

BUILDER BULLETIN #2017-04
(April 7, 2017)
IMPORTANT NOTICE TO BUILDERS
INSPECTIONS SERVICES AS OF APRIL 10, 2017

Please note the following changes to Inspections Services effective April 10, 2017:

1. The Building Division will no longer be requesting the submission of the form “Notice of Completion for Occupancy”. Going forward, simply request the occupancy inspection in the same manner you request all other inspections.
2. The Building Division will no longer be scheduling framing inspections until such time as the engineer’s certified footing subgrade inspection reports and foundation wall rebar inspection reports for compacted engineered filled lots are submitted to the Building Inspector.

For any questions, clarification or to obtain general information regarding the above please contact –
