STANDARD FIRST AID WITH CPR C

Lifesaving Society Standard First Aid provides comprehensive training covering all aspects of first aid. Standard First Aid incorporates Emergency First Aid and is designed for those who require a more in-depth understanding of first aid including: legal implications of first aid treatment, spinal injuries, heat or cold injuries, bone and joint injuries, chest injuries, and medical emergencies. This course also covers all aspects of CPR skills and theory for adult, child and infant victims including two rescuer CPR skills. CPR-C includes the importance of early defibrillation and how to use an AED. CPR-C certification is included in Standard First Aid.

Required Materials: Canadian First Aid Manual will be charged at the time of registration.

Age: 13+

Class Length: 9 Hours

REGISTERED PROGRAMS

STANDARD FIRST AID WITH CPR C RECERTIFICATION

Current Lifesaving Society Standard First Aid (SFA) award holders are eligible to recertify their certification once so long as they attend a recertification course within 3 years from the original certification date of issue. If award holders have already attended a recertification course, individuals must attend a full Standard First Aid course to renew their certification. Individuals may renew their certification by alternating recertification and full courses. Award holders who hold certifications from other agencies must recertify through the original certifying body.

Required Materials: Canadian First Aid Manual may be purchased of an additional fee.

Prerequisites: Lifesaving Society Standard First Aid (within 3 years of the date of issue)

Age: 13+

HIGH FIVE

HIGH FIVE - PHCD

This one-day training will help front-line leaders (anyone working with children aged 6 to 12 - i.e. camp counsellor, coaches, swim instructors) improve the quality of programs. It provides in depth training in the HIGH FIVE Principles of healthy child development so front-line leaders understand what they need to do to ensure each child's social, emotional and cognitive needs are met. Leaders learn activities and gain knowledge, tips and resources to enhance their programs as well as their relationships with children and other staff members. Topics also include bullying, conflict resolution, physical literacy, children's mental health and moderate to vigorous physical activity. This training has been tailored to meet the unique needs of a variety of different program types, including aquatics, arts, dance and those serving Indigenous children.

Age: 14+

Class Length: 8 Hours

CERTIFICATIONS & LEADERSHIP

LEADERS IN RECREATION

This program is designed to help the youth of Brampton prepare for success in their future. Through weekly classes, participants will be introduced to and receive information on how to obtain certifications required for recreational employment with the City of Brampton. Classes will focus on goal setting, time management, leadership skills, resume building, and interview preparation. Participants will receive a certificate upon completion of the program.

Required Equipment: Participants must wear active clothing, and bring a pen or a pencil to class every week.

Age: 14 - 17

Class Length: 165 Minutes

LIFESAVING SOCIETY EXAMINER

The Lifesaving Society Examiners course is the first in a three-step process to be certified as an Examiner for the Society, and it prepares candidates to successfully apprentice as an Examiner on the exam of their choice. The Examiner course builds on the evaluation experience that candidates have attained in instructor-evaluated awards and content. The three-step process includes: Successfully completing the Examiner course, successfully apprenticing with an Examiner Mentor, and submission of the completed Examiner Training Record to the Lifesaving Society for consideration of Examiner certification.

Required Materials: Examiner handbook, Award Guides for each certification the candidate wishes to examine (e.g. Bronze Examiner must have Bronze Medal Award Guide), copies of test sheets, Canadian Lifesaving Manual, Instructor Notes, and Alert: Lifeguarding in Action. Candidates must purchase all course materials directly through the Lifesaving Society.

BRAMPTON

LIFESAVING SOCIETY INSTRUCTOR TRAINER

This course provides candidates with an understanding of the expectations and requirements to teach instructors, and prepares participants to successfully apprentice as a Trainer on the Instructor(s) course of their choice (Swim, Lifesaving, National Lifeguard, First Aid, Aquatic Supervisor Training). The course shapes positive attitudes and values about the Society's Instructor Training Program, planning, learning/teaching, and evaluation content while allowing participants to demonstrate their knowledge, skills, teaching, and evaluation techniques. Appointment as a Trainer is a 3-step process which includes successfully completing the Trainer Course, apprenticing with an experienced Trainer, and submitting a completed Training Record and certification fee with a positive recommendation from an experienced Instructor Trainer Mentor.

Prerequisites: One of the following appointments: Bronze Examiner, First Aid Examiner, or National Lifeguard Examiner; OR experience as a Swim instructor, Officials instructor or Lifesaving Sport Coach.

Required Materials: Trainer Manual, leadership award guide(s) for each Instructor course the candidate wishes to teach. Candidates should bring their Canadian Lifesaving Manual and Canadian First Aid Manual, Alert - Lifeguard in Action Manual, and Instructor Notes for reference. Candidates must purchase all course materials directly through the Lifesaving Society.

SAFEGUARD

Safety supervision training for guardians (e.g., day camp counsellors, counsellors-in-training and others) who accompany groups of young people to pools or waterfronts. The course stresses the responsibility undertaken by these group leaders for safeguarding the young people in their care even when under lifeguard supervision. Safeguard focuses on water safety awareness, accident prevention and the principles of aquatic safety supervision. Safeguard teaches participants how to identify hazards and at-risk behaviours, how to recognize potential victims, and how to respond safely in an aquatic emergency. Safeguard training is designed for swimmers and non-swimmers alike.
