

City of Brampton Open House Highway 427 Industrial Secondary Plan (Area 47)

The City of Brampton is holding an open house to advise on the status of secondary planning for the Highway 427 Industrial Secondary Plan (Area 47), which is generally bounded by Mayfield Road to the North, Castlemore Road to the south, Highway 50 to the east and The Gore Road to the west.

In June 2008, City Council directed staff to commence secondary planning for Area 47. The City, in consultation with the Area 47 Landowners Group, has prepared a preliminary land use concept that represents a broad vision for the planning of Area 47. This concept was presented to the City's Planning Design and Development Committee on May 9, 2011 for consideration, where staff received direction to present the preliminary land use concept to the public at an open house.

The purpose of the open house is to present a preliminary land use concept for public comment. In attendance will be the Ward Councillors and representatives from the Landowners Group.

Please note that all information presented at the meeting is preliminary and subject to change based on feedback from residents and stakeholders and finalization of the component studies that are currently being undertaken by the City as part of the secondary planning process. At the open house, the public will have the opportunity to comment on the plan.

If you are unable to attend, we invite you to visit the City of Brampton's Web Site to view this material and to provide your comments.

This open house is scheduled for:
