

**Notice of Intention to Amend Sign By-law 399-2002
170 Steelwell Road, Ward 3
10 Coachworks Crescent, Ward 9**

Pursuant to Procedure By-Law 160-2004, as amended, take notice that the Corporation of the City of Brampton intends to consider site-specific amendments to the Sign By-law 399-2002, as amended.

On Monday, November 16, 2015 at 1:00 pm in the Council Chambers, City Hall, the Planning & Infrastructure Services Committee will consider the following site-specific amendments:

1) Porcelanosa East Canada, 170 Steelwell Road, Unit 102

An application has been submitted to permit the installation of a channel letter wall sign on the rear elevation of the building, facing Highway 410. The City Sign By-law requires that signs on each elevation of a multi-tenant building be a uniform style. The abutting unit has an existing box sign on the rear of the building.

2) Mercedes-Benz Brampton, 10 Coachworks Crescent

An application has been received to permit the installation of a rooftop sign which is a global design for all Mercedes-Benz retail facilities. The City Sign By-law does not permit rooftop signage.

Anyone interested in speaking to these items at the Committee meeting or making a written submission, should contact the City Clerk's Office, no later than 4:30 pm, November 6, 2015.

Information is available for review at the City Clerk's Office, at the address below, during regular business hours. In the event that Committee chooses to refer or defer consideration of these items, no further public notice will be given.

October 30, 2015

P. Fay, City Clerk
