

Plan online.
Anytime.

Plan your trip with Brampton Transit's award-winning online trip planner, eRide. With its interactive maps and easy to use destination points, eRide is the perfect tool to help you plan your trip within seconds.

Here's how to use it:

- Visit www.bramptontransit.com and click on eRide.
- Enter your starting point. This could be your address, a city landmark, or any intersection.
- Enter your destination point.
- Select your date and time of travel.
- Choose your travel options, such as fastest trip or a school route.
- Click on Show Trip Plan.

Within seconds, a detailed trip itinerary is displayed and you are on your way to moving across the city. There are options to see a return trip, earlier or later route times, or start planning your next trip.

With only a few simple clicks, you can plan online, anytime with eRide!

Family Day

Monday, February 21

Brampton Transit will operate on a Sunday/Holiday schedule. Transit stores will be closed.

Did You Know

1. Brampton Transit uses fuel made from vegetable and cooking oils?
2. You can transfer seamlessly between Züm and other Brampton Transit routes at no additional cost?
3. Züm station stops have heated waiting areas? (When the temperature drops below 5 degrees, push the button inside the shelter to activate the heat!)
4. Since 2005, Brampton Transit ridership has grown three times faster than the national average?
5. Züm buses weigh 10% less than conventional buses, resulting in improved fuel efficiency?
6. Queen Street is Brampton Transit's busiest route?
7. Brampton Transit moved 12 million riders in 2010?

Valentine's Day Contest

5 Ways Brampton Transit Makes Your Valentine's Day More Special:

1. It gets you to the mall to find the perfect gift for your sweetheart.
2. Züm to downtown Brampton for that dinner reservation.
3. Take the bus to the theatre and check out a new movie.
4. Züm to Gage Park for a romantic outdoor skate.
5. Maximize quality time with your special someone and take the bus together!

How will Brampton Transit and Züm help sweeten YOUR Valentine's Day? Tell us on Facebook for a chance to win a FREE monthly pass for the month of March!

Transit Wave

To ensure that the operator sees you while waiting for your bus, do the transit wave. Step forward making yourself visible and raise your hand to signal to the operator that you would like to board that bus. This is especially important at stops that service more than one route or transit provider.

If the bus that is approaching is not yours, take a step back to let the operator know that you are not waiting for that bus.
