threats against a police officer
 - Loitering, causing a disturbance and trespassing
 - Failing to comply with a bail condition or condition of release required by a police officer.

Did your experience happen between January 1, 2010 and June 30, 2017, or more recently?

Contact us

If you, or someone you know, would like to take part, contact our team at legal@ohrc.on.ca or 416-314-4547 by June 30, 2018.

A note about privacy:

- The OHRC recognizes the potential vulnerability of affected individuals and the sensitivity of the information shared.
- We will take all reasonable steps to conduct any interviews in a way that protects the security of the person interviewed and respects their confidentiality.
- We will not disclose personal information of affected individuals without informed consent.

Appel aux participants : Enquête d'intérêt public sur le profilage et la discrimination raciale par la police de Toronto

En vue de la [Journée internationale pour l'élimination de la discrimination raciale](#) (21 mars), la Commission ontarienne des droits de la personne (CODP) invite le public à participer à son enquête d'intérêt public sur le profilage racial et la discrimination raciale contre les Noirs par le Service de police de Toronto (SPT).

Contexte

Le 30 novembre 2017, la [CODP a annoncé son Enquête d'intérêt public](#). Se fondant sur le pouvoir de mener une enquête que lui confère l'article 31 du *Code des droits de la personne* (Ontario), la CODP a demandé au Service de police de Toronto, à la Commission de services policiers de Toronto (CSPT) et à l'Unité des enquêtes spéciales de produire divers données et documents.

La CODP enquête sur certaines pratiques et activités du SPT, entre le 1er janvier 2010 et le 30 juin 2017, afin de déterminer si elles dénotent une pratique de profilage racial et de discrimination raciale à l'encontre de la communauté noire. La CODP examinera également la culture, la formation, les politiques, les procédures et les mécanismes de responsabilisation de la police qui se rapportent au profilage racial et à la discrimination raciale.

À l'heure actuelle, nous menons des recherches, consultons des intervenants clés et recevons des renseignements d'individus, de groupes et d'organismes concernés.

La CODP présentera son rapport sur son enquête, ainsi que ses conclusions et ses recommandations, qui seront rendus publics.

Appel aux participants

Nous aimerions nous entretenir avec des personnes Noirs qui ont eu une interaction avec des agents du Service de police de Toronto qui entre dans la portée de notre enquête pour qu'ils nous racontent leur expérience :

Pensez-vous avoir été victime de profilage racial et/ou de discrimination raciale par la police de Toronto dans les domaines suivants?

- Pratiques d'interpellation et d'interrogation, ou de fichage;
- Utilisation de la force;
- Arrestations et accusations, et formes et conditions de libération pour diverses infractions, par exemple :
 - Infractions après un contrôle de circulation (par exemple, conduire sans permis ou assurance);
 - Simple possession de drogue;
 - Entrave à un agent de police, voies de fait contre un agent de police, voies de fait contre un agent de police commises dans l'intention de résister à une arrestation, et menaces proférées contre un agent de police;
 - Flânerie, actes qui troublent la paix et intrusions;
 - Omission de se conformer à une condition de la mise en liberté sous caution ou à une condition de mise en liberté imposée par un agent de police.

Votre expérience s'est-elle produite entre le 1^{er} janvier 2010 et le 30 juin 2017, ou plus récemment?

Communiquez avec nous

Pour participer, contactez notre équipe à Legal@ohrc.on.ca ou au 416 314-4547 avant le 30 juin 2018.

Remarque au sujet de la protection de la vie privée :

- La CODP est consciente de la vulnérabilité des personnes touchées et du caractère sensible des renseignements partagés.
- Nous prendrons des mesures raisonnables pour conduire les entretiens d'une façon qui protège la sécurité des personnes avec qui nous nous entretenons et respecte la confidentialité de leurs propos.
- Nous ne divulguerons pas de renseignements personnels des personnes touchées sans leur consentement informé.

Joignez-vous à la conversation en ligne

Suivez, partagez et communiquez avec nous sur [Twitter](#), [Facebook](#) et [Instagram](#), ou utilisez #TruthBeforeTrust.

Subject: AMO Policy Update - Canada-Ontario Infrastructure Bilateral Agreement released

March 16, 2018

Canada-Ontario Infrastructure Bilateral Agreement released

In keeping with our commitment to update members, here is the full [Canada-Ontario Infrastructure Bilateral Agreement](#) that was posted today. It sets out the annualized federal amounts for each of the funding streams for the next 10 years as well as eligible projects, costs and other requirements. Ontario will be undertaking work to put its administrative processes in place for municipal submissions. We do not yet know how soon this will happen. Again, we will keep you informed of next steps as soon as they are available.

Subject: AMO Policy Update - Canada-Ontario Sign Infrastructure Program Agreement
Date: 2018/03/14 6:03:30 PM

March 14, 2018

Canada-Ontario Sign Infrastructure Program Agreement

Investing in Canada Infrastructure Program – Phase 2

The Bilateral Framework Agreement (IBA) was signed today. It outlines the terms and conditions for \$11.8 billion in federal funding over the next 10 years. Ontario's contribution is \$10 billion, which is in addition to other infrastructure funding programs such as OCIF.

The Canada Infrastructure Program has four (4) funding streams:

Public Transit	Green	Community, Culture and Recreation	Rural & Northern Community
<i>Federal</i> \$8.3 b	\$2.8b	\$407m	\$250m
<i>Provincial</i> 6.8 b	\$2.3b	\$335m	\$206m

Generally, the sharing ratios are 40-33-27% (federal, provincial and municipal) with some variation. Each funding stream is profiled over 10 years.

We understand that municipal governments will want to know more about federal eligibility requirements and we will provide more details on the IBA as soon as possible. We do know that the Agreement is framed on a project approvals process and outcomes reporting which is the case with Phase 1.

Since the Public Transit fund is based on a population and ridership formula, we understand that these municipal governments will receive information on the federal and provincial contributions shortly.

The Province's News Release [Backgrounder](#) contains information on expected outcomes when a project is completed. This will give you some immediate insight on type of projects as municipal governments start to contemplate how the funding might help.

Again, more details including when and how projects can be submitted will emerge over the coming weeks.

Subject: AMO Policy Update - Guidance on Traditional Land Acknowledgement Statements

March 15, 2018

GUIDANCE ON TRADITIONAL LAND ACKNOWLEDGEMENT STATEMENTS

This resource was developed by AMO's recently created Indigenous Relations Task Force. Members have requested supports on creating a traditional land acknowledgement statement for their municipal government. The intention of this resource is therefore to provide guidance to interested municipal governments on how to draft a statement for their jurisdiction.

WHAT ARE TRADITIONAL LAND ACKNOWLEDGEMENT STATEMENTS?

Traditional land acknowledgement statements are increasingly being used in Canada by governments, schools, post-secondary institutions, non-governmental organizations, and other civil institutions as a practice of reconciliation aimed at recognizing the traditional or treaty territories of Indigenous peoples. The statements are typically made at the introduction of meetings, gatherings, events, or presentations. Some are featured on organization websites or event description pages. They are commonly modelled after Indigenous protocols.

While municipal governments should be mindful that inaccurately acknowledging entities and territories may have legal implications, land acknowledgement statements are best interpreted as a venue for recognizing what is known of past Indigenous usage and occupancy of a land. Interested municipalities are advised to create statements specific to their jurisdictions based on legally recognized treaty or traditional lands or to opt for a high-level general statement.

TIPS FOR CREATING YOUR MUNICIPALITY'S LAND ACKNOWLEDGEMENT PROTOCOL:

- Research the history of the land within and in proximity to your municipal boundaries, including treaties, active land claim litigation and Indigenous histories. This information will be useful in helping you craft a statement.
- Some of the history of specific areas may be complex and different sources could be contradictory. In these instances, it may be better to opt for a more general statement rather than trying to be specific.
- If your municipality has an Indigenous Relations or Reconciliation committee or if you have an Indigenous Advisory Council, you may find it useful to have this body help you create your municipal government's land acknowledgement statement.

- Municipal governments do not have to craft a land acknowledgement statement on their own. Engage and work with local First Nations, Métis, Indigenous organizations and community champions in your area. Advice from these groups may be useful in helping you develop a land acknowledgement protocol for your municipal government. Some may have also developed template acknowledgement statements for external use.
- Focus on your current neighbours and Indigenous residents with an eye towards acknowledging past usage and occupants. Remember that in some cases, First Nations communities may not be located on their traditional lands.
- Once your statement has been drafted, remember that it may be viewed as political. Some may critique the acknowledgement protocol your municipal government has created. While you may find it useful to consider their input and view the statement as a living document, do your best and remember that your municipality may not be able to make everyone happy.
- Some municipal governments with existing land acknowledgement protocols have implemented a trial period (e.g. 6 months) for their statement to allow Indigenous community members an opportunity to provide feedback.
- Determine which type of meetings and events you might wish to begin using your land acknowledgement statement to make sure it continues to be meaningful. You may also wish to consider whether you want to have a traditional land acknowledgement statement on your municipality's website.
- To avoid traditional land acknowledgement statements being used superficially and without an appreciation for their cultural meaning, some municipal governments have provided municipal elected representatives and staff with cultural awareness training before implementing the use of a statement.
- Some municipalities invite Indigenous Elders or leaders to participate in introduction protocols at civic celebrations or official events to bring greetings on behalf of the local Indigenous community. Sometimes this approach is used instead of a land acknowledgement statement.

EXAMPLES OF STATEMENTS USED IN ONTARIO:

City of Guelph – Used at the beginning of Council meetings, civic celebrations, official events

"As we gather, we are reminded that Guelph is situated on treaty land that is steeped in rich Indigenous history and home to many First Nations, Métis and Inuit people today. As a City, we have a responsibility for the stewardship of the land on which we live and work. Today we acknowledge the Mississaugas of the [New] Credit First Nation on whose traditional territory we are meeting."

For more information: [City of Guelph Territorial Acknowledgement](#).

Government of Ontario – High-level statement

"[Insert name of city/town] is located on the traditional territory of Indigenous peoples dating back countless generations. I want to show my respect for their contributions and recognize the role of treaty making in what is now Ontario. Hundreds of years after the first treaties were signed, they are still relevant today."

Carleton University (Ottawa) – Suggested scripts to be used before the start of university events

"We/I would like to acknowledge the Algonquin nation whose traditional and unceded territory we are gathered upon today." Or, "We/I would like to begin by acknowledging that the land on which we gather is the traditional and unceded territory of the Algonquin nation."

For more information: [Carleton University Territory Acknowledgement](#).

University of Toronto – Used in specific university ceremonies

"(We) wish to acknowledge this land on which the University of Toronto operates. For thousands of years it has been the traditional land of the Huron-Wendat, the Seneca, and most recently, the Mississaugas of the Credit River. Today, this meeting place is still the home to many Indigenous people from across Turtle Island and we are grateful to have the opportunity to work on this land."

Subject: AMO Policy Update - Speech from the Throne Delivered Today in the Legislature

March 19, 2018

Speech from the Throne Delivered Today in the Legislature

Ontario Lieutenant Governor Elizabeth Dowdeswell delivered the Speech from the Throne laying out the government's future priorities.

Government priorities of importance to municipal governments are:

- Continuing to make significant capital investments across Ontario in public infrastructure – roads, bridges, transit systems, schools, and hospitals.
- Focusing on areas that are struggling to achieve economic growth by investing in workers and businesses and support for regional, rural, and remote economies.
- Reinforcing the importance of addressing climate change.
- Continuing its plan for 100,000 child care spaces.
- Maintaining commitment of 5,000 new beds in the next four years as part of a 10-year plan to create 30,000 new long-term care beds and, by 2022, LTC residents will have access to 15 million more hours of care from health care professions.

Other items of community interest include:

- Expanding home care to provide more services for seniors at home, and to provide financial relief for families who are caring for aging seniors.
- Making investments in mental health and addictions services.
- Ensuring more people without a drug and dental benefits plan will have access to more affordable prescription drugs and dental care.

AMO will be in the March 28th Budget lock-up. Watch that evening for our briefing and analysis.

AMO Contact: Monika Turner, AMO Director of Policy, mturner@amo.on.ca, (416) 971-9856 ext. 318.

THE ASSOCIATION OF MUNICIPALITIES OF ONTARIO WATCH FILE

March 15, 2018

In This Issue

- Next steps to access Main Street Revitalization Funding.
- Community energy planning survey.
- New housing group facilitating new rental and affordable housing development.
- Nik Nanos to speak at AMO Annual Conference.
- Energy use planning is a municipal responsibility - webinar.
- What's the risk level at your next event?
- Social media best practices - 3 case studies.
- Last call for Train-the-Trainer.
- Registration now open for upcoming LAS Town Halls!
- Help LAS Celebrate 5-years of LED streetlighting!
- You're invited to the World's Biggest Celebration!
- Climate change effects on rural infrastructure webcast postponed.
- Career with Sault Ste. Marie.

AMO Matters

AMO will be sending the municipal funding agreement needed to access Main Street Revitalization Initiative funding the week of March 19th to the Municipal Clerk. Like the Federal Gas Tax Fund, AMO will administer the funding, based on the government's allocation-based formula. These agreements must be signed, with a by-law authorization. Please place this on your council agenda as soon as possible.

To help us with our advocacy and program development, AMO wants your feedback [<https://www.surveymonkey.com/r/ZQPKNHF>] on local experiences with Community Energy Planning. Respondents that complete the survey have the chance to win one of two \$25 Tim Horton's gift cards. The survey is open until Wednesday, April 4.

Provincial Matters

The Ministry of Housing's Housing Delivery Group is available to work with municipal governments, developers and other organizations to reduce barriers for specific housing projects. For more information see the ministry news release [<https://news.ontario.ca/mho/en/2017/09/ontario-removing-barriers-to-building-housing-faster.html>] or contact Paula Dill [<mailto:Paula.Dill@ontario.ca?subject=Housing%20Delivery%20Group>], the Provincial Land and Development Facilitator.

Eye on Events

Nik Nanos to speak at AMO AGM and Annual Conference (August 19- 22, 2018 in Ottawa). Join him as he addresses what the polls are saying for municipal election priorities. Find out what else is on the program [<https://www.amo.on.ca/Events/AMOCConference/Programming>] and register today.

The wise use of energy in a community is a municipal responsibility. Conservation and Demand Management (CDM) Planning is the key tool to achieving this goal. Join the CDM webinar April 30th 11:00 am to 12:30 pm and hear municipal and government experiences on how to succeed in energy planning for your community. Register [https://zoom.us/webinar/register/WN_RxduwolqSXmokOXd8yLfvq] for this free webinar today.

What's the risk of a special event in your community? How do you plan for the unknown? What can you do when an event goes 'viral'? Special events are an important part of your community calendar. Join us online on March 21, 2018 for a free one-hour webinar that explores what could happen and what you can do to prepare. Register today [https://zoom.us/webinar/register/WN_G6zVoAWgSZaL-kBb4Px7kQ] .

Municipal governments try different ways to manage social media platforms. We'll do a deep dive into 3 different models of social media management - a larger municipality that is managing dozens of social media accounts, a mid-sized municipality experimenting with greater staff access to improve engagement, and a smaller, rural government that is managing social media with little staff and fewer resources. We'll focus on lessons that everyone can take away and use everyday. Register today [<http://www.amo.on.ca/Training/SocialMedia>] for this one-hour webinar on April 18, 12 - 1 p.m.

Last chance to sign up for the low-cost (\$100) LAS Train-the-Trainer [<http://www.las.on.ca/Events/TrainTheTrainer.aspx>] energy workshops in Eastern Ontario. Registration for Peterborough and Brockville closes this Friday (March 16). Don't miss it - register today [<https://www.las.on.ca/LAS-Docs/Events/Train-the-Trainer/Train-the-Trainer-AODA.aspx>] .

Town Hall information sessions return this spring. If you're not familiar with LAS programming, these no cost sessions provide you the opportunity to learn how we can help your municipality. Register Today [<http://las.on.ca/Events/TownHalls.aspx>] !

LAS
This month marks the 5th anniversary of the LAS LED Streetlight Program. Ontario municipalities can join the festivities by posting photos of completed projects to Twitter using #LADLEDSLs [<https://twitter.com/search?q=%23LASLEDSLs&src=typd&lang=en>] . If your municipality doesn't have a Twitter account, send your photos [<mailto:las@las.on.ca?subject=Streetlight%20Twitter%20Campaign%20Photos%20Information>] to LAS and we'll post them for you.

Saturday March 24, 2018 from 8:30-9:30 p.m. local time is Earth Hour. Discover some of the history behind Earth Hour and learn how you and your municipality can get involved [<http://las.on.ca/Blog/The-LAS-Blog/March-2018/You%E2%80%99re-Invited-to-the-World%E2%80%99s-Biggest-Celebration!.aspx>] in the world's biggest celebration.

Municipal Wire *

A webcast "Are You Ready? Climate Change and Asset Management [<https://carleton.ca/geirg/climate-change-effects-and-asset-management-for-rural-infrastructure>] " by Dr. Shawn Kenny and Dr. Kathyne Dupré was scheduled for broadcast on March 20, 2018. Given the current labour situation at Carleton University and reduction in available support staff, we regret that we will have to postpone this webcast. For more information, contact Shawn Kenny [<mailto:Shawn.Kenny@carleton.ca?subject=Climate%20change%20effects%20on%20rural%20infrastructure%20webcast>] , Associate Professor, Carleton University.

Careers

ARTIFICIAL INTELLIGENCE

Opportunity and Transformation in
Transportation | March 28th @11am

Raquel Urtasun
Head of Uber ATG Toronto

[Artificial Intelligence: Opportunity and Transformation in Transportation](#)

*Raquel Urtasun – Head of Uber ATG Toronto
Mar 28th @ 11:00am*

In the twenty-first century, Artificial Intelligence (AI) techniques have experienced a resurgence following concurrent advances in computer power, large amounts of data, and theoretical understanding; and AI techniques have become an essential part of the technology industry, helping to solve many challenging problems in computer science. Leading AI expert Raquel Urtasun of Uber's Advanced Technology Group in Toronto will provide an overview of AI's productive capacity and its relationship to the Transportation industry going forward.

Raquel Urtasun is the Head of Uber ATG Toronto. She is also an Associate Professor in the Department of Computer Science at the University of Toronto, a Canada Research Chair in Machine Learning and Computer Vision and a co-founder of the Vector Institute for AI. Prior to this, she was an Assistant Professor at TTI Chicago. She was also a visiting professor at ETH Zurich during the spring semester of 2010.

She received her Ph.D. degree from Ecole Polytechnique Federal de Lausanne (EPFL) in 2006 and did her postdoc at MIT and UC Berkeley. She is a world leading expert in machine perception for self-driving cars. Her research interests include machine learning, computer vision, robotics and remote sensing. Her lab was selected as an NVIDIA NVAIL lab. She is a recipient of an NSERC EWR Steacie Award, an NVIDIA Pioneers of AI Award, a Ministry of Education and Innovation Early Researcher Award, three Google Faculty Research Awards, an Amazon Faculty Research Award, a Connaught New Researcher Award and two Best Paper Runner up Prizes awarded at the Conference on Computer Vision and Pattern Recognition (CVPR) in 2013 and 2017 respectively.

in conversation

Stripped directly from the headlines, these big topics are shaping the conversation at the 2018 AMO AGM and Annual Conference.

Nik Nanos address delegates on the main stage on what the polls are saying for municipal election priorities.

Trade tariff wars and trade agreements and the impacts at home

Funding infrastructure in a municipal asset management world

Legalized recreational cannabis meets communities

In addition, we will be in conversation with Premier and Cabinet Ministers on what the municipal agenda means for the government and its agenda for municipal governments.

Additional sessions include:

Health Policy Advocacy
Community Hubs
Wonderful World of Waste
Life in a Post-OMB World.

Get in the conversation and register today!

Part A:

Agenda.

This at a glance agenda is for reference only. Programming details will be posted at amo.on.ca
Times are subject to change.

Day 1: Sunday, August 19, 2018

- 8:30 AM Registration Opens
- 10:00 AM Pre-Conference Clinics
(please note these sessions are add-ons to your Conference Registration)
- 2:00 PM Trade Show Opens
- 3:00 PM Conference Educational Programming
- 6:00 PM AMO Kick-Off Reception
- 8:00 PM City of Ottawa Welcome Reception

Day 2: Monday, August 20, 2018

- 7:30 AM Registration Opens
- 8:00 AM Conference Educational Programming
- 12:00 PM AMO Caucus Lunches
- 1:45 PM Conference Educational Programming
- 5:00 PM AMO Power Down Reception
- 6:00 PM Networking Events hosted by Program Partners

Day 3: Tuesday, August 21, 2018

Election of 2018 - 2020 AMO President and Board of Directors

- 7:30 AM Registration Opens
- 8:00 AM Insight Breakfast hosted by Program Partners
- 9:00 AM Conference Educational Programming
- 12:00 PM Learning Lunches
- 1:30 PM Conference Educational Programming
- 5:00 PM Networking Events hosted by Program Partners
- 6:30 PM AMO Tuesday Evening Social
(off-site event at the Canadian War Museum)

Day 4: Wednesday, August 22, 2018

- 7:30 AM Registration Opens
- 8:00 AM Insight Breakfast hosted by Program Partners
- 9:00 AM Conference Educational Programming
- 11:30 AM Conference Adjourns

Please note Conference Educational Programming includes:

- Keynote Speakers
- Plenary Sessions

- Access to all the presentations post-Conference

Delegate Package B: Education +

(Full Conference, not including the Tuesday Evening Social)

This package includes:

- Access to all scheduled conference educational programming on Monday, Tuesday and Wednesday
- Access to all scheduled conference networking events and receptions on Sunday, Monday and Tuesday
- A Monday Lunch Ticket
- A Tuesday lunch ticket, you will be asked to pre-select the lunch topic you wish to attend, 60 days prior to the Conference
- Access to the Tuesday and Wednesday Insight Breakfasts
- Access to all the presentations post-Conference

Delegates Package C: Day Rate

This package includes:

- Access to all scheduled conference educational programming and networking events on the day of your choosing
- If you choose Monday, a Lunch will be assigned
- If attending Tuesday, you will be asked to pre-select the lunch topic you wish to attend, 60 days prior to the Conference
- Access to the Tuesday or Wednesday Insight Breakfasts

Package A: Full Conference Rates

	Regular (after March 2, 2018)
Members	\$ 830.00
Non Members	\$ 1,025.00
Students*	\$ 465.00

Package B: Education +

	Regular (after March 2, 2018)
Members	\$ 780.00
Non Members	\$ 950.00
Students*	\$ 430.00

Package C: Day Rate

This is a per day rate. If you wish to attend one or two days please choose this option on the registration form. To attend Monday, Tuesday and Wednesday, please select either Package A or B for the best rates.

	Regular (after March 2, 2018)
Members	\$ 550.00
Non Members	\$ 650.00
Students*	\$ 300.00

* In order to be eligible for a student rate, please provide a copy of your current student i.d. at time of registration. This rate is open to all full-time secondary and post-secondary students.

Part B: Partner Package & Add-Ons.

Register Today!

200 University Ave, Ste 801. Toronto, ON, M5H3C6
events.amo.on.ca
fax 416.971.6191

Conference Social Pass:

AMO is once again offering a Social Pass for Partners. These passes provide partners access to the social and networking events that are part of the scheduled Conference programming. AMO offers two options:

1. Social Pass A. This pass includes:

- Access to all scheduled conference networking events and receptions on Sunday, Monday and Tuesday
- One ticket to the Tuesday evening social event (off-site)
- Access to the trade show on Sunday

2. Social Pass B. This pass includes:

- Access to all scheduled conference networking events and receptions on Sunday, Monday and Tuesday
- Access to the trade show on Sunday

Pre-Conference Clinics:

These two-hour clinics are available to purchase as part of your Conference experience. These sessions will run concurrently on Sunday, August 19, 2018 from 10:00 am to Noon.

1. Social Media Clinic

This is a hands-on, practical social media training workshop that will be available for delegates attending the 2018 AMO Conference. The focus will be on how to create compelling content, manage the risks, and maximize the rewards. It will also cover developing social media policies and plans that reflect current social media and traditional media environments.

2. Codes of Conduct Clinic

Code of conducts serve a number of purposes. One is to help establish and clearly communicate the sort of behaviors prioritized in your municipal workplace. This 2-hour clinic looks at what your code of conduct must include and what you should have. Bring your current codes to fully participate in this interactive session.

Conference Social Pass Rates:

Please note partners must attend with a registered delegate.

	Conference Social Pass Rate
Social Pass A	\$ 125.00
Social Pass B	\$ 50.00

If you are purchasing a social pass for a partner please ensure that the pass purchased matches the Delegate Package purchased. For example Social Pass A provides the same social access as Delegate Package A, and Social Pass B provides the same social access as Delegate Package B.

Pre-Conference Clinics Rate:

	Clinic Rate
Members	\$ 145.00
Non Members	\$ 180.00

Delegate Contact Information: All information below needs to be the registered delegate, even if someone else is completing the registration form.

First Name: _____ Last Name: _____

Title: _____ Organization: _____

Full Mailing Address: _____

Office Phone: _____ Cell Number: _____

E-mail: _____

Special Needs (e.g. accessibility, diet): _____

Registration Selections: Please select the delegates package and add-ons. Rates do not include HST. Early Bird Rates in effect until March 2, 2018

1. Delegate Registration

		Regular		
		Members	Non Members	Student
	Package A	\$ 830.00	\$ 1,025.00	\$ 465.00
	Package B	\$ 780.00	\$ 950.00	\$ 430.00
	Monday	\$ 560.00	\$ 650.00	\$ 300.00
	Tuesday	\$ 560.00	\$ 650.00	\$ 300.00

FREE The Changing Landscape of Municipal Investment Powers

COMPLIMENTARY WEBINAR

The Province of Ontario recently made significant changes to municipal legislation and regulations with respect to investment powers for Ontario municipalities. Section 418.1, which has recently come into effect, provides authority for municipalities to invest funds not required immediately using the prudent investor standard (PI) rather than the more restrictive "legal list" approach of the past. A new section to the eligible investment regulation (Part II) provides details in the PI standard, who can access it, what you need to do to have it apply and what governance structures must be in place. At the same time that these changes were made, regulatory amendments were also made to the regulation (Part I) with respect to pre-existing investment powers.

Join us as we discuss the changes to investment powers that will affect you.

Date: Wednesday, March 21 @ 12:00 pm - 1:30 pm

Development Charges 101 & 201

LAST CHANCE TO REGISTER FOR DEVELOPMENT CHARGES 101 in KINGSTON

Development Charges 101 & 201 workshops are designed to provide the attendee with a full perspective of the Development Charges Act (DCA).

The 101 workshop is targeted towards those with limited knowledge of the DCA or those who only participate in segments of the DCA process and would like a broader understanding of how all departments play a role in the development of the charge.

The 201 workshop will focus on a more advanced level of the Act and how to manage the financing of the capital requirements for growth.

Each workshop is eligible for up to 6.0 CPD hours

TasteON: Sharing the Love of Local

MFOA's 2018 Photo Contest has arrived! Whether you grow it, cook it, eat it, or snap it, Ontario's food is a sight to be seen and we want you to show us. TasteON: Sharing the Love of Local is celebrating the art of local Ontario food through your lens. You can choose to submit photos from the categories: Food, Drink, or Other.

As a way to further support local communities, for every photo submitted MFOA will donate \$10 to an Ontario food charity, so get your cameras out now! The contest begins March 5 and ends on June 29. For more details please [visit our website](#).

Other Training: Municipal AMP Webinars

COMPLIMENTARY WEBINARS

In December 2017, the province passed a municipal asset management planning regulation under the Infrastructure for Jobs and Prosperity Act, 2015. To help municipalities better understand the content of the regulation, the Ministry is offering two technical webinars on the content of the regulation. This presentation will be suited primarily to municipal professionals engaged directly in asset management, such as municipal finance and municipal engineering professionals, but is open to anyone wishing to attend.

Date: Tuesday, March 20 and Wednesday, March 21 @ 2 PM - 3 PM

To participate, please click on the corresponding link below dial the conference call number above at the time of the event.

Subject: Help Enhance the Practice of Asset Management in Ontario - A quick survey.

Problems Viewing this Email? [Click Here](#)

[Asset Management Competency Study](#)

The University of Toronto, in collaboration with OGRA, is conducting a survey on asset management competencies: how can we help municipalities achieve the goals of Bill 6 and enhance levels of services?

Click on the button below to start. It takes 10 to 15 minutes.

This survey is a part of a research project by the University of Toronto in collaboration with Ontario Good Roads Association (OGRA). It is partially funded by the Natural Sciences and Engineering Research Council (NSERC). The aim of this study is to understand common practices and conditions for asset management planning in Ontario municipalities to help guide the development of tools and policy instruments that match the needs of municipalities and boost their competency in asset management.

The questions include multiple-choice answers and text input. Respondents are encouraged to provide text comments too. When you believe that more than one choice is true, please choose all correct answers.

The names and contacts of participants and their municipalities will remain anonymous. The results of the survey will be used to understand, and hopefully, enhance the practice of asset management in Ontario.

[Signs and Lines Creating Positive Guidance for Drivers](#)

Ontario Traffic Manuals 1c, 5, 6 & 11
May 7 - 9 | 8:00am - 5:00pm

Course Objectives: This course offers practical experience in using Ontario Traffic Manual 5, 6 & 11. Participants will learn how their signage and marking selection and placement decisions positively or negatively influence the safety of Ontario road users. They will also learn how to create and maintain a sign management program, to reduce inefficiencies in product ordering. By the end of this course, participants will return to their municipalities with a list of best practices to help mitigate against liability lawsuits and insurance claim losses.

Course Content

- Principles of Positive Guidance
- Influencing driver safety
- Sign manufacturing & Three Speed Triangle
- Best practices for ordering road signs

- MMS Requirements for Signs
- Retroreflectivity & Reflective Sheeting
- Sign Management Program
- Regulatory Signs (OTM 5)
- Warning Signs (OTM 6)
- Pavement, Hazard and Delineation Markings (OTM 11)
- Collision investigations

Who Should Attend?: This course is designed for decision makers and individuals responsible for the selection and placement of regulatory signs, warning signs, and the pavement, hazard and delineation markings.

Note: Under consideration for CRS

Subject: Invitation to a Technical Webinar for the Agricultural Impact Assessment Guidance Document

We recently let you know that the Ministry of Agriculture, Food and Rural Affairs is seeking comments on a draft [Agricultural Impact Assessment Guidance Document](#).

We are holding two technical webinars for municipal planning and economic development staff, environmental and agricultural assessment professionals, engineers, associations and other professionals who are interested in Agricultural Impact Assessments. As such we would like to invite you, or request that you forward this invitation to an appropriate representative who would benefit from attending a technical webinar, to learn more about the Agricultural Impact Assessment Guidance Document. The technical webinar will also provide an opportunity for participants to ask questions.

Pre-registration is required.

The technical webinars will be held:

- **Wednesday, April 11, 2018: 1:30 – 3:30 PM**
- **Monday, April 16, 2018: 1:30 – 3:30 PM**

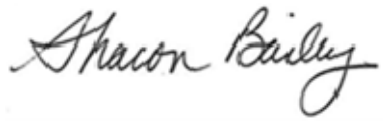

You must pre-register with the **Agricultural Information Contact Centre (AICC)** at **1-877-424-1300** or by email to ag.info.omafra@ontario.ca, providing your name, affiliation, and which session you plan to attend. We will send those who pre-register the agenda and other information closer to the webinar dates.

Comments on the draft Agricultural Impact Assessment Guidance Document will be accepted between **March 15 and July 13, 2018**.

You can submit comments by:

- Visiting the [Environmental Registry](#) posting and clicking the 'comment' button
- Email: aia@ontario.ca
- Fax: 519-826-3492
- Mail: Agricultural Impact Assessments
c/o Michele Doncaster, Policy Advisor
Ministry of Agriculture, Food and Rural Affairs
1 Stone Road West, 2nd floor
Guelph, ON N1G 4Y2

We look forward to hearing from you.

Subject: LAS Town Hall Registration Now Open!

LAS Town Hall Information Sessions Return this Spring!

LAS Town Hall Information Sessions return this spring. Come learn how our programs and services can help your municipality overcome its biggest challenges.

This Year's Topics:

- The One Investment Program - Prudent Investor
- Roads Assessment Service
- Recreational Facility Lighting
- Sewer & Water Line Warranty Service

Dates & Locations:

-Friday April 13th
Ingersoll Town Hall
Council Chambers
130 Oxford Street 2nd Floor
Ingersoll, ON N5C 2V5

-Friday April 20th
Kawartha Lakes Town Hall
Fenelon Falls Community Centre
27 Veterans Way
Fenelon Falls, ON K0M 1N0

-Wednesday May 9th
Parry Sound Town Hall
Charles W. Stockey Centre
2 Bay Street
Parry Sound, ON P2A 1S3

-Thursday May 17th
Gananoque Town Hall
EMS Boardroom
340 Herbert Street
Gananoque, ON K7G 1R1

-Friday May 25th
Cochrane Town Hall
Tim Horton Events Centre Media Boardroom
7 Tim Horton Drive
Cochrane, ON P0L 1C0

Session Information:

- No Cost Information Sessions
- Run from 10:00 am to 1:30 pm*
- Coffee, Baked Goods & Lunch will be provided

* The Parry Sound Town Hall session will take place in the morning prior to the start of the FONOM Conference.

Register Online Today! [

Subject: Main Street Revitalization – funding update
Attachments: Main Street Revitalization Allocations.pdf

This week, AMO signed an agreement with the Province to administer its \$26m Main Street Revitalization Initiative for Ontario's lower and single-tier municipalities (except for the City of Toronto). This initiative ensure investment in communities' main street/downtown areas to support small businesses.

AMO is pleased to announce that our administrative efficiencies mean that 413 municipalities will receive about 4% more than originally indicated in January when the program was announced by the province. The final allocations, compared to the original estimate, is attached.

Funding will follow a model similar to the Federal Gas Tax Fund (GTF) so there is no application process. Municipal governments will need a by-law authorizing it to sign a funding agreement with AMO. As with the GTF, treasurers are the administrator of this contract. Municipalities will need to identify the program category, the project(s), anticipated results and estimated cost when council deals with the agreement by-law. Please send this project information to AMO by sending an email to mainstreets@amo.on.ca.

AMO will be distributing your municipal agreement the week of March 19th. Watch for it – it will be an electronic delivery from one of AMO's staff – Brittany Ardiel. It's critical that the funding agreement by-law be put on Council agendas as soon as possible to avoid potential municipal lame duck provisions, particularly for any 2018 projects.

What projects qualify?

The funding can be used to support revitalization efforts related to energy efficiency, accessibility, aesthetics and marketability. There will be two program categories:

1. Implementing priorities under existing Community Improvement Plans (includes grants for renovations, retrofits and structural improvements); and/or,
2. Funding for municipal improvements that will support main street businesses, such as signage, streetscape improvement and marketing plan implementation.

Municipalities can fund projects in one or both categories.

Information on eligible projects and cost along with reporting requirements will be in a Guide that accompanies the funding agreement. Please read it. Like the GTF accountability framework, municipalities will need to demonstrate due diligence around project progress, financial controls and risk management. Individual projects should include plans to promote and communicate the benefits, just as we do for the GTF.

AMO looks forward to working with all of you to ensure Ontario municipalities can put this funding to work in support of our main streets.

AMO Contact: Pat Vanini, Executive Director, pvanini@amo.on.ca, 416.971.9856 ext. 316.

PLEASE NOTE: AMO Breaking News will be broadcast to the member municipality's council, administrator, and clerk. Recipients of the AMO broadcasts are free to redistribute the AMO broadcasts to other municipal staff as required. We have decided to not add other staff to these broadcast lists in order to ensure accuracy and efficiency in the management of our various broadcast lists.

DISCLAIMER: Any documents attached are final versions. AMO assumes no responsibility for any discrepancies that may have been transmitted with this electronic version. The printed versions of the documents stand as the official record.

OPT-OUT: If you wish to opt-out of these email communications from AMO please click [here](#).

Subject: Nominate a Physician in your community for the Council Award

CPSO Council Award 2019

March 2018

[Criteria and Nomination Form](#)

CALL FOR NOMINATIONS

Do you know an outstanding physician in your community?

The College of Physicians and Surgeons (CPSO) is now accepting nominations for the [2019 Council Award](#).

The Council Award honours outstanding Ontario physicians who have demonstrated excellence and embody society's vision of an "ideal physician".

The criteria for selecting a physician for the Council Award are outlined in the [award brochure](#).

Four awards are presented each year, one in each of the following categories: Academic Specialty, Community Specialty, Academic Family Practice and Community Family Practice.

If you know of a physician who meets the selection criteria, please nominate him or her for the Council Award. The deadline for receipt of nominations is **Monday, October 1, 2018 at 5:00 PM**.

For further information, please contact the Communications Department at 416-967-2600 or 1-800-268-7096 ext. 611 or cpsoward@cpsso.on.ca.

[Past Award Winners](#)

Meet one of the 2018 Council Award winners: Dr. Bill I. Wong

In February, the College presented The Council Award to Dr. Bill Wong, a Mississauga physician who helped lead his hospital's efforts to respond to patient requests for medical assistance in dying.

Dr. Wong is the Program Chief and Medical Director of the Department of Anesthesiology at Mississauga's Trillium Health Partners. He is also the hospital's Physician Lead for the Cardiac Surgery ICU.

Since arriving at the hospital in 2000, Dr. Wong has worn a number of hats that have placed him at the forefront of initiatives to increase clinical standardization and decrease medical error rates. He has been widely credited with elevating the standard of practice of medicine in the hospital as a result of these initiatives. However, it was his recent work in leading the hospital's development of policies and procedures for medical assistance in dying (MAID) that was the impetus for his nomination by his chief of staff, Dr. Dante Morra.

In coordinating the hospital's response to this new medical service, Dr. Wong has stood out as a skilled communicator who respectfully navigated the diverse perspectives of health-care professionals, patients and families to develop protocols that ensured patients have access to MAID and are supported by the hospital and the community.

The remaining 2018 awards will be presented at the May and September meetings of the CPSO Council.

The College of Physicians and Surgeons of Ontario is the licensing and regulatory body governing the practice of medicine in Ontario. The College is responsible for setting and maintaining standards, licensing physicians, investigating complaints about physicians on behalf of the public, and disciplining doctors found to have committed act(s) of professional misconduct.

For more information please visit the [CPSO website](#).

Pothole problem can be solved, Carleton professor says

Toronto Star

A transportation engineer has a simple, proactive solution to potholes — pave better roads. Carleton University professor Abd El Halim says he invented a machine three decades ago which would prevent the potholes that plague Toronto roads, particularly in the winter and early spring. But despite what he says are test results showing its effectiveness, his invention hasn't caught on. [READ MORE](#)

The road less travelled

The Varsity

Sayed Madeh Piryonesi, a PhD candidate in the Department of Civil Engineering at University of Toronto, was recently announced as the winner of the 2016–2017 Aramis Lopez Challenge. The Transportation and Development Institute awarded Piryonesi, who wrote the paper under the supervision Professor Tamer El-Diraby, for their project titled "Using Data Analytics for Cost-Effective Prediction of Road Conditions." INDUSTRY HEADLINES

Ontario improving roads, bridges and water systems

Government of Ontario

Ontario is helping connect communities, create jobs and boost economic growth by increasing support for small and rural communities to improve roads, bridges, wastewater systems and other local infrastructure. Michael Gravelle, MPP for Thunder Bay-Superior North, on behalf of Jeff Leal, Minister of Agriculture, Food and Rural Affairs, and Bob Chiarelli, Minister of Infrastructure, was recently in Dorion Township to announce investments for upgrades to the Ouimet Canyon Road Bridge over Coldwater Creek. The existing load-restricted bridge will be replaced by a modern structure, which will enable access to the area's natural attractions for heavy emergency response vehicles, maintenance vehicles, school buses and visitors. Improved access will help increase road safety and create a better quality of life and more economic opportunities for local families and businesses. [READ MORE](#)

Rehabilitation of highway could end constant flooding on Hwy 537 near Wanup

CBC News

Several times a year, Highway 537 between Wahnapiatae and Wanup has to be closed to traffic because Jumbo Creek has flooded the roadway. Residents who live in the area were recently sent notices from the Ministry of Transportation (MTO), about an information meeting planned for March 22. The open house is meant to provide details about upcoming rehabilitation work proposed for the highway. [READ MORE](#)

Ontario widening Highway 401 in Mississauga and Milton

Government of Ontario

Ontario is widening 18km of Highway 401 in Mississauga and Milton, to improve traffic flow and keep people and goods moving. Kathryn McGarry, Minister of Transportation and Indira Naidoo-Harris, MPP for Halton, were recently in Mississauga to announce that the province has issued a request for proposals to design and build the highway. Preparing For Connected And Automated Vehicles In Canada

A webinar with
Ken Moshi Senior Analyst,
Transport Canada

March 20th @ 1:30pm

[Preparing for Connected and Automated Vehicles in Canada](#)

*Ken Moshi – Senior Analyst, Transport Canada
March 20th @ 1:30pm*

Connectivity and automation are creating new possibilities for innovation to enhance the capacity and competitiveness of Canada's transportation system. Enabled by powerful information technologies, smart infrastructure, and new sources of data, connected and automated vehicles will have far reaching impacts on trade, transportation, and the economy as a whole over the coming decades.

Transport Canada, road authorities, industry, academia and other stakeholders are undertaking numerous activities to help prepare Canada for the wider use of connected and automated vehicles on our roads.

The presentation will provide an overview of connected and automated vehicle concepts, challenges and barriers to deployment, and domestic efforts being made to address those challenges. The presentation will also highlight Transport Canada's new Program to Advance Connectivity and Automation in the Transportation System (ACATS).

Subject: Province consulting on Draft Agricultural Impact Assessment Guidance Document

The Ministry of Agriculture, Food and Rural Affairs is seeking comments on a draft [Agricultural Impact Assessment Guidance Document](#). The Guidance Document is focused on helping to satisfy Agricultural Impact Assessment policies found in the Growth Plan for the Greater Golden Horseshoe 2017, the Greenbelt Plan 2017, the Niagara Escarpment Plan 2017 and the Oak Ridges Moraine Conservation Plan 2017. It may also be a useful best practice guide elsewhere in the province.

The draft Guidance Document is designed to help municipal planning practitioners, agricultural and environmental assessment professionals, aggregate producers, development and infrastructure proponents, and other decision-makers satisfy new policies in the updated provincial land use plans related to Agricultural Impact Assessments. The document also provides information on how to mitigate impacts from development on agriculture. The Guidance Document will help members of the public and stakeholders better understand the type of work that may be carried out for certain types of development that require an Agricultural Impact Assessment.

Information in the Guidance Document includes:

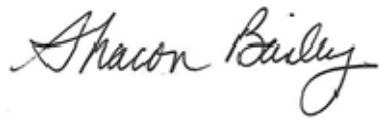

- A clear definition of an Agricultural Impact Assessment and related provincial requirements
- Technical guidelines and relevant information to include in an Agricultural Impact Assessment to ensure consistency (or an equivalent analysis as part of an environmental assessment)
- A list of mitigation measures and resources that may be considered to avoid, minimize and mitigate impacts on agriculture, including information on rehabilitating land back to agriculture.

Ontario Ministry of Agriculture, Food and Rural Affairs has posted the draft Agricultural Impact Assessment Guidance Document for public comment on the [Environmental Registry](#).

Comments on the draft Guidance Document are welcome between **March 15 and July 13, 2018**. You can submit comments by:

- Visiting the [Environmental Registry](#) posting and clicking the 'comment' button
- Email: aia@ontario.ca
- Fax: 519-826-3492
- Mail: Agricultural Impact Assessments
