Fine Arts Portfolio Preparation

Participants will work with our specialized arts instructor focusing on fine arts with a strong emphasis on aesthetics and portfolio development. Participants will utilize the diverse landscapes situated in city parks while focusing on building their art portfolio through the use of a variety of different artistic mediums. In addition to creating their own works of art, students will leave with the knowledge and guidance needed to create a professionally bound portfolio, perfect for high school or college admissions, job interviews or to share with friends and family.
