**GLENDALE ONE KICKS OFF THE INVESTORS GROUP THURSDAY NIGHT CONCERT SERIES**

Brampton, ON Tuesday, May 15, 2008

**Investors Group "Thursday Night Concert Series" kicks off in Gage Park, Thursday, June 5.**

The Bands are booked, Gage Park is groomed and the band shell is ready. Grab your lawn chair and join **Investors Group** and the **Brampton Downtown Development Corporation** – representing the Downtown Businesses - as they kick off the Investors Group 'Thursday Night Concert Series' in Gage Park.

Everyone is excited to kick off the 13 weeks of free concerts on Thursday, June 5<sup>th</sup> at 7:00 pm with "**Glendale One**". Well known beyond Brampton's borders, this group of friends all grew up locally, so when it came to choosing a band name their old Brampton phone exchange name, Glendale One (451), fit the bill.

Come hear their original interpretation of the Beatles' earliest work from 1959 to 1965. It was a time when Europe's musical influences came from the roots of American country and blues. Glendale One brings that influence back home with its own spin. From Texas Swing to Brampton Funk style listen as Glendale One explores the roots of the Beatles early song writing in a unique and respectful way.

**A chance to win** - while at the concert you are able to participate in a draw for prizes from the Downtown businesses. Donations are accepted to benefit the event charity "**Tour for Kids**". All ballots are kept and are eligible to win grand prize of a \$500 RRSP or RESP donated by **Investors Group** at the end of the season.

This year we welcome new sponsors to the event – The Brampton Guardian and Jewel 88.5fm. They will help build public awareness of the event.

Each week promises to be a great evening in Gage Park, so pack a lawn chair and we'll meet you there.
