C080-2019 Moved by Regional Councillor Santos

Whereas policies related to the licensing and enforcement of firearms and gun control are within the jurisdiction of the federal and provincial governments, and police services;

Whereas although not in the city's jurisdiction to legislate or enforce firearms, the safety of our residents is a priority and therefore the City of

Minutes City Council

Brampton does not condone gun violence and will act based on research and evidence within our jurisdiction and in partnership with all other levels of government, to address root causes of gun violence in the City in order to have a substantive impact and improve the safety of our community;

Whereas the Peel Regional Police and the Region of Peel are our immediate partners in addressing gun violence in Brampton and are currently collecting data and completing a Community Safety and Well Being plan that all municipalities are required to have in place by 2021, which will in part identify risk factors and strategies to prevent violence;

Whereas Peel Regional Police have been conducting extensive work to effectively seize illegal firearms in continuing operations such as “Project Baron”, which most recently as of March 26, 2019 resulted in the largest seizure of illegal firearms in the history of Brampton and Peel Region;

Whereas the federal government report titled: Strategies for Reducing Gun and Gang violence in Canada claims that “before any policies aimed at reducing gun violence are implemented, it is extremely important to conduct basic research into the nature of local gun and gang violence. One must first understand who is involved, and why they are involved in violence, before one can design and implement an effective gun violence strategy.” <https://www.publicsafety.gc.ca/cnt/rsracs/pblctns/rdcng-gn-vlnc/index-en.aspx#s28>;

Whereas the same report mentioned above suggests that “attempts to explain unacceptably high levels of gun violence in the United States, Canada, and the rest of the world, are firmly centred on the issues of gangs, drugs, and gun availability,”;

Whereas associate professor of sociology at the University of Toronto, Jooyoung Lee (PhD), who specialises in the roots of gun violence states that gun control is “one piece of a much larger, systemic series of changes that have to happen if we really want to curb or completely eliminate gun violence,” <https://www.bbc.com/news/world-us-canada-44959010>;

Whereas in a July 25, 2018 article Louis March, founder of Zero Gun Violence states that “local programmes that are working to address gun violence in communities most affected by the problem need to be amplified, and they need funding. The underlying causes that contribute to the violence - poverty, oppression, social exclusion and neglect - also need to be at the forefront of any strategy,” <https://www.aljazeera.com/news/2018/07/toronto-gun-violence-product-didn-180725143835701.html>;

Minutes City Council

Whereas Louis March further suggests that many of the youth involved in gun violence want a way out, but in many cases, there's no way out for them - because the government is not addressing this problem in a meaningful way;

Whereas the City of Brampton has a number of youth programs, organizations, and support networks and is currently reviewing the terms of reference for a Youth Council, all of which aim to provide more opportunities and support for youth to stay active, engaged, and make positive contributions in the community and for their future;

Whereas studies and evaluations of efforts to reduce gun (gang) violence in the United States, a general consensus emerged with respect to the need for collaboration, which is consistent with the conclusion reached in an evaluation of Canada's National Crime Prevention Strategy <Leonard et al, 2005> and that suppression offers a short-term solution but that it can do little to influence levels of gun/gang violence in the long-run.

Whereas the same studies suggest “efforts that have demonstrated success in reducing gang violence in such places as Boston, Chicago, Los Angeles, Philadelphia, and many other cities all relied heavily upon the successful collaboration of local, state, and federal criminal justice agencies working in tandem with social service providers, community stakeholders, and in some instances, street gang intervention specialists”;

Whereas Bill C-71 is currently at Senate Committee, and focuses primarily on enhancing background checks, licence verification, record-keeping, transportation and gun classification and while the legislation is one piece of the puzzle, it does not get address root causes of gun violence;

Whereas on March 12th, the Federal Government announced over \$11M / 2 years to support Ontario's Guns, Gangs and Violence Reduction Strategy (GGVRS) that focuses on prevention, intervention, enforcement and prosecution; and deliver prevention and intervention initiatives for women, youth and young adults and on March 26th the Provincial Government announced “Preventative programs are critical to providing meaningful alternatives to participating in criminal activity for communities and youth at high-risk of involvement in gangs and gun violence and victimization.”

Whereas 2019 is a federal election year and all parties, or any current or future government should be addressing the issue in the long-term;

**Minutes
City Council**

Whereas studies and evidence to include those referenced above, conclude that a comprehensive, collaborative, and evidence based approach is required to meaningfully address gun violence at the local level;

Therefore be it resolved that:

1.
 - a. the delegation from Interim Chief McCord, Peel Regional Police Service, to the City Council meeting of March 27, 2019, be received;
 - b. the staff report item 8.1 re: Capacity of the City of Brampton to Support Peel Regional Police's Gun Amnesty Program, be received;
 - c. the unfinished business item 11.2 re: Motion – Gun Violence in Brampton and Peel, be received and no further action be taken on that motion, and;
2. The City work collaboratively with the Region of Peel and Peel Regional Police to understand and invest in any gaps in research and data that identify the root causes of gun and gang violence in Brampton, and;

6.4. Delegation from Bruce McIntosh, Past President, Ontario Autism Coalition, re: **Item 16.3 – Services for Autism Spectrum Disorder.**

Council agreed to vary the order of business and dealt with this delegation after announcements.

Item 16.3 was brought forward and dealt with at this time.

**Minutes
City Council**

Bruce McIntosh, Past President, Ontario Autism Coalition, provided information on Autism Spectrum Disorder (ASD), outlined changes to provincial services and funding for ASD, and expressed concern about the impact of these changes on children with ASD, parents, families, school boards and municipalities.

Mr. McIntosh urged Council to request that the Ontario Government not proceed with the proposed changes and instead ensure services and funding are based on the specific needs of each child with ASD, and responded to questions of clarification.

The following motion was considered.

C083-2019 Moved by Regional Councillor Palleschi
Seconded by Regional Councillor Dhillon

That the delegation from Bruce McIntosh, Past President, Ontario Autism Coalition, to the Council Meeting of March 27, 2019, re: **Services for Autism Spectrum Disorder**, be received.

Carried

A motion, moved by Regional Councillor Palleschi and seconded by Regional Councillor Dhillon, was introduced, with the operative clauses as follows:

That the Council of The Corporation of the City of Brampton formally requests the Minister of Children, Community and Social Services suspend implementation of its proposed plan and continue to identify and advocate for a sustainable funding plan for families with individuals with ASD to ensure adequate resources for Applied Behavioural Analysis and needed therapies and further;

That the Minister of Children, Community and Social Services work collaboratively with families, community partners and stakeholders to develop a funding plan which will guarantee every person with ASD has access to funding, specialized programming and service providers and further;

That children currently enrolled in Autism programming continue to receive services and further;

That the Clinical Expert Committee be reassembled to provide advice and feedback and further;

That a copy of this resolution be forwarded to Premier Ford, Minister Fedeli, local Members of Provincial Parliament, and the Association of Municipalities of Ontario.

**Minutes
City Council**

Council consideration of this matter included a proposed amendment to the last clause to provide that a copy of the resolution also be forwarded to the Region of Peel and local school boards. The amendment was accepted by the mover.

The motion, as amended, was considered as follows.

C084-2019 Moved by Regional Councillor Palleschi
Seconded by Regional Councillor Dhillon

Whereas according to the National ASD Surveillance System (NASS), Autism Spectrum Disorder (ASD) is one of the most common developmental disabilities, in Canada, 1 in 66 children is diagnosed with ASD;

Whereas according to the Canadian Medical Association Journal, approximately 1% of the Canadian population is affected by ASD, which means there are approximately 100,000 Ontarians on the autism spectrum;

Whereas ASD changes over time – in its expression, challenges and delights; Ontario must be prepared to support children, youth and adults within the context of development, learning, family and community. Supportive, understanding and inclusive communities ensure that each person with ASD is provided the means to achieve quality of life as a respected member of society;

Whereas Ontario must support the individual needs of a person with ASD throughout their lifespan using evidence-based treatment and intervention, while remembering that developmental trajectories are constantly changing;

Whereas the supports and services for adults on the spectrum are inadequate and fragmented, and fail to address needs across entire lifespans;

Whereas school boards are expecting an influx of about 1,000 students with autism as families lose funding; leaving educators unequipped with the resources required to provide specialized care and a higher level of assistance for children with special needs;

Whereas funding will not address the critical need for assistance for families not only in their younger years, but after the age of 18;

Whereas the changes which will come into effect April 1 will mean the thousands of families currently receiving services could see drastic cutbacks;

**Minutes
City Council**

Therefore, be it resolved:

That the Council of The Corporation of the City of Brampton formally requests the Minister of Children, Community and Social Services suspend implementation of its proposed plan and continue to identify and advocate for a sustainable funding plan for families with individuals with ASD to ensure adequate resources for Applied Behavioural Analysis and needed therapies and further;

That the Minister of Children, Community and Social Services work collaboratively with families, community partners and stakeholders to develop a funding plan which will guarantee every person with ASD has access to funding, specialized programming and service providers and further;

That children currently enrolled in Autism programming continue to receive services and further;

That the Clinical Expert Committee be reassembled to provide advice and feedback and further;

That a copy of this resolution be forwarded to Premier Ford, Minister Fedeli, local Members of Provincial Parliament, Region of Peel Council, Chairs of the respective school boards in Peel Region and the Association of Municipalities of Ontario.

A revised staff report was provided at the meeting to address a withdrawal from one of the grant recipients.

At this time, Council considered the request for a grant from the Brampton Tamil Seniors Association (Item 6.2). Regional Councillor Fortini explained that due to a misunderstanding, the Association's grant application was not properly submitted.

In response to questions from Council, staff confirmed that this grant request could be supported, and that all applications have been verified to confirm connection to the Brampton community.

An amendment, moved by Regional Councillor Fortini and seconded by Regional Councillor Vicente, was introduced to add the following clause to the staff recommendations, to provide for a one-time exception to allow a grant to the Brampton Tamil Seniors Association:

9. That \$9,000.00 be drawn from Reserve Fund #16 – Community Grants Surplus Reserve to fund the 'Increase Connectivity thru Recreational Activities' proposal presented by Brampton Tamil Seniors Association via delegation to the March 27, 2019 Council Meeting, in addition to the base operating budget of \$967,000.

CW133-2019

Whereas on May 27, 2016, Victoria Park Arena suffered a major fire, resulting in significant smoke and fire damage throughout the entire structure and the subsequent closure of the facility; and

Whereas prior to the arena fire, the City identified the need for state of good repairs in the facility to address deferred capital investments, accessibility issues, and functional obsolescence, and meet existing and future recreational needs for the community; and

Whereas the facility has remained closed for close to three (3) years, and while the City has received an insurance settlement in lieu of restoring the facility, preliminary estimates to restore the arena to a pre-fire state were over \$3 Million; and

Whereas in 2017, Council authorized staff to facilitate the development of a detailed strategy for the Bramalea family of recreation centres, inclusive of Victoria Park Arena;

Therefore Be It Resolved

That the Commissioner, Community Services, be requested to report back to Council by June 1, 2019 with potential options for the Victoria Park Arena property, including but not limited to:

- a. existing structure renovations; and
- b. structure demolition and a new facility build addressing recreational priorities, as guided by the Council-approved Parks and Recreation Master Plan.

Whereas the City of Brampton is a leader in nurturing youth empowerment and encouraging our young people to fill leadership roles; and

Therefore be it resolved that:

- a) The City of Brampton explore options to institute a co-op or internship program through all applicable departments;

16.5. Discussion Item at the request of Mayor Brown, re: **Release of Convicted Pedophile into the City of Brampton.**

Consideration of this matter took place during the delegation from Interim Police Chief Chris McCord, Peel Regional Police (PRP) (Item 6.1).

Chief McCord responded to questions from Council and provided information on PRP's efforts to address this matter with Corrections Canada.

A motion, moved by Mayor Brown and seconded by Regional Councillor Dhillon, was introduced, with the operative clauses as follows:

Therefore Be It Resolved That:

The City of Brampton file a formal complaint with Correctional Service Canada to demand Madilyn Harks be reincarcerated or relocated from the City of Brampton to another community;

**Minutes
City Council**

That a copy of this resolution be forwarded to:

- a) Interim Chief McCord, Peel Regional Police
- b) Ralph Goodale, Minister of Public Safety
- c) Brampton Members of Parliament

Council Members expressed safety concerns as a result of the release of this individual into the Brampton community, without any familial connections, with four hours per day of unsupervised time, and in a location with a large population of children.

The motion was considered as follows.

C094-2019 Moved by Mayor Brown
Seconded by Regional Councillor Dhillon

Whereas recent media reports indicate that Madilyn Harks (formerly Matthew Harks), a convicted pedophile with an elevated risk to re-offend, now resides in the City of Brampton, having been released back into the community through a halfway house in downtown Brampton and represents a real and present danger to our City's safety;

Whereas Madilyn Harks is a three-time convicted pedophile for sexual assaults against young girls under the age of eight;

Whereas Brampton residents are extremely upset and concerned regarding the federal government's decision to release this pedophile into our community;

Whereas the City has been advised that Harks is being monitored by Peel Regional Police and Correctional Service Canada, and is subject to a Long Term Supervision Order with numerous conditions, including not to attend public swimming areas, daycares, school grounds, playgrounds or community centres, and is prohibited from being in the presence of children under the age of 14, unless accompanied by a responsible adult who has been approved by her parole supervisor;

Whereas the immediate downtown neighbourhood including Gage Park, the Rose Theatre, Ken Whillans Square, Peel Art Gallery, Museum and Archives, Brampton Library (Four Corners Branch), Rosalea Park, the YMCA, Central Public School, and McHugh Public School have a high number of children at these locations within easy access to Harks;

Whereas Peel Regional Police issued a community safety advisory on Friday, March 22, about Madilyn Harks, alerting residents that she now resides in the Brampton area, and is at an elevated risk to re-offend;

**Minutes
City Council**

Whereas Madilyn Harks is a high risk offender from western Canada with no ties to our City, and has no business being dumped into the City of Brampton despite conditions and prohibitions;

Whereas the people of Brampton deserve an explanation for the actions of the Parole Board of Canada and federal Ministry of Public Safety in releasing Harks into our City;

Whereas Brampton is one of the youngest communities in Canada with a lower than average population age comprised of young families, and should not be susceptible to heinous pedophiles like Harks;

Whereas Harks has demonstrated a history of breaching terms and conditions of release, and should be in jail and not a halfway house posing a threat to our community;

Therefore Be It Resolved That:

The City of Brampton file a formal complaint with Correctional Service Canada to demand Madilyn Harks be reincarcerated or relocated from the City of Brampton to another community;

That a copy of this resolution be forwarded to:

- d) Interim Chief McCord, Peel Regional Police
- e) Ralph Goodale, Minister of Public Safety
- f) Brampton Members of Parliament
