

One of the most frequently asked questions Brampton Transit receives is ... "It's snowing – where's my bus?" As you might expect, during a snowstorm buses may be delayed as winter road conditions affect all drivers. And, route delays may create a ripple effect and impact other transit schedules. Delays will happen on a snow day and we recommend passengers consider catching an earlier bus and keeping our Call Centre phone number (905-874-2999) handy.

Severe weather conditions and other factors may delay the City's ability to clear bus stops and shelters of snow and we ask that you give our crews time to respond to the snowstorm. If you feel our snow clearance crews may have missed an area, please contact them 24 hours after the end of the snowfall at 905-874-2500 or send them an email by visiting the City's website at [www.brampton.ca/snow](http://www.brampton.ca/snow).

## FARE ADJUSTMENT EFFECTIVE MONDAY, JANUARY 28, 2008

The City of Brampton and Brampton Transit has experienced such rapid growth with transit service in 2007 breaking all kinds of ridership records! With new routes, added peak and off-peak service, new buses, improved frequencies and better connections it has never been a better time to ride the bus.

Fares will adjust on Monday, January 28. These fare adjustments support all of the recent enhancements implemented in 2007 and will help meet the demands of a growing city by supporting the purchase of additional buses, introducing further service increases and more improvements to customer service amenities and technologies planned for 2008.

Fare adjustments to Tickets, Weekly and Monthly Pass prices will take effect on Monday, January 28, 2008. Please refer to the table to the right.

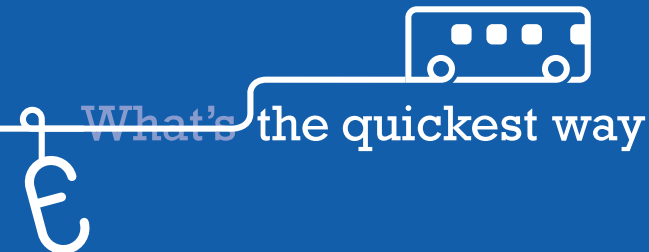

## FAMILY DAY HOLIDAY SCHEDULE – MONDAY, FEBRUARY 18, 2008

On Monday, February 18 Brampton Transit will be operating on a Sunday/Holiday Schedule. Transit Stores will be closed.
