The item on the agenda that may be of interest to you is:

An application made by **Gagnon & Law Urban Planners Limited - West End Developments Incorporated (File: C04W16.006 and 21T-12015B) WARD 6** to Amend the Zoning By-Law and Proposed Draft Plan of Subdivision

Following is a brief description of the item on the agenda:

LOCATION:

The subject property is located on the west side of Creditview Road, approximately 480 metres (1,574 feet) north of the intersection of Creditview Road and Wanless Drive. The property is municipally addressed as 11438 Creditview Road and it is legally described as Part of Lot 14, Concession 4. W.H.S.

PROPOSAL:

The applicant's draft plan of subdivision (see Map 1) proposes seventeen (17) street townhouses with minimum lot widths of 5.5 metres (18 feet).

The blocks on the proposed plan of subdivision containing the street townhouses are labeled as “Residential Reserve Blocks 1, 2 and 3” because the development can only proceed in combination with the adjacent lands, which are also subject to a plan of subdivision and rezoning application (City Files: 21T-10015B and C04W16.002). The applicant’s draft plan of subdivision also provides a road widening (Block 4) along the Creditview Road frontage.

SIZE:

The proposed draft plan of subdivision has an area of approximately 0.4 hectares (1 acre).

CURRENT LAND USE STATUS:

- OFFICIAL PLAN: The Official Plan designates the subject property “Residential”. An amendment to the Official Plan is not required since townhouses are a permitted land use under this designation.
- SECONDARY PLAN: The Mount Pleasant Secondary Plan designates the subject property “Mixed Use Area 3” with an underlying “Medium Density Residential” designation. The proposed townhouses are permitted by the policies associated with each of these Secondary Plan designations. Therefore, an amendment to the Secondary Plan is not required.
- ZONING: The subject property is zoned “Agricultural (A)” in the Zoning By-law 270-2004, as amended. The applicant is proposing to zone the subject lands “R3E-5.5-Section 2239”.

GROWTH MANAGEMENT:

The development of this project may be impacted by the City’s Growth Management Program, which will require the timing and staging of development be delayed and/or co-ordinated with the provision of essential community services and infrastructure.
