

SKATING

DROP-IN PUBLIC SKATE ADMISSION STANDARD

1. Children ten (10) years of age must be supervised by a parent/guardian at least fourteen (14) years of age.
2. Canadian Standards Association (CSA) certified hockey helmets and full face masks are strongly recommended for all skating participants.
3. Skate aids are only permitted during Parent and Child and Beginner Skates.
4. Participants are not permitted on the ice while the ice resurfacer is in operation.
5. No food/drink, headsets, cellphones or other hand held electronic devices are permitted on the ice.
6. No carrying others (eg. babies or young children) while on the ice surface.
7. Private lessons/coaching on the ice surface is strictly prohibited.
8. Single blade skates are the only type of footwear permitted on the ice.
9. Spectators are only permitted in designated viewing areas.
10. All accidents or injuries must be reported to staff immediately.
11. The City of Brampton Good Behaviour Guidelines must be adhered to at all times.

12. Participants with serious medical conditions should be accompanied by individuals knowledgeable of their condition and responsible for their direct supervision.

Inclusion and Support Equipment:

To encourage participation, the use of a Personal Assistive Mobility Device (PAMD) is allowed at all public access programs (unless otherwise stated). The maximum amount of skaters will be reduced by a factor of five (5) persons for each PAMD in use during the program.

The following will be observed in order to ensure participant safety and enjoyment.

1. It is strongly recommended participants using PAMD's:
 - Wear a CSA certified hockey helmet with full facemask; and
 - Ensure that their equipment does not interfere with other programs, participants, or impact the safety of others.
2. Parents/guardians/support persons are responsible for all participant transfers, as they are the most familiar with the individual's physical conditions and proper methods of handling and carrying.
 - Staff are not permitted to transfer participants.

Note: Chairs, skate aids, hockey sticks, strollers, toboggans, and other such equipment/devices are not to be used as a PAMD.

Skate Aids:

To assist skaters in the beginning stages of development, skate aids are only permitted during Parent and Child Skate or Beginner Skate sessions.

The following will be observed in order to ensure participant safety and enjoyment:

1. Participants using skate aids must wear a CSA certified hockey helmet with full facemask.
2. Participants may use their own skate aids provided that:
 - The device is a manufactured skate aid (eg. homemade teaching aids are prohibited);
 - The skate aid does not damage the ice surface, have sharp edges, and/or be an obvious hazard; and
 - Patrons are responsible for the safety and security of their own equipment.

DROP-IN SHINNY AND HOCKEY SHOOT AROUND ADMISSION STANDARD

- Canadian Standards Association (CSA) certified hockey helmets are mandatory for all shinny participants.
 - Full facemasks are mandatory for all participants under eighteen (18) years of age and strongly recommended for all others.
- Hockey gloves and a hockey stick are mandatory for all shinny participants.
 - Full hockey equipment is recommended.
- Slap shots and body checking are strictly prohibited.
- Skate aids are not permitted during Drop-In Shinny and Hockey Shoot Around programs.
- Private lessons/coaching on the ice surface is strictly prohibited.

- Powerskating participants also require full hockey equipment, CSA certified hockey helmet with full facemask and hockey stick.

Lesson Cancellation Dates

Skating programs may not be scheduled on certain dates due to holidays, special events or facility maintenance. These dates will be noted on your program receipt and will be communicated at the facility. Course lengths and fees are adjusted to reflect these dates.
