

CAMPS

CAMP GENERAL INFORMATION

AGE REQUIREMENTS

In order to provide a safe and enjoyable program, age restrictions are applied to our camp programs.

Campers must be the minimum age required on the start date of the program.

BEFORE AND AFTER CARE

Before and after care is available for most City of Brampton camps. Extended hours are 7:30 am-9:00 am and 4:00 pm-6:00 pm. A separate registration and fee is required.

PICK AND DROP OFF GUIDELINES

Prior to first day of camp, please visit our website (www.brampton.ca/recreation) to fill out all required forms which will be due on the first day of camp.

Parents/Guardians will require to show photo identification to camp staff when picking up their participant(s).

GOOD BEHAVIOUR GUIDELINES

The City of Brampton is committed to providing a safe and harassment-free environment. Coarse language, physical, aggressive, disrespectful, or uncooperative behaviour is not acceptable. If inappropriate behaviour occurs, it will be recorded, reported and may result in removal from the program and/or facility.

PARTICIPANT CONDUCT

Please inform us of any family or behavioural concerns. Our staff will make every effort to accommodate your child's needs; however, we reserve the right to withdraw your child from the program should their behaviour cause harm to themselves, other participants, staff or property.

SUN SAFETY

Our motto...SLIP...SLAP...SLOP

Remember to slip on a shirt, slap on a hat and slop on the sunscreen. Campers should bring sunscreen (minimum SPF 30), reusable water bottle and a hat to camp every day.

LUNCH AND SNACKS

Campers are responsible to bring their own lunch, snacks and drinks. Please pack items that do not require refrigeration or heating.

- Remember to send a reusable water bottle
- PLEASE NO NUT PRODUCTS

ALLERGEN AWARE ENVIRONMENT

City of Brampton camps have adopted an allergen reduced environment. Please avoid packing foods that contain common allergens such as peanuts or nuts of any kind. Please be aware that lunch checks are not completed.

MEDICATION

For your child's well-being, make sure staff is aware of any allergies or medications. It is strongly recommended that campers take medication at home under the supervision of parents/guardians.

Campers requiring medication, (e.g. "EpiPen", asthma inhalers) during program hours must have a signed Personal Information Record with a current photo of the participant. Medication is only accepted in daily doses. Please ensure that all medication is submitted in its original container. Campers carrying an "EpiPen" or inhaler are to carry their pens or inhalers in a "fanny pack" that is accessible at all times. Staff and the department are not responsible for lost or damaged medications.

CAMP DRESS CODE

- Running shoes are strongly recommended for all camps.
- Comfortable play clothes. Please label all towels, bags and clothing.
- Sunscreen and hats are strongly recommended.
- Staff and the department are not responsible for lost or stolen items brought to camp.

RAIN OR SHINE

All camps continue to operate during inclement weather. Please dress your child accordingly.

SUMMER DATES

Camps begin July 3, 2019

Camps are not scheduled to run August 6, 2019

In addition to the specifics in the descriptions below, campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Camp hours are 9:00 am - 4:00 pm unless otherwise stated. Remember that your child(ren) have spent a long, fun-filled day at camp. Please pick them up on time. Participants not picked up on time may be subject to a late fee charge. Please see our website for details.

ANIMAL ADVENTURE TRIPPERS

This program is for campers who love animals. Participants will learn about the habitat, care and characteristics of various animals. Campers will embark on an adventure once a week to an animal-themed attraction. Trip and bus fees are included in the price of the program. Please contact your local recreation centre for more information about weekly destinations. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 6 – 13

Offered at: Earnscliffe Recreation Centre and Professor's Lake Recreation Centre

ARCHERY

This program is for participants who would like to learn or refine their bow and arrow skills. Participants will learn parts of the bow and arrow, proper shooting technique including stances, release, follow-through and anchor points.

Required Equipment: Comfortable outdoor/weather appropriate clothing including running shoes. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 8 – 13

Offered at: Professor's Lake Recreation Centre

ARTS AND CRAFTS

This hands-on camp will encourage creativity and imagination in arts and crafts through the use of paper, paint and play dough. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 4 – 6, 6 – 10, 10 – 13

Offered at: Century Gardens Recreation Centre

BAKE AND DECORATE

Come learn to bake a variety of different types of cupcakes and decorate them too! Campers will learn how to use different decorating frosting tips in order to learn to make different patterns, designs, flowers, and animals on cupcakes. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts.

Age: 6 – 13

Offered at: Century Gardens Recreation Centre

BALL HOCKEY

Participants will learn the rules, offensive and defensive positioning, passing, shooting and ball control. Technical skills will be taught through instruction as well as game play.

Required Equipment: CSA certified hockey helmet with full facemask. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 6 – 8, 8 – 10, 10 – 13

Offered at: Chris Gibson Recreation Centre and Earnscliffe Recreation Centre

BARNYARD EXPLORERS

Campers will learn about a variety of different farm animals and the steps needed to ensure their health and care. General barnyard maintenance will be taught through hands-on challenges and activities. Participants will also use the Children's Garden to study vegetable growth and upkeep.

Required Equipment: Comfortable outdoor/weather appropriate clothing including running shoes. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts.

Age: 6 – 10

Offered at: Chinguacousy Park

BASEBALL

Participants will learn the rules, positioning, throwing, catching, fielding and batting. Technical skills will be taught through instruction as well as game play.

Required Equipment: Baseball glove and helmet and comfortable outdoor/weather appropriate clothing including running shoes. Participants may bring their own baseball bats if desired.

Age: 6 – 8, 8 – 10, 10 – 13

Offered at: Chris Gibson Recreation Centre and Earnscliffe Recreation Centre

BASKETBALL

This camp is for ballers of all abilities. Participants will enhance their offensive and defensive positioning, dribbling, shooting and passing. Technical skills will be taught through instruction as well as game play. Campers may also participate in various camp activities such as cooperative games,

sports, water activities and crafts. These activities vary by location

Age: 6 – 8, 8 – 10, 10 – 13

Offered at: Brampton Soccer Centre, Cassie Campbell Community Centre, Century Gardens Recreation Centre, Gore Meadows Community Centre

BIKE ADVENTURE

Bike riders are encouraged to come out and explore the City of Brampton and some of its amazing parks on their bicycle through our beautiful trails! Youth will have the opportunity to learn bicycle mechanics, bicycle safety, riding dynamics and proper bicycle etiquette on and off road. Please contact your local recreation centre for more information about destinations.

Required Equipment: Bike in good working order with a working bell, CSA certified bike helmet, comfortable outdoor/weather appropriate clothing including running shoes. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 10 – 13

Offered at: Chinguacousy Park, Jim Archdekin Recreation Centre

BMX

Campers will develop fundamental BMX bike skills that include: balance, how to drop in, and riding the bowl. Through these basics campers will also learn to follow skate park etiquette.

Required Equipment: BMX Bike, knee pads, elbow pads and CSA certified BMX helmet and comfortable outdoor/weather appropriate clothing including running shoes. Campers may also participate in various camp activities such as cooperative games, sports and water activities. These activities vary by location.

Age: 8 – 13

Offered at: Chinguacousy Park

BORN TO STAND OUT

This program is for campers who want to work on developing a positive self-image. Campers will develop a toolbox of skills such as effective communication, bullying prevention, stress management, positive body image and decision making, to assist in managing friendships and home life. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 8 – 13

Offered at: Chinguacousy Wellness Centre

BRAMPTON LIFESAVING CLUB

Brampton Lifesaving Camp offers serious fun and energy while working to develop skills and gain experience in a variety of competitive lifesaving events. This Camp stresses fun and aquatic skill development

based on personal-best achievement.

Prerequisite: Can complete a minimum of 100m of uninterrupted front crawl.

Required Equipment: Bathing/Swimming attire and comfortable clothing including running shoes. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 8 – 16

Offered at: Balmoral Recreation Centre

BUSINESS KIDS-LEMONADE STAND

Through high-level games and workshops this program will challenge every participant as he/she uncovers their own entrepreneurial skills. Through the program campers will learn how to start, manage and close their own business. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location

Age: 8 – 13

Offered at: Century Gardens Recreation Centre

BUSINESS KIDS-MARKET DAY

Designed for those with entrepreneurial experience or returning Biz Kids Campers. Individuals will design and produce an innovative product and learn how to use marketing tools to promote their business at Market Day. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 8 – 13

Offered at: Brampton Soccer Centre, Century Gardens Recreation Centre

CANOE AND KAYAK

This program will introduce you to the basic skills of kayaking and canoeing. Learn efficient paddling, proper balance in the boat, basic boat rescue and how to stay safe on the water. This is a great introduction and confidence builder for those preparing for the open waters. All equipment will be provided.

Prerequisite: No swimming ability required, but participants must be comfortable in deep water with a lifejacket.

Required Equipment: Bathing/swimming attire and comfortable outdoor/weather appropriate clothing including running shoes. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts.

Age: 8 – 13

Offered at: Professor's Lake Recreation Centre

CANOE AND KAYAK ADVENTURE TRIPPERS

This program will introduce you to the basic skills of kayaking and canoeing. Learn efficient paddling, proper balance in the boat, basic boat rescue and how to stay safe on

the water. This is a great introduction and confidence builder for those preparing for the open waters. All equipment will be provided. Campers will go on a weekly trip where they will explore a conservation area or outdoor education centre. Please contact your local recreation centre for more information about weekly destinations.

Prerequisite: No swimming ability required, but participants must be comfortable in deep water with a lifejacket.

Required Equipment: Bathing/swimming attire and comfortable outdoor/weather appropriate clothing including running shoes. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts.

Age: 8 – 13

Offered at: Professor's Lake Recreation Centre

CHINGUACOUSY PARK

Come explore Brampton's iconic Chinguacousy Park and all its fun attractions. Hike along our trails, learn about all the plants we grow, make new friends with the barn animals, play a round of mini-golf and much more.

This program will focus on the fundamentals of cricket. Participants will learn the rules, positioning, bating, bowling and fielding. Technical skills will be taught through instruction as well as game play. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts.

Age: 6 – 8, 8 – 10, 10 – 13

Offered at: Earnscliffe Recreation Centre, Gore Meadows Community Centre, South Fletcher's Sportsplex, Cassie Campbell Community Centre

DANCE

This introductory dance program will emphasize fun and creative movement. Children will learn basic steps in a variety of dance disciplines such as ballet and jazz. Participants will learn a new routine each week that will be performed at the end of each week. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 4 – 6

Offered at: Central Public School, Gore Meadows Community Centre, Howden Recreation Centre

DANCE AND CHEER

At this camp, participants will learn a new routine each week and will perform every Friday. Campers learn introductory dance moves along with introductory cheerleading stunts and routines. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 8 – 13

Offered at: Brampton Soccer Centre, Cassie Campbell Community Centre

DRAMA ARTS - LITTLE STARS

Is your little star ready for the spotlight? This two-week program introduces acting skills, a variety of dance styles, and art techniques. Campers will work on characterization and will use their talents to create a theatrical performance using sound, lights, and costumes on stage.

Age: 6 – 9

Offered at: Central Public School

GENERAL INTERESTS

DRAMA ARTS - TRIPLE THREAT

In this two-week camp, participants of all abilities and skill levels will have the opportunity to become triple threats as they participate in a Broadway-style boot camp. Advanced singing, acting and dancing techniques will be explored. Participants will present a musical theatre performance using sound, lights, and costumes on stage.

Age: 14 – 17

Offered at: Central Public School

DRAMA ARTS- EMERGING PERFORMERS

This two-week program takes your camper's performance to the next level! Campers will have the opportunity to further enhance their acting skills, dance moves, and art techniques. Campers will be introduced to more challenging characters and will use their talents to create a theatrical performance using sound, lights, and costumes on stage.

Age: 10 – 13

Offered at: Central Public School

DRAMA PERFORMANCE BASICS

In this camp, drama, dance and art will be combined to create an exciting play with a unique script and props; made by the participants. Participants will be able to show off their hard work and talent with a showcase at the end of the week. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 6 – 13

Offered at: Greenbriar Recreation Centre, Snelgrove Community Centre

EINSTEIN

Campers will enjoy this hands-on curriculum-based program which includes math, science and technology. Participants will learn scientific basics through hands-on activities and scientific experiments that focus on observation, discovery and analysis. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 4 – 6, 6 – 8, 8 – 10, 10 – 13

Offered at: Chinguacousy Wellness Centre, Earnscliffe Recreation Centre, Gore Meadows Community Centre, South Fletcher's Sportsplex, Howden Recreation Centre

ELDORADO - BOYS

Being outdoors has never been so exciting! Campers will enjoy the great outdoors through activities such as hiking, crafts, water play and themed activities. Campers will be encouraged and motivated to try activities that only the outdoors can provide.

Required Equipment: Comfortable outdoor/weather appropriate clothing

including running shoes and swimming attire. Bus transportation to and from this camp is available from various stops around Brampton, a separate registration is required. Please contact your local recreation centre for more information on bus routes. Before and after care is not available for participants using our bus transportation.

Age: 6 – 13

Offered at: Eldorado Park

ELDORADO - GIRLS

Being outdoors has never been so exciting! Campers will enjoy the great outdoors through activities such as hiking, crafts, water play and themed activities. Campers will be encouraged and motivated to try activities that only the outdoors can provide.

Age: 8 – 13

Offered at: Eldorado Park

EMS

Campers who have always wanted to learn about being a First Responder will have the opportunity to interact with Firefighters, Paramedics and Police Officers. Campers will explore Emergency Services to learn about fire, rescue and emergency medical services, in a safe, controlled, educational and fun environment. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts.

Age: 6 – 10

Offered at: Chinguacousy Park

ENGINEERING HABITATS

Campers will work together to research and investigate the biology of a variety of insect and plant species, including their natural habitats and ecosystems. Campers will team up to create a functioning solitary bee habitat, ant farm and desktop greenhouse. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 8 – 13

Offered at: Earnscliffe Recreation Centre

ENGINEERING LEGO® BUILDERS 1

Participants will develop their social skills and deepen their understanding of the world around them using Duplo LEGO® bricks. Each week a new theme will help them explore and learn about their communities through discussions, building activities, role-playing, and idea sharing. Participants will be provided with the opportunity to explore the world beyond their immediate surroundings while learning new vocabulary about people, places, and things in real life. Some of the themes may include: own town, my home, community helpers, healthcare workers, shopping, and places to eat. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 4 – 6

Offered at: South Fletcher's Sportsplex

ENGINEERING LEGO® BUILDERS 2

Participants will continue to develop their social skills and deepen their understanding of the world around them using Duplo LEGO® bricks. Each week a new theme will help them explore and learn about their communities through discussions, building activities, role-playing, and idea sharing. Participants will be provided with the opportunity to explore the world beyond their immediate surroundings while learning new vocabulary about people, places, and things in real life. Some of the themes may include: public transportation, preschool, physical activities, touring town, extended families, and helping each other.

Prerequisite: Engineering LEGO® Builders 1. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 4 – 6

Offered at: South Fletcher's Sportsplex

ENGINEERING LEGO® EARLY SIMPLE MACHINES 1

Participants will be able to work as young scientists, engineers and designers working with Duplo LEGO® simple machines bricks and guided activities that promote design technology, science and mathematics. Participants will work through real world investigations and problem solving to make assumptions and predictions as they make models. Themes to be explored may include: pinwheels, spinning tops, seesaws, rafts, car launchers, and measuring cars. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 5 – 7

Offered at: Greenbriar Recreation Centre

ENGINEERING LEGO® EARLY SIMPLE MACHINES 2

Participants will continue to work as young scientists, engineers and designers working with LEGO® simple and powered machines bricks and problem-solving tasks that promote design technology, science and mathematics. Participants will use their knowledge of simple machines to work through real world investigations and use problem solving skills to make assumptions and predictions as they design and make models. **Prerequisite:** Engineering LEGO® Simple & Powered Machines 1 (8 to 12 Years) Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 5 – 7

Offered at: Greenbriar Recreation Centre

ENGINEERING LEGO® SIMPLE AND POWERED MACHINES 1

Participants will be able to work as young scientists, engineers and designers working with LEGO® simple and powered machines bricks and guided activities that promote design technology, science and mathematics. Participants will learn about work through real world activities surrounding the topics of levers, wheels and axles, pulleys, inclined planes, wedges, screws, gears, cams, pawl and ratchets, and structures. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 9 – 13

Offered at: Greenbriar Recreation Centre

ENGINEERING LEGO® SIMPLE AND POWERED MACHINES 2

Participants will continue to work as young scientists, engineers and designers working with LEGO® simple and powered machines bricks and problem-solving tasks that promote design technology, science and mathematics. Participants will use their knowledge of simple machines to work through real world investigations and use problem solving skills to make assumptions and predictions as they design and make models.

Prerequisite: Engineering LEGO® Simple & Powered Machines 1 (8-12 Years).

Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 9 – 13

Offered at: Greenbriar Recreation Centre

ENGINEERING LEGO® SIMPLE MACHINES 1

Participants will be able to work as young scientists, engineers and designers working with LEGO® simple and powered machines bricks and guided activities that promote

design technology, science and mathematics. Participants will learn about work through real world activities surrounding the topics of gears, wheels and axles, levers and pulleys. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 7 – 9

Offered at: Greenbriar Recreation Centre

ENGINEERING LEGO® SIMPLE MACHINES 2

Participants will be able to work as young scientists, engineers and designers working with LEGO® simple and powered machines bricks and guided activities that promote design technology, science and mathematics. Participants will continue to learn and work through real world problem-solving activities surrounding the topics of gears, wheels and axles, levers and pulleys.

Prerequisite: Engineering LEGO® Simple Machines Level 1 (7-9 Years). Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 7 – 9

Offered at: Greenbriar Recreation Centre

ENGINEERING LEGO® STEAM PARK 1

Participants explore the world around them as they use functional elements to build interactive models using Duplo LEGO® bricks. Each week develop science, technology, engineering, art, and math (STEAM) skills, including understanding cause and effect relationships, making predictions and observations, problem-solving and creating representations. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 4 – 6

Offered at: Greenbriar Recreation Centre

ENGINEERING LEGO® STEAM PARK 2

Participants will continue to explore the world around them as they use functional elements to build interactive models using Duplo LEGO® bricks. Each week they will continue to develop science, technology, engineering, art, and math (STEAM) skills, including understanding cause and effect relationships, making predictions and observations, problem-solving and creating representations that were introduced previously.

Prerequisite: Engineering LEGO® STEAM Park 1. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 4 – 6

Offered at: Greenbriar Recreation Centre

GENERAL INTERESTS

EXPEDITION TRIPPERS

Campers will participate in the traditional camp experience and will travel on two different trips throughout the week to the GTA's premiere attractions. Trip and bus fees are included in the price of the program. Please contact your local recreation centre for more information about both weekly destinations.

Required Equipment: Comfortable outdoor/weather appropriate clothing including running shoes. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 6 – 10, 10 – 16

Offered at: Brampton Soccer Centre

FIELD AND WATER SPORTS

Campers will learn basic rules and techniques of various field sports such as baseball, lacrosse, soccer as well as favourite water sports such as underwater hockey, water polo and water basketball.

Prerequisite: No swimming ability required, but participants must be comfortable in deep water with a lifejacket.

Required Equipment: Comfortable clothing including running shoes and bathing/swimming attire. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 6 – 13

Offered at: Earnscliffe Recreation Centre

FINE ART STUDIO

Campers will participate in creative and fun exercises over the week to develop their use of some of the basic elements of art such as tone, line, perspective, texture and shape. A

variety of materials will be explored including charcoal, pencils, mixed media, watercolour and acrylic paints. Campers will host an Art Show featuring their work at the end of each session. Fee includes cost of all materials. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 8 – 13

Offered at: Central Public School

FITZONE AND FUN

Campers will participate in fitness activities and games to develop physical literacy and fundamental movement skills. Campers will be active throughout the week indoors and outdoors and work towards the Swim to Survive Standard in the pool, which includes rolling into deep water, treading water for one minute, and swimming 50 metres. They will also work towards increasing their knowledge in healthy active living, nutrition and safety.

Prerequisite: No swimming ability required, but participants must be comfortable in deep water with a lifejacket.

Required Equipment: Comfortable clothing including running shoes and bathing/swimming attire. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 8 – 13

Offered at: Century Gardens Recreation Centre

FRENCH

This interactive and themed camp offers an educational camp experience primarily through a classroom setting. This camp is

conducted predominantly in French and is a great opportunity for children who are attending French Immersion for school. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 4 – 6, 6 – 8, 8 – 10

Offered at: Brampton Soccer Centre

FUN WITH SNACKS AND TREATS

Through this camp, participants will indulge their creative side while working with no bake recipes. Participants will make a variety of intriguing treats and snacks that use basic ingredients without the need to use an oven. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 4 – 6, 6 – 10

Offered at: Central Public School, Earnscliffe Recreation Centre

GLEE CLUB

Sing, dance and have fun! Campers will be encouraged to learn today's most popular song lyrics and create their own choreography and dances to go along with them. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 6 – 13

Offered at: Gore Meadows Community Centre, Jim Archdekin Recreation Centre

GOLF

This program will teach the fundamentals of golf and various ways to improve your swing. Focus will be on driving, chipping, pitching and putting. Participants will practice on our practice nets, putting greens and 9-Hole golf course.

Required Equipment: Full set of golf clubs and appropriate golf attire.

Age: 10 – 13

Offered at: Peel Village Golf Course

GUITAR

Participants will have fun learning basic notes, strumming and reading chord charts using their own guitar! Music books will be provided.

Required Materials: Each participant must bring their own guitar. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 8 – 13

Offered at: Century Gardens Recreation Centre

GYMNASTICS

Have fun developing body awareness, coordination, flexibility and strength using Olympic gymnastics equipment. Campers

may also participate in various camp activities such as cooperative games, sports, water activities and crafts.

Age: 4 – 6, 6 – 13

Offered at: Ken Giles Recreation Centre

GYMNASTICS CHEERLEADING

This program focuses on stretching, stunts, formations, tricks, cheers and chants. Participants will coordinate various routines that showcase their flexibility, coordination and strength. Participants will also take part in Gymnastics activities such as Trampoline, Beams, and Circuits.

Age: 4 – 6, 6 – 13

Offered at: Ken Giles Recreation Centre

HOCKEY

Participants will learn the rules and improve their basic hockey skills as well as skill development in the areas of stick handling, passing, shooting, offense and defense. Hockey will be a major focus of the camp.

Prerequisite: Participants must have a competent level of skating and have completed a minimum of one season of organized hockey.

Required Equipment: Participants must wear full hockey equipment including: CSA certified hockey helmet with a full facemask, hockey gloves, shoulder pads, elbow pads, shin pads, hockey skates and hockey jersey. Participants must bring their own stick.

Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 8 – 13

Offered at: Earnscliffe Recreation Centre

INCLUSIVE: DAY TRIPPERS

This camp program is for campers with disabilities to participate in activities and trips. This program is great for all those who thrive on new experiences. Daily thrill seekers will board the bus to embark on exciting adventures to visit some of the GTA and surrounding area's premiere attractions. Trip and bus fees are included in the price of the program. Before and after care is available; a separate registration and fee is required.

Additional Fees: Services for individuals with needs that require one-to-one supervision are available and can be arranged for an additional fee. Please note that additional support will be scheduled on a first come basis and subject to available staff. For additional information, please contact the Inclusive Programmer at 905.874.2295.

Age: 14+

Offered at: Chinguacousy Ski Chalet

INCLUSIVE: NO LIMITS

This camp program is for campers with disabilities to participate in activities including crafts, games, music, swimming and special events. These fun and inclusive activities will also promote social, fine and gross motor skills development.

Additional Fees: Services for individuals with needs that require one-to-one supervision are available and can be arranged for an additional fee. Please note that additional support will be scheduled on a first come basis and subject to available staff. For additional information, please contact the Inclusive Programmer at 905.874.2295.

Age: 6 – 13, 14 – 20, 21+

Offered at: Terry Miller Recreation Centre, Jim Archdekin Recreation Centre, Century Gardens Recreation Centre

INCLUSIVE: ON THE MOVE TRIPPERS

This camp program is for participants with disabilities who need minimal support and supervision. This program involves activities such as crafts, games and sports, water sports and a trip. Trip and bus fees are included in the price of the program. For additional information, please contact the Inclusive Programmer at 905.874.2295.

Age: 14 – 20, 21+

Offered at: Chinguacousy Ski Chalet

KIDS IN THE KITCHEN

Enjoy the excitement of the kitchen while learning how to plan, shop, prepare, cook and bake many different creations from around the world. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 6 – 10, 10 – 13

Offered at: Brampton Soccer Centre, Chinguacousy Wellness Centre, Gore Meadows Community Centre, Century Gardens Recreation Centre

LACROSSE

Campers will learn the rules and improve their basic lacrosse skills. They will also develop skills with defensive positioning, offensive positioning and stick handling. Technical skills will be taught through instruction as well as game play.

Required Equipment: Participants must wear full lacrosse equipment including: CSA approved hockey helmet with full facemask, mouth guard, shoulder pads, elbow pads and gloves. Participants must bring their own lacrosse stick. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 6 – 8, 8 – 10, 10 – 13

Offered at: Brampton Soccer Centre

LEADER IN TRAINING

Join us in this unique three week program that will focus on learning to become a camp leader and recreation instructor. Participants will have the opportunity to fine-tune their leadership skills such as communication, motivation, creativity, feedback, and flexibility by learning to run and participating in various camp activities such as cooperative games, sports, water activities and crafts. Participants will learn valuable skills associated with interviewing, resume writing, as well as dealing with bullying and conflict resolution as a leader. After the two weeks of learning, participants will be able to apply what they have learned under the guided supervision of our Camp Leaders in our camp programs.

Age: 13 – 16

Offered at: Brampton Soccer Centre, Eldorado Park, Gore Meadows Community Centre

LEADERSHIP

This program focuses on beginner leadership and teamwork skills such as self-confidence, communication, motivation, creativity, feedback, and flexibility. Participants will also participate in cooperative games, sports, water activities and crafts with the focus on developing their leadership skills. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 10 – 13

Offered at: Eldorado Park

LIFESAVING SPORT - WATERFRONT

Lifesaving Sport offers participants a recreational introduction to lifesaving sport skills. The program also teaches team building, fair play, ethics in sport and responsibility. Campers will strengthen their swimming, learn to paddleboard, and compete in lifesaving competition events, including beach flags, rescue tube race and the junior iron guard.

Prerequisite: Can complete a minimum of 50m of uninterrupted front crawl.

Required Equipment: Bathing/Swimming Attire and comfortable outdoor/weather appropriate clothing including running shoes. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts these activities vary by facility.

Age: 8 – 16

Offered at: Professor's Lake Recreation Centre

MATH

Participants will work through puzzles, strategy games, fun math problems and activities in this hands-on learning experience. Campers may also participate in

GENERAL INTERESTS

various camp activities such as cooperative games, sports, water activities and crafts.

Age: 4 – 6

Offered at: Gore Meadows Community Centre

MEDIEVAL QUEST

Campers will jump back to the medieval times and take part in Live Action Role Play to complete quests as well as try medieval activities such as archery and jousting.

Campers will also participate in daily swims and other various camp activities such as cooperative games, sports, and crafts.

Required Equipment: Comfortable outdoor/weather appropriate clothing including running shoes. These activities vary by location. Bus transportation to and from this camp is available from various stops around Brampton, a separate registration is required. Please contact your local recreation centre for more information on bus routes. Before and after care is not available for participants using our bus transportation.

Age: 6 – 13

Offered at: Eldorado Park

MUSIC MAKERS

Children will experiment with different forms of music throughout the day with musical games, songs and instruction. Campers will work towards a talent show at the end of the week. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 4 – 6

Offered at: Century Gardens Recreation Centre, Earnscliffe Recreation Centre

NATURE

Come and join fellow nature enthusiasts as we hike across Eldorado Park and Heart Lake Conservation Area. Learn about trees, plants and animal life. Along with nature activities, children will get to swim daily and try their hand at archery. Trip and bus fees are included in the price of the program. Please contact your local recreation centre for more information about weekly destinations.

Required Equipment: Comfortable outdoor/weather appropriate clothing including running shoes and swimming attire. Campers may also participate in various camp activities such as cooperative games, sports, and crafts. These activities vary by location. Bus transportation to and from this camp is available from various stops around Brampton, a separate registration is required. Please contact your local recreation centre for more information on bus routes. Before and after care is not available for participants using our bus transportation.

Age: 6 – 13

Offered at: Eldorado Park

SUMMER FUN

Campers will participate in a variety of age appropriate indoor and outdoor activities. Camp games, sports, crafts, water activities and much more will vary by location.

Age: 4 – 6, 6 – 13

Offered at: Chinguacousy Wellness Centre, Chris Gibson Recreation Centre, Gore Meadows Community Centre, Howden Recreation Centre

SUMMER FUN GIRLS

Campers will participate in a variety of age appropriate indoor and outdoor activities. Camp games, sports, crafts, water activities and much more will vary by location.

Age: 6 – 13

Offered at: Chinguacousy Wellness Centre, South Fletcher's Sportsplex

SUMMER FUN TRIPPERS

Campers will embark on a local adventure once a week and enjoy the traditional camp experience. Cooperative games, sports, water activities, crafts and much more will vary by location. Trip and bus fees are included in the price of the program. Please contact your local recreation centre for more information about weekly destinations.

Age: 4 – 5, 6 – 10,

Offered at: Earnscliffe Recreation Centre, Brampton Soccer Centre, Cassie Campbell Community Centre

SUMMER FUN TRIPPERS GIRLS

Campers will embark on a local adventure once a week and enjoy the traditional camp experience. Cooperative games, sports, water activities, crafts and much more will vary by location. Trip and bus fees are included in the price of the program. Please contact your local recreation centre for more information about weekly destinations.

Age: 6 – 13

Offered at: Cassie Campbell Community Centre

CAMP OF THE CENTURY

Get active while having fun! Campers will participate in fun-filled adventures loaded with games, sports, crafts and swims while taking advantage of Century Garden's unique splashpad and playground daily for added fun!

Age: 4 – 6, 6 – 13

Offered at: Century Gardens Recreation Centre

OUTDOOR ADVENTURE TRIPPERS

Campers will have the chance to partake in a variety of outdoor activities, which may include geocaching, fishing, archery, canoeing, kayaking, and swimming. Campers will embark on an adventure once a week to a conservation area or outdoor education centre in the GTA. Trip and bus fees are included in the price of the program. Please

contact your local recreation centre for more information about weekly destinations.

Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts.

Age: 8 – 13

Offered at: Professor's Lake Recreation Centre

PARKOUR

Does your child literally climb the walls in the summer? This exciting camp is perfect for your child. Parkour is an activity or sport of moving rapidly through an area, negotiating obstacles by running, jumping and climbing. We have plenty of obstacles, blocks and climbing areas at our facility where campers can challenge and develop their skills in a safe and supervised environment. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 4 – 6, 6 – 13

Offered at: Ken Giles Recreation Centre

PHOTOGRAPHY

This program will allow participants to explore the potential of their digital cameras. Participants will learn about controlling exposure, shutter speed, light and controlling flash, as well as making sense of the mode dial.

Required Equipment: Participants must bring their own DSLR or mirror lens interchangeable lens camera. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts.

Age: 8 – 13

Offered at: Professor's Lake Recreation Centre

PHOTOGRAPHY AND EDITING BASICS

Participants will learn the basics of photography and take pictures of landscapes, wildlife, architectural structures and candid images. Campers will then take their images and transfer them onto the computer in the Mac Lab and edit them with Photoshop software.

Required Equipment: 1 Digital camera per person is required for this program with the appropriate USB connection cable to insert into the computer. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 8 – 13

Offered at: Central Public School

PONY RIDING

Participants will work with our animal technician to learn typical barnyard responsibilities that come with caring for animals, which include how to take care of a pony by taking part in grooming and general care and health of the animals.

They will also learn how to mount and ride; they will be escorted by a lead rider on a closed track.

Prerequisite: Participants must be no taller than 48 inches in height and under 80 pounds in order to participate in this program.

Required Equipment: Comfortable outdoor/weather appropriate clothing including running shoes and bathing/swimming attire.

Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 4 – 6

Offered at: Chinguacousy Park

READ AND WRITE

Campers will build on the literacy skills they learn at school in a stress-free learning environment. It will be a stimulating environment filled with activities so that the children develop a positive attitude towards reading and writing. Participants will have the chance to visit their local library and potentially sign up for their very own library card. The goal of this camp to help participants that reading and writing can be fun and cool! Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 4 – 6, 6 – 8, 8 – 10

Offered at: Gore Meadows Community Centre, South Fletcher's Sportsplex

RESPONSIBLE FOR YOU

In this two-week camp, participants will work towards achieving their babysitting certificate as well as their Standard First Aid Certificate.

Required Equipment: Pen and notebook. Campers will also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 10 – 13

Offered at: Century Gardens Recreation Centre, Gore Meadows Community Centre

RESPONSIBLE ME

Participants will work towards their Home Alone certificate through the Canadian Safety Council as well as their Lifesaving Society Emergency First Aid award.

Required Equipment: Pen and notebook. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 10 – 13

Offered at: Century Gardens Recreation Centre, Gore Meadows Community Centre

ROBOTICS LEGO® MINDSTORMS CODING 1

Using LEGO® MINDSTORMS robotics sets, participants will work to build and program robots through direct teaching, experimentation, and exploration. Participants will learn fundamental computer programming and engineering concepts using real world concepts that is integrated with science, mathematics, and design technology. Participants will solve computational problems by programming the robots to move in a variety of ways as well as integrating the ultrasonic, touch and colour sensors in their robots to complete challenges. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 10 – 13

Offered at: Gore Meadows Community Centre, South Fletcher's Sportsplex

ROBOTICS LEGO® MINDSTORMS CODING 2

Using LEGO® MINDSTORMS robotics sets, participants will work to build and program robots through direct teaching, experimentation, and exploration. Participants will learn fundamental computer programming and engineering concepts using real world concepts that is integrated with science, mathematics, and design technology.

GENERAL INTERESTS

Participants will work off of concepts from Level 1 to solve challenges and to design and build a driverless automated wheeled robot.

Prerequisite: LEGO® Robotics MINDSTORMS 1 (10-14 Years). Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 10 – 13

Offered at: Gore Meadows Community Centre, South Fletcher's Sportsplex

ROBOTICS LEGO® MINDSTORMS ENGINEER 1

Using LEGO® Mindstorms robotics sets, participants have the opportunity to work as design engineers to build and program robots that can "Make It Move". Participants will work on learning to design, build and program robots that can think and move on their own. Some of the themes of the course include making it move with wheels, displaying speed, moving without wheels, moving up an incline, and moving in a pattern. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 10 – 13

Offered at: South Fletcher's Sportsplex

ROBOTICS LEGO® MINDSTORMS ENGINEER 2

Using LEGO® Mindstorms robotics sets, participants have the opportunity to work as design engineers to build and program robots that can "Make it Smarter". Participants will work on learning to design, build and program robots that can be considered to be smart autonomous robots that can react to their environment through programming to use colour, gyro, touch and ultrasonic sensors to sense a range of data. Campers may also participate in various camp activities such as cooperative games, sports, aquatic activities and crafts. These activities vary by location.

Prerequisite: Robotics LEGO® Mindstorms Engineer Projects 1 (10-14 Years)

Age: 10 – 13

Offered at: South Fletcher's Sportsplex

ROBOTICS LEGO® MINDSTORMS MAKER BUILDER 1

Using LEGO® Mindstorms robotics sets, participants will grow their creative problem solving skills that will enable for them to become critical thinkers and makers for the future. Participants will work through the maker design process as they learn to design, engineer, build and code using motorized models and simple programming as they work through building various models which may include gyro boy, a colour sorter, puppy robot, robotic arm, and a sound machine. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 10 – 13

Offered at: Gore Meadows Community Centre

ROBOTICS LEGO® MINDSTORMS MAKER BUILDER 2

Using LEGO® Mindstorms robotics sets, participants will grow their creative problem solving skills that will enable for them to become critical thinker and makers for the future. Participants will work through the maker design process as they learn to design, engineer, build and code using motorized models and simple programming as they work towards finding solutions to building a security gadget, a puppet, a table top game, a drawing machine, and a wearable.

Prerequisite: Robotics LEGO® Mindstorms Maker Builder 1 (10-14 Years). Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 10 – 13

Offered at: Gore Meadows Community Centre

ROBOTICS LEGO® WEDO BUILDER ANIMALS

Using LEGO® WeDo robotics sets, participants will learn how to build various animal robots and learn the programming involved in creating the mechanisms of: wobbling, cranking, walking, flexing, grabbing, reeling, tilting or pushing which each of the different models they build. Participants will have the chance to explore and use their creativity to expand their models and programming beyond those of the base models, as well as showcase their discoveries and methods with the rest of the class. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 7 – 10

Offered at: Cassie Campbell Community Centre, Gore Meadows Community Centre

ROBOTICS LEGO® WEDO BUILDER TOYS AND TOOLS

Using LEGO® WeDo robotics sets, participants will learn how to build various tools and toy-based robots and learn the programming involved in creating the mechanisms of turning, tilting, motion, sweeping, revolving, spinning, flexing, and wobbling which each of the different models they build. Participants will have the chance to explore and use their creativity to expand their models and programming beyond those of the base models, as well as showcase their discoveries and methods with the rest of the class. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 7 – 10

Offered at: Cassie Campbell Community Centre, Gore Meadows Community Centre

ROBOTICS LEGO® WEDO BUILDER VEHICLES

Using LEGO® WeDo robotics sets, participants will learn how to build various robotic cars and vehicles and learn the programming involved in creating the mechanisms of: driving, spinning, reeling, lifting, steering, and turning which each of the different models they build. Participants will have the chance to explore and use their creativity to expand their models and programming beyond those of the base models, as well as showcase their discoveries and methods with the rest of the class. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 7 – 10

Offered at: Gore Meadows Community Centre

ROBOTICS LEGO® WEDO GEARS & GADGETS

Using LEGO® WeDo robotics sets, participants will work to creatively solve real life science questions and engineering problems. Participants will connect and discuss possible solutions, and then apply their knowledge when they learn to build, program and modify their models. Each week participants will work through a new project which may include: Science rovers, pulling, speed, robust structures, sorting and recycling, and mining materials. The class will then join together to share their solutions and findings through documentation and presenting their robots each week. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 7 – 10

Offered at: Cassie Campbell Community Centre, Gore Meadows Community Centre

ROBOTICS LEGO® WEDO PLANTS & ANIMALS

Using LEGO® WeDo robotics sets, participants will work to creatively solve real life science questions and engineering problems. Participants will connect and discuss possible solutions, and then apply their knowledge when they learn to build, program and modify their models. Each week participants will work through a new project which may include: motion sensors, frog metamorphosis, plants and pollinators, predators and prey, animal expression, and wildlife crossings. The class will then join together to share their solutions and findings through documentation and presenting their robots each week. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts.

These activities vary by location.

Age: 7 – 12

Offered at: Cassie Campbell Community Centre, Gore Meadows Community Centre

ROBOTICS LEGO® WEDO WEATHER & HABITATS

Using LEGO® WeDo robotics sets, participants will work to creatively solve real life science questions and engineering problems. Participants will connect and discuss possible solutions, and then apply their knowledge when they learn to build, program and modify their models. Each week participants will work through a new project which may include: T.H. sensors, preventing flooding, dig and rescue, extreme habitats, hazard alarm, cleaning the ocean, space exploration. The class will then join together to share their solutions and findings through documentation and presenting their robots each week. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 7 – 10

Offered at: Cassie Campbell Community Centre, Gore Meadows Community Centre

ROYAL FAIRY TALE

Come be the princess or prince of your very own fairy tale! Campers will join in for daily story time with themed crafts and games, and a special tea party mid-week followed by a royal ball on the last day of camp. Campers are encouraged to come dressed as a prince or princess on the last day of camp if they desire. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts.

Age: 4 – 6

Offered at: Chris Gibson Recreation Centre

SCIENCE

Campers will participate in various science-based themes. Dinos and Fossils will focus on learning about different types of dinosaurs and the study of paleontology. Mini Medical School will focus on body systems and human diseases. To the Moon and Back will study the solar system, stars, and planets. Rockets and Airplanes will focus on how flight works and building rockets and airplanes. Building and Structures will focus on engineering and different building materials. Chemical Reactions will focus on doing experiments, learning about elements and states of matter. Tornadoes and Volcanoes will focus on earth's geological activity, natural disasters, and how weather works. Energy and Electronics will learn about different types of energy and building circuits. Plants and Animals will learn about habitats in the living world, what plants and animals need to survive, as well as different types.

Week 1: Dinos and Fossils

Week 2: Mini Medical School

Week 3: To the Moon and Back

Week 4: Rockets and Airplanes

Week 5: Building and Structures

Week 6: Chemical Reactions

Week 7: Tornadoes and Volcanoes

Week 8: Energy and Electronics

Week 9: Plants and Animals

Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 6 – 13

Offered at: Chinguacousy Park, Professor's Lake Recreation Centre

SCIENCE TRIPPERS

Campers will participate in various science-based themes every week. Plants and Animals will learn about habitats in the living world, what plants and animals need to survive, as well as different types. Engineering and Building Structures will focus on engineering and different building materials. Dinosaurs will focus on learning about different types of dinosaurs and the study of paleontology. Space will focus on learning about the solar system, stars, and planets. Mini Medical School will focus on body systems and human diseases. Rockets and Airplanes will focus on how flight works and building rockets and airplanes.

July 8-12: Plants and Animals

July 15-19: Engineering and Building Structures

July 22-26: Dinosaurs

July 29- August 2: Space

August 12-16: Mini Medical School

August 19-23: Rockets and Flight

Campers will embark on an adventure once a week to a science-themed attraction. Trip and bus fees are included in the price of the program. Please contact your local recreation centre for more information about weekly destinations. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts.

Age: 6 – 13

Offered at: Chinguacousy Park, Professor's Lake Recreation Centre

CAMP SCOOTER

Campers will develop fundamental scooter skills from stance and balance, bar spins, dropping in, ramps, bunny hop and tail whips. Through these basics campers will also learn to follow skate park etiquette.

Required Equipment: Stable scooter that is strong enough to withstand the elements and tricks that are being attempted (scooter must be non-foldable), knee pads, elbow pads & CSA certified BMX or skateboard helmet and comfortable outdoor/weather appropriate clothing including running shoes. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 10 – 13

Offered at: Chinguacousy Park

SKATEBOARD

Campers will develop fundamental skateboarding skills that include balance, pushing off, proper stance and rolling in on flat banks. Through these basics campers will also learn to follow skate park etiquette. **Required Equipment:** Skateboard, knee pads, elbow pads and CSA certified BMX or skateboard helmet and comfortable outdoor/weather appropriate clothing including running shoes. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 10 – 13

Offered at: Chinguacousy Park

SKATING

This camp is ideal for the beginner as well as the elite skater. Participants will be broken into groups based on ability and will work on improving their skating. This program is ideal for participants who want to refine their skating ability for hockey or figure skating, or would just like to learn the basics. Campers will enjoy two hours of ice time daily.

Required Equipment: All participants must wear a Canadian Standard Association (CSA) certified hockey helmet. Facemasks are strongly recommended for all participants. Sharpened hockey or figure skates. Mittens or gloves are required for all participants. Warm clothes including snow pants or slush pants are strongly recommended for all participants. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 6 – 13

Offered at: South Fletcher's Sportsplex

SOCCER

Learn the fundamentals of soccer, including rules, offensive and defensive positioning, passing, shooting and dribbling. Technical skills will be taught through instruction as well as game play.

Required Equipment: Shin pads are recommended. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 6 – 8, 8 – 10, 10 – 13

Offered at: Brampton Soccer Centre, Earnscliffe Recreation Centre, Chris Gibson Recreation Centre

SOCCER GIRLS

Learn the fundamentals of soccer, including rules, offensive and defensive positioning, passing, shooting and dribbling. Technical skills will be taught through instruction as well as game play.

Required Equipment: Shin pads are

GENERAL INTERESTS

recommended. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 8 – 13

Offered at: Brampton Soccer Centre

SPA

Come and relax at Camp Spa. Learn how to make and take home your favourite spa products like bath bombs, lip gloss and more. Throughout the week, campers will also have the chance to learn how to do their own manicures and learn some cool nail painting techniques. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts.

Age: 8 – 13

Offered at: Chris Gibson Recreation Centre

SPORTS

Learn the basic fundamentals of baseball, basketball, dodgeball, soccer and many more sports. This program is geared to enhance physical skills and team play in a non-competitive environment. Sports will vary depending on location. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 4 – 6, 6 – 8, 8 – 10, 10 – 13

Offered at: Brampton Soccer Centre, Cassie Campbell Community Centre, Earncliffe Recreation Centre, Eldorado Park, Gore Meadows Community Centre, South Fletcher's Sportsplex

SPORTS GIRLS

Learn the basic fundamentals of baseball, basketball, dodgeball, soccer and many more sports. This program is geared to enhance physical skills and team play in a non-competitive environment. Sports will vary depending on location. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 8 – 13

Offered at: Brampton Soccer Centre

STANDARD FIRST AID AND SAFEGUARD

Get ready to become a Recreation Leader and join this camp to receive your qualifications through the Lifesaving Society for Standard First Aid (SFA) with Cardiopulmonary Resuscitation (CPR-C) and Automated External Defibrillation (AED) and Safeguard. This course will work on improving their teambuilding and leadership skills through games and activities. SFA incorporates Emergency First Aid topics with a more in-depth understanding of first aid including: legal implications of first aid treatment, spinal injuries, heat or cold injuries, bone and joint injuries, chest injuries, and medical emergencies. This course also covers all aspects of CPR skills and theory for adult, child and infant victims including two rescuer CPR skills. CPR-C includes the importance of early defibrillation and how to use an AED. Certification is dependent upon a successfully passing

the examination at the end of the course. Safeguard is safety supervision training for guardians (e.g. day camp counsellors, counsellors-in-training and others), who accompany groups of young people to pools or waterfronts. The course stresses the responsibility undertaken by these group leaders for safeguarding the young people in their care even when under lifeguard supervision. Safeguard focuses on water safety awareness, accident prevention and the principles of aquatic safety supervision. Safeguard teaches participants how to identify hazards and at-risk behaviours, how to recognize potential victims, and how.

Age: 14 – 16

Offered at: Gore Meadows Community Centre

SUPER HERO

Come join the fun with us this summer and explore all of your favourite comic book heroes and villains. Superhero training, crafts, obstacle courses and games are just a few activities that will take place during the week. Campers are encouraged to come dressed as their favourite superhero on the last day of camp while they try to save the universe! Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts.

Age: 4 – 6

Offered at: Chris Gibson Recreation Centre

SURVIVAL IN THE WOODS

This camp will give participants the basic skills on what to do and how to react if ever stranded in the woods. Every day participants will learn something new such as different techniques on how to start a fire, how to build a proper shelter, how to signal for help and much more. Campers will embark on an adventure twice a week to a conservation area in the GTA to take part in activities such as fishing, canoeing, nature hikes and more. Trip and bus fees are included in the price of the program. Please contact your local recreation centre for more information about weekly destinations.

Required Equipment: Swimming attire and comfortable outdoor/weather appropriate clothing including running shoes. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts.

Age: 6 – 13

Offered at: Eldorado Park

SWIM AND SKATE

Enjoy free skating on the ice and unstructured swim time in the pool.

Prerequisite: No swimming ability required but must be comfortable wearing a lifejacket in the deep end. Participants must be able to stand and move forward on the ice on their own.

DELICIOUS LUNCHES FOR KIDS

AFFORDABLE, HASSLE-FREE MORNINGS FOR PARENTS! ASK US ABOUT OUR CAMP LUNCH PROGRAM!

Required Equipment: All participants must wear a Canadian Standard Association (CSA) certified helmet. Facemasks are strongly recommended for all participants. Sharpened hockey or figure skates. Mittens or gloves are required for all participants. Warm clothes including a jacket and snow pants/slush pants are required for all participants. Swimming/bathing attire and comfortable clothing including running shoes. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 6 – 13

Offered at: Cassie Campbell Community Centre, Earnscliffe Recreation Centre

SWIMMING

Campers will participate in a variety of age-appropriate indoor and outdoor activities. Participants will be broken into groups based on ability and will work on improving their swimming abilities during structured lessons. **Required Equipment:** Bathing/swimming attire and comfortable outdoor/weather appropriate clothing including running shoes. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 4 – 6, 6 – 10, 10 – 13

Offered at: Balmoral Recreation Centre, Jim Archdekin Recreation Centre, Gore Meadows Community Centre, South Fletcher's Sportsplex, Earnscliffe Recreation Centre

TENNIS

This camp is open to participants of all ability levels. Basic instruction will focus on forehand, backhand, serving and volleying. All equipment will be provided, but campers are encouraged to bring their own racquet if they have one.

Required Equipment: Bathing/swimming attire and comfortable outdoor/weather appropriate clothing including running shoes. Racquet is recommended. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 10 – 13

Offered at: Chinguacousy Park

TRACK AND FIELD

This program will teach the fundamentals of Indoor Track and Field. Participants will learn sprinting, hurdling, long jump, and much more. Technical skills will be taught through instruction as well as skill development through play. At the end of the session campers will showcase their skills in a fun track meet. Campers may also participate in various camp activities such as cooperative

games, sports, water activities and crafts. These activities vary by location.

Age: 8 – 13

Offered at: Chinguacousy Park

TRIATHLON

This camp will introduce young athletes to the fun and challenge of triathlons in a safe and fun environment. Campers will train to improve their swimming, biking, and running. They will also learn effective transitions, bike maintenance, and nutrition habits. On the last day, campers will compete in a mini-triathlon to challenge themselves and show off their hard work. **Prerequisite:** Can complete a minimum of 50m of uninterrupted front crawl and ride a bike.

Required Equipment: Bicycle in good working order, CSA certified bike helmet, comfortable outdoor/weather appropriate clothing including running shoes and bathing/swimming attire. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 8 – 13

Offered at: Professor's Lake Recreation Centre

TUMBLING AND TRAMPOLINE

Come bounce around with us this summer. Campers will utilize our spring floor, tumble track and trampolines to learn and practise basic to intermediate tumbling and trampoline skills. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 6 – 13

Offered at: Ken Giles Recreation Centre

URBAN EXPLORERS

This camp will help to familiarize children with their local surroundings. Children will be able to plan and execute trips to various City of Brampton landmarks using Brampton Transit. Trip and bus fees are included in the price of the program. Please contact your local recreation centre for more information about destinations.

Required Equipment: Comfortable outdoor/weather appropriate clothing including running shoes. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 10 – 13

Offered at: Chinguacousy Park

VIDEO GAME DESIGN

In this two week camp, participants will use their imagination to create, design, test, and play their own unique and interactive video games that will help participants better understand how programming works.

Participants will primarily use Scratch, with the opportunity to also gain an introduction to other programming platforms. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 7 – 10, 10 – 13

Offered at: Central Public School

VOLLEYBALL- BEACH

This program will focus on the fundamentals of beach volleyball. Participants will learn the rules, positioning, serving, forearm passes and overhead passes. Technical skills will be taught through instruction as well as game play.

Required Equipment: Comfortable outdoor/weather appropriate clothing including running shoes. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 8 – 13

Offered at: Chinguacousy Park, Professor's Lake Recreation Centre

WATER SPORTS

Campers will enjoy their days at the beach with fun outdoor sports and water activities. Campers will have the opportunity to try canoeing, kayaking and paddleboarding in Professor's Lake as well as play various beach and water sports such as volleyball, soccer, and fishing. Participants will be broken into groups based on ability and will work on improving their swimming abilities during structured lessons. The location of swimming lesson is subject to change based on weather conditions.

Prerequisite: No swimming ability required, but participants must be comfortable in deep water with a lifejacket.

Required Equipment: Comfortable outdoor/weather appropriate clothing including running shoes and bathing/swimming attire.

Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 6 – 13

Offered at: Professor's Lake Recreation Centre

WOODWORKING

Campers will work with their hands using tools such as sand paper, nails and hammers to create some wonderful wooden creations. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. These activities vary by location.

Age: 8 – 10

Offered at: Central Public School

See page 73-81 for details.

ELDORADO PARK CAMPS BUS ROUTES 2019

Pick-up begins at 7:30 am in the following order. Buses leave Eldorado Park at 4:00 pm and complete the route in reverse order. Please allow approximately 10 minutes between stops. Any child under the age of 10 years must have a parent or guardian at their bus stop. Participants are required to be at the pick-up/drop-off location 10 minutes ahead of the listed schedule. Parents are responsible for transportation should their child miss the bus. Campers must ride to and from camp each day, and will not be permitted to change stops throughout the week. Please note that there is an additional fee for the bus service.

**INCLUSIVE PROGRAM INFORMATION
INCLUSIVE/INTEGRATED GENERAL INFORMATION**

- New participants to any of the programs designed for individuals with disabilities will be contacted by phone to set up a pre-camp visit or telephone meeting with one of our staff to fully assess your camper's needs to ensure a successful camp experience.
- All programs for individuals with disabilities work with staffing ratios of two-to-one in children's settings and three-to-one in teen and adult settings.
- Services for individuals with needs that require one-to-one supervision are available and can be arranged through the Recreation Division for an additional fee. Individuals requiring this service should identify their requirement for one-to-one support and pay the applicable surcharge at the time of registration.
- Please note: If a participant requires additional support at school, at home or in the community with basic needs such as dressing, toileting or feeding, has a tendency to exhibit aggressive behaviours, does not understand danger, has a physical, developmental and/or learning disability that affects his/her communication, mobility, comprehension and/or socialization, he or she may require one-to-one support to participate in programs throughout the summer.

INCLUSIVE CAMP BUSING

- Busing is available for the following day camp programs: On the Move, No Limits and Day Trippers. Please note that there is an additional fee for the bus service.
