SPORTS HALL OF FAME

The Brampton Sports Hall of Fame was founded in 1979 by a group of truly dedicated sport enthusiasts, in conjunction with the Brampton Parks and Recreation Department.

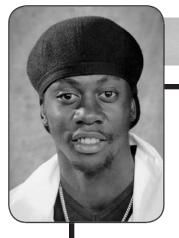

The purpose of the Sports Hall of Fame is to provide recognition for those residents of Brampton who, in their time of residency in Brampton, were distinguished as being an exceptional athlete, executive member or coach.

There are two categories of membership into the City of Brampton Sports Hall of Fame: ATHLETES and BUILDERS - all members other than athletes. Including the induction of E. Herbert Armstrong as the Hall's first charter member at the inaugural banquet held November 25th, 1981, a total of 55 ATHLETES and 26 BUILDERS have been recognized.

As the 20th Century draws to a close, let us reflect proudly on the outstanding accomplishments of our first 81 Inductees. With the 21st Century just around the corner, we look forward with great anticipation and enthusiasm to future successes and achievements.

Plan now to join us each year at our new home in the Brampton Centre for Sports and Entertainment to recognize and celebrate Brampton's

Nick Ferri, a lightweight in a heavyweight's game, was inducted into the box-lacrosse section of the Canadian Lacrosse Hall of Fame, Oct. 18, 1986. Nick, who was born in Espanola, moved to the Huttonville area in 1933.

Ferri, who boxed as a lightweight, was never too far over this lightweight, during a 10- year career which was spent mostly with the Brampton Excelsiors.

The lacrosse-playing career of Ferri started late - at 19 or 20 years of age.

Ferri, not as finessed as some of the players who had earlier starts, was a worker whose playing abilities were rewarded as a senior Excelsior most valuable player.

Ferri and his line-mate Carl Madgett, both a Canadian Lacrosse and Brampton Sports Hall of Famer, were always scoring threats with the Excelsiors.

Nick played with Toronto West Yorks and Hamilton Tigers when Brampton didn't field senior teams in 1952 and 1954.

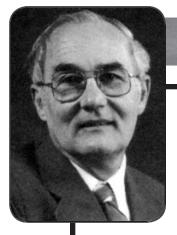

His only chance at a Mann Cup berth was foiled by the defending Canadian champion Peterborough Timbermen in an extended eight-game series which was lost by the West Yorks.

Nick coached the Brampton senior Excelsiors in 1960.

An outstanding intermediate hockey player, Ferri played for, captained and coached the Georgetown Raiders.

He also coached Brampton Junior B Seven Ups of the Metro Junior B Hockey League and Cheltenham

PETER CORNER

A thirteen year voyage of grit, determination and sacrifice took Peter Comer from Brampton, Ontario to Geneva, Switzerland, where he was rewarded for all his hard work. Peter was "lead" on a rink skipped by Russ Howard, who, along with "second" Wayne Middaugh of Brampton and "third" Glenn Howard captured the 1993 Men's World Curling Championship.

The foursome of Corner, Middaugh and Russ and Glenn Howard had curled together since 1989, and they more than lived up to their advance billing of being called the best curlers in the world.

Winning the world championship was no easy task, as this rink of destiny was required to capture both the 1993 Ontario and Canadian Championships.

1993 also saw this rink capture the T.S.N. Skins Championship and the V.O. Cup World Tour Championship.

In 1994 Peter was inducted as an Honourary Life Member of the Ontario Curling Association. 1994 also marked Peter's fourth consecutive year as the Ontario Men's champion. He was also named as "lead" to the Canadian All Star Team in 1993 and 1994 based on his play in the Canadian Championships.

Skull fractures, not once, but twice failed to end the 15-year career of Brampton Minor Hockey Association graduate Brian Morenz.

His career-threatening injuries occurred in the rookie seasons with the Oshawa Generals of the Ontario Hockey Association Junior A league in 1965 and with the New York Raiders of the World Hockey Association in 1972.

Just one week following the first skull fracture, Morenz was back skating. He did, however, miss the Canadian Memorial Cup final with teammates, Bobby Orr, Wayne Cashman and Danny O'Shea, when doctors wouldn't allow him to play in the '65 Memorial Cup, following the Generals OHA Junior A championship.

After a three-year career with the Generals, Morenz received a hockey scholarship with the University of Denver in the Western Collegiate Hockey Association.

The Denver Pioneers won the National Collegiate Athletic Association and the WCHA's titles in 1968-69, Brian's rookie season. In the next two seasons, Denver won WCHA crowns and was an NCAA finalist. Morenz captained the Pioneers in his senior year at Denver.

With the founding of the WHA in 1972, Morenz joined the New York Raiders. The Raiders became the New York Blades prior to transferring to San Diego where they became the Mariners.

After the merger of the WHA and National Hockey League, Morenz played for three more seasons, first with the San Diego Sharks and then with the San Diego Hawks of the Western Hockey League. Brian had five 20-goal seasons in the WHA, his best points production coming with the Blades when he had a 54-point season. WILBERT W. BARTLETT M.D.

Dr. W.W. Bartlett, club physician for the Excelsiors for over 40 years, from the mid '30's until his death in 1979, was an ardent supporter of lacrosse in both field and box-lacrosse eras.

He played with Brampton and University of Toronto teams from 1927-1930.

Prior to qualified trainers being involved in community sports, Dr. Bartlett attended most games, home and away, and would often be found in the dressing rooms taping ankles and wrists etc. prior to games, from early in the schedule until playoff time, including the

Canadian championships of the Excelsiors from 1942-1959.

There were always stitches to be administered to lacrosse warriors or broken bones to be set. His patients weren't always Excelsiors, as he always appreciated talent, even though it may be among the opponents of his beloved Excelsiors.

He was inducted as a Builder to the Canadian Lacrosse Hall of Fame in 1979, an honor which was bestowed posthumously.

He was a strong supporter of both minor lacrosse and hockey, the Dr. W.W. Bartlett Trophy going to Brampton's minor novice lacrosse champions as early as 1946. Those minor champions from the '40's would form the nucleus of Brampton's Canadian Minto Cup junior champions in three consecutive years, 1957, '58 and '59.

In addition to following lacrosse, Dr. Bartlett served on the executive of the Brampton Regent and Seven Up hockey clubs of the Metro Junior B and A Hockey Leagues. Doc's biggest moment in hockey was the Regents' Metro Junior B championship in 1955-'56, followed by the club's advancing to an Ontario final

JOHN WESLEY McCAULEY

(1944-1989)

John McCauley, a superb athlete, was to lacrosse what a young Wayne Gretzky was to hockey.

At 14, McCauley helped Brampton Excelsiors win their third consecutive Canadian junior lacrosse championship in 1959. McCauley, always an Excelsior, bolstered the Hasting Legionaires and Oshawa Green Gaels in Canadian junior championship marches in 1961 and 1963 respectively.

He excelled as a hockey goaltender, practiced with Brampton junior Bs while still playing peewee, served as a backup goalie to the Metro JuniorA Brampton Seven Ups and starred with Brampton's OMHA juvenile A champions in 1961 -'62.

Fullback John McCauley was the "Big Train Lionel Conacher" of the Central Peel Griffins in the '60s. In the spring, there was also track and field for the 100 and 200-yard sprinter. The stress of excelling in four sports, probably cost McCauley an NHL goaltending career.

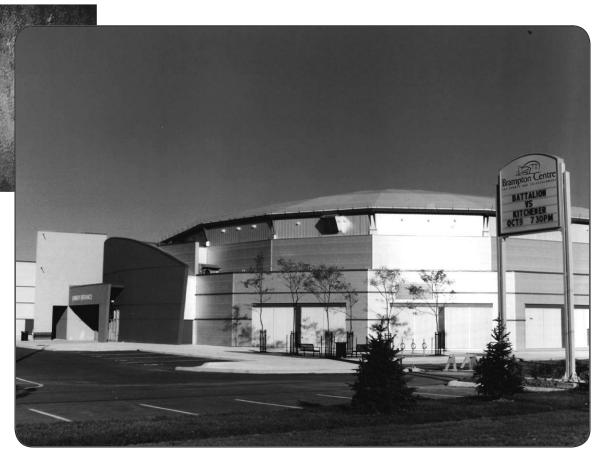

McCauley began his professional officiating career in 1967, advanced to the National Hockey League in 1970 where he refereed 442 games over 10 seasons.

He retired as a result of an eye injury and was named assistant director of officiating in May, 1981. He became director of officiating in 1986, a post he held at the time of his death in June of 1989.

For McCauley, lacrosse was always his first love. He was defensive coach of Canada's World Lacrosse champions in 1978. He coached Brampton Excelsiors to a Mann Cup Canadian senior championship in 1980. His senior Excelsiors also won Eastern Canadian titles in 1976, '77, '80 and '81. He guided Brampton
