### Purpose and Effect

The City of Brampton is initiating an amendment to the Zoning By-law that will add university and ancillary uses to the list of permitted uses within each zone in a portion of the historic downtown area.

### Background:

On April 18, 2018, the Ministry of Advanced Education and Skills Development announced Ryerson University in partnership with Sheridan College as the successful joint applicants in establishing a university in the City of Brampton. In order to allow a university use to develop, the City proposes an amendment to the Zoning By-law that will add university and ancillary uses to the list of permitted uses within each zone in a portion of the historic downtown area as shown on the map below.

- The person or public body may not be added as a party to the hearing of an appeal before the Local Planning Appeal Tribunal unless, in the opinion of the Tribunal, there are reasonable grounds to do so.
