 These definitions are applicable to how Development Charges are applied only and are contained within the Development Charges By-laws 218-2004 to 224-2004; please check off the building use(s) that are applicable to you.

The following definition applies to By-laws 218-2004, 221-2004 and 223-2004:
 "Non-Residential Use" means the use of land, buildings or structures* or portions thereof used, designed or intended to be used for any use other than for residential use as that term is defined in this section.

The following definitions apply to By-law 224-2004:
 "Non-Industrial/Non-Office Use" means the use of land, buildings or structures* or parts thereof, used, designed or intended to be used for any use other than for residential use or for industrial use, or for office use, as those terms are defined below, and a non-industrial use includes a retail warehouse.

"Office Use" means the use of land, buildings or structures* used primarily for, or designed or intended for use primarily for or in connection with office or administrative purposes, provided that the building or structure has an office or administrative component equal to or greater than 50 percent of the total gross floor area of the building or structure. For the purposes of the Development Charges by-law, office excludes office or administrative uses located within a shopping centre or plaza, and excludes office or administrative uses where such uses are accessory to an industrial use.

"Industrial Use" means land, building or structures* used or designed or intended for use for or in connection with manufacturing, producing or processing of raw goods, storage and includes office uses and the sale of commodities to the general public where such uses are accessory to an industrial use, but does not include a building used exclusively for office or administrative purposes unless it is attached to an industrial building or structure as defined above and does not include a retail warehouse.

* "Buildings or Structures" means a structure occupying an area greater than 10 square metres consisting of a wall, roof, and floor or any of them or a structural system serving the function thereof, and includes an air-supported structure, mezzanine, and an exterior storage tank, but does not include: a farm building, or a canopy, or an exterior storage tank where such exterior storage constitutes an
