Whereas according to Brampton’s 2040 vision the City of Brampton is striving to be a hub for innovation and technology;
Whereas Brampton has aspirations and ambitions to be a smart city as seen through 2018’s federal Smart Cities Challenge;

Whereas Brampton’s economic development master plan highlights innovation and technology as a key component;

Whereas the Brampton’s Smart City Team is in the process of developing a Smart City Program strategy;

Whereas connectivity is a core requirement for a Smart City;

Whereas 5G is an up and coming technology that can have major technological and economic benefits to Brampton;

Whereas most cities are not 5G enabled and Brampton can potentially be positioned as a leader;

Whereas a city that is 5G enabled can leverage this as a business attraction tool to start-ups and mature businesses alike;

Whereas finding new and innovative ways of engaging the private sector and all other stakeholders, where investments, risks and benefits are shared, would be the future model for implementing and utilizing technology;

**Therefore Be It Resolved that:**

1. Staff be directed to explore collaboration and partnership opportunities to implement 5G technology throughout the City and report back to a future Council meeting.  

Carried

2. A copy of this Resolution be forwarded to the Premier of Quebec, Montreal City Council and Brampton Members of Parliament (MPs) and Members of Provincial Parliament (MPPs).

Whereas, the Government of Quebec has once again proposed legislation (Bill 21) that would prohibit public employees from wearing visible religious symbols in the workplace;

Whereas Bill 21 could ban such items as turbans, kippahs, hijabs and visible crucifixes;

Whereas, given the City of Brampton’s diversity and spirit of religious and cultural inclusion and equity, it is important for City Council to assure residents and visitors to Brampton that our City will always welcome people of all faiths, and protect their freedom of religion and expression;

Whereas Brampton City Council joins our colleagues on Montreal City Council who unanimously approved this week a declaration against the Quebec Government’s secularism bill, with such declaration stating that Quebec is already a secular society, and there is no need to legislate what employees wear;

Whereas other cities, such as the City of Toronto, have passed Resolutions opposed to Bill 21 and in favour of freedom of religion and expression;

Therefore be it resolved that:

1. Brampton City Council reaffirm its continuing support for freedom of religion and expression, and opposition to any legislative action restricting or prohibiting such freedoms, in keeping with the City’s commitment to diversity, equity and inclusion; and

2. A copy of this Resolution be forwarded to the Premier of Quebec, Montreal City Council and Brampton Members of Parliament (MPs) and Members of Provincial Parliament (MPPs).

(b) Recognize that these crimes against the Tamil Nation in Sri Lanka constitute a genocide; and

(d) Send a copy of this Resolution to the Federation of Canadian Municipalities (FCM), the Association of Municipalities of Ontario (AMO), and Brampton Members of Parliament (MPs) and Members of Provincial Parliament (MPPs).

Mayor Brown acknowledged assistance provided by a Brampton resident with drafting of the motion, and outlined that the intent of the motion is to show that the City stands “shoulder-to-shoulder” with the Tamil community.

The motion was considered as follows.

C138-2019 Moved by Mayor Brown
Seconded by Regional Councillor Fortini

WHEREAS, The Tamil people, living in their traditional homeland in North-East Sri Lanka, were subjected to severe persecution and injustice by the rulers of the Government of Sri Lanka after the independence Granted by British in 1948, including widespread massacres, usurpation of land and property, and acts of wanton destruction; and

WHEREAS, the horrible experience of the Tamils at the hands of their oppressors culminated in 2009 what is known as the “Genocide of the Twenty first Century;” and
WHEREAS, The Tamil Genocide began with the arrest, exile, and murder of thousands of Tamil intellectuals, and political, religious leaders; and

WHEREAS, the regime in control of Sri Lanka planned and executed the unspeakable atrocities committed against the Tamil people from 1958 through 2009, which included the torture, starvation, and murder of more than 100,000 Tamils; and

WHEREAS, newspapers in Canada commonly carried headlines such as “Toronto’s Hidden Genocide,” “Thousands protest Tamil Genocide,” and “How the world should react to Sri Lanka’s Killing Fields...”; and

WHEREAS, Unlike other peoples and governments that have admitted and denounced the abuses and crimes of predecessor regimes, and despite the overwhelming weight of evidence, adamantly denied the occurrence of the crimes against humanity and genocide, and those denials compound the grief of the remaining survivors of the atrocities, desecrate the memory of the victims, and cause continuing trauma and pain to the descendants of the victims; and

WHEREAS, the passage of time and the fact that few survivors remain who serve as reminders of indescribable brutality and torment, compel a sense of urgency in efforts to solidify recognition and reaffirmation of historical truth; and

WHEREAS, Canada has become home to one of the largest population of Tamils from Sri Lanka, and those citizens have enriched our country through leadership in the fields of academia, medicine, business, agriculture, government, and the arts and are proud and patriotic practitioners of Canadian citizenship;

Therefore Be It Resolved That the City of Brampton:

(a) Endorse the United Nations Human Rights Council’s (UNHRC) findings on Sri Lanka’s crimes against humanity and UNHRC High Commissioner’s recent call for Sri Lanka to enact legislation to criminalize war crimes, crimes against humanity, genocide; and
