Are you ready for the challenge?

Throughout the month of April, the Brampton Clean City Committee encourages Brampton businesses to do their part for the environment by registering for the 2012 Corporate Cleanup. Team up with local business and corporate partners and rise to the challenge of making the City of Brampton 'clean and green'.

It's easy to get started! Just complete the registration form and return via mail, fax or email. All participating organizations will be supplied with garbage bags, sanitary gloves and a 'Cleanup Safety' package.

Your team can organize your own cleanup, or join other community partners at our Corporate Cleanup litter cleanup at Norton Place Park on Friday April 27, 2012 at 12-2 pm. A barbeque lunch and refreshments will be provided.

If you require further assistance, please do not hesitate to contact the Brampton Clean City office.
