BRAMPTON TRANSIT TO HOST PUBLIC INFORMATION CENTRE ON APRIL 13TH

BRAMPTON, ON: Brampton Transit is inviting members of the community to take an active role in shaping public transit in Brampton by participating in a Public Information Centre on Wednesday, April 13th in the Atrium of Brampton City Hall from 6:00 – 8:00 p.m.

“Input from our riders and our community is important to Brampton Transit,” said Sue Connor, Executive Director of Brampton Transit. “That’s why we encourage residents to come to the Public Information Centre, learn about our plans for the future, and share their feedback.”

This year’s Public Information Centre will seek feedback from residents on:

- Improving schedule reliability
- Service proposals and options for 2011
- Enhancing integration with other GTA transit systems
- Expanding service to new growth areas
- Future service plans

Brampton Transit will also provide the community with an update on the implementation of Züm service along Main Street beginning this fall.

Members of the public who are unable to attend the Public Information Centre are encouraged to view the 2011 service proposal online at www.bramptontransit.com on April 13th. The deadline to provide feedback is April 24th.
