Community Safety

Presentation to
Brampton Community Safety Advisory Committee
June 26, 2019
BCSAC Background

- Council resolution 2017, leading to creation of the committee in late 2017
- Community Safety mandate added to BEMO late 2017, contract hiring of Razmin Said as Community Safety Advisor supporting the program
- Provincial legislation 2018, Community Safety and Well Being plans become mandatory, 2 year period ending April 2020
- New provincial government modifies legislation, now a regional responsibility with municipal support
- New Council, January 2019 resolution to restart BCSAC
- Conversion of Community Safety Advisor to permanent position April 2019
BCSAC Mandate

Resource, information gathering and advisory body to Brampton Council on matters pertaining to community safety and crime prevention in the City of Brampton.

• Key words in mandate:
  – Encouraging and promoting activities and education
  – Promoting awareness
  – Liaison with other levels of government and safety partners
  – Promoting resident engagement
Primary citizen concerns

Perception of unsafe conditions because of crime as reported in media

Growing concern regarding opioids and other types of addictions including alcohol

Increase in domestic incidents becoming alarming and partially linked to current economic stress

Based on discussions held at town hall meetings 2018-2019
Source of problems

upstream
Poverty, homelessness, food insecurity, unemployment, access to education
Mental health issues

midstream
Youth and gangs
Family conflicts and stress
Healthy lifestyles

downstream
Crime
Addiction
Family Violence
Example of Community Safety Action

- Peel Hunger Relief Network
  - Project with United Way
  - Pilot in Mississauga, General Mills; grants to foodbanks
  - In development for Brampton, support via Economic Development
  - Stage 1, identify food company to sponsor the program
  - Stage 2, with United Way system to receive requests for funding, joint decision with United Way, sponsoring company, Region of Peel and COB Community Safety staff
**Suggested working groups**

**downstream**
1. **Support hubs**: providing information to the public for them to know where to go for help in reference to community safety issues

2. **Neighbourhood engagement**: promoting citizen engagement in developing solutions to community safety issues in their neighbourhood

**midstream**
3. **Youth at risk**: initiating or reinforcing programs that target youth at risk and provide them with support to turn their lives around while it is still possible

4. **Healthy family relationships**: providing support to agencies that work with families in promoting healthy relationships and mutual respect

**upstream**
5. **Behavioral risk evaluation**: to analyze what drives people to crime and provide support social change to reduce risk

6. **Mental health promotion**: to evaluate how best to support agencies that are having an impact on mental health promotion and find opportunities to enhance healthy habits leading to general healthy lives
Working group format

• 4 or 5 BCSAC members per working group (WG), every member to participate in at least one WG
• Chair selected for each WG, to report to BCSAC committee on progress and findings
• Administrative and research support to WG provided by Community Safety Section staff
• Email from staff to request member’s first, second and third choices as well as whether they wish to participate on more than one WG
