

# PRESCHOOL

## GENERAL INFORMATION

The full year programs listed below are an excellent way to help prepare your child for full-day learning. Children will become familiar with a classroom setting, circle time, sharing with other children and play-based learning. Enrolling your child in these programs will give them a head start to their academic career. Low child/instructor ratios will ensure individual attention each class. All staff are trained in Standard First Aid with CPR C and have completed a vulnerable sector criminal record search.

All of the full year programs have special event days and parent involvement days throughout the year.

Note: It is strongly recommended that your child complete an "on their own" program prior to registering for a full year program.

## FEES & PAYMENT OPTIONS

Classes are based on a per class fee. Please note there are two payment options.

### Option 1

Full annual payment at the time of registration.

### Option 2

First month payment at the time of registration – remaining monthly payments dated October 2016-June 2017.

Refer to the Arts, Drama & Music, General Interest, Fitness & Health, Dance, Learn to Skate, Sports and Swimming sections of the brochure for more preschool programs.

## Full Year: French

Through this program, preschool participants will be encouraged to express themselves using basic French vocabulary. Participants will learn basic words and practice phrases through a variety of French language-based activities, including songs, stories and games. This program is an excellent introductory course if parents are considering enrolling their child in a French Immersion school program.

Age: 3 - 6 Class Length: 120 Minutes

### Howden Recreation Centre

Tue/Thu 1:00 pm Sep 13 76 \$11.11/class 803211

### Loafer's Lake Recreation Centre

M/W/F 9:15 am Sep 12 109 \$11.11/class 794144

## Full Year: Learn to Write

The ability to write is a skill that will be used throughout a lifetime. Give your child the skills necessary to acquire neat, legible printing by enrolling them in this program. Encourage your child to practice their skills at home to attain desired results. Various methods of letter recognition will be included in the curriculum.

Age: 3 - 6 Class Length: 120 Minutes

Tue/Thu 9:00 am Sep 13 76 \$12.07/class 807926

## Full Year: Preschool

Let your child explore the early elements of learning to help ensure a smooth transition to full day learning or kindergarten. Our experienced instructors plan weekly themes with arts, crafts, songs and special events for your child's enjoyment in this program. This program is designed to develop your child's social, cognitive and motor skills in preparation for full day learning.
