### Purpose and Effect

The purpose of this public meeting is to present a draft Official Plan Amendment that proposes to facilitate the implementation of the sustainability objectives of the Official Plan and the Brampton 2040 Vision.

Specifically, this City-Initiated Official Plan Amendment proposes to:

- To add definitions to the Official Plan for Sustainable Community Development Guidelines, Sustainability Score, Sustainability Summary, and Sustainability Assessment Tool, and Bronze, Silver and Gold Thresholds;
- To clearly state that a minimum Sustainability Score within the Bronze Threshold must be achieved for new development applications;
- To identify that the Sustainability Score and Sustainability Summary is a mandatory submission requirement in order to deem a development application complete;
- To provide additional detail on the Sustainability Community Design Guidelines, Sustainability Score and Sustainability Summary, in the Urban Design section of the Official Plan; and
- To outline elements that should be considered as part of the Sustainability Score.
