

## **NOTICE OF WORK (July 25, 2018) Investigation of the Existing Tunnel**

In preparation for Downtown Reimagined, the City of Brampton continues to investigate the existing tunnel.

The investigative work will take place overnight (9 pm to 9 am) on July 31, August 1, 7, 8 and possibly 14 at the following locations:

1. East side of Main Street from the CIBC to Vivian Lane.
2. West side of Main Street from approximately 50 metres south of Nelson Street West to McKinney Lane.
3. Queen Street, approximately 30 metres west of Main and Queen Intersection.

There will be minor traffic and pedestrian impacts at the locations noted above and best efforts will be made to minimize construction noise.

- Parking lanes and sidewalk will be closed overnight (beginning at 9pm) and will re-opened at 9am.
