

**Notice of Intention to Amend User Fee By-law 380-2003
Correction to Proposed Annual Rate for Outdoor Parking Lots**

Pursuant to By-law 160-2004, as amended, take notice that Committee of Council, at its February 6, 2013 meeting at 9:30 a.m. at the address below, will consider an amendment to the User Fee By-law 380-2003, as amended, to correct a clerical error relating to the proposed annual rate for outdoor surface lots.

At its meeting of December 20, 2012, City Council approved a staff recommendation to increase parking rates at the City's downtown facilities, effective May 1, 2013. A typographical error was made in the staff recommendation relating to the proposed annual rate for outdoor surface lots. The correct rate should be \$154 per year and not \$110 as listed in the staff recommendation. Amendments are required to Schedule XXVII of the Traffic By-law 93-93 and to Schedule H of the User Fee By-law 380-2003.

Anyone wishing to speak to this correction or make a written submission should contact the City Clerk's Office no later than 4:30 p.m. on February 5, 2013. In the event that Committee chooses to defer consideration of this matter, no further public notice will be given.
