These applications were originally scheduled to proceed to the February 12, 2018 Statutory Public Meeting, however the applicant had requested that they be held in abeyance and that meeting was cancelled. The applicant has now submitted a revised proposal to develop the lands for 359 dwelling units comprising single-detached and townhouse dwelling types, a park, natural heritage system lands (a wetland) and stormwater management purposes. The applicant's Official Plan Amendment proposes to amend the Snelgrove-Heart Lake Secondary Plan to permit a mix of low rise housing types that incorporate upscale executive residential design attributes at a maximum density of 37 units per net residential hectare (15 units per net residential acre). A detailed description of the revised application will be contained in the approved Information Report that forms part of the June 3, 2019 Statutory Public Meeting.

If you have received this notice as an owner of a property and the property contains <u>7 or more residential units</u>, the City requests that you post this notice in a location that is visible to all the residents, such as on a notice board in the lobby.
