Brampton, ON – The City of Brampton announced the line-up for the 2015/16 *Rose Theatre Presents* series on Thursday, May 21, 2015. For this milestone tenth season, the Rose Theatre Brampton has programmed 10 months of top international talent, returning audience favourites and rising stars.

Building on the success of the 2014/15 season, which saw multiple sold-out shows, this tenth season has been designed to appeal again to Brampton's diverse audience.

"We promised that, whether it was comedy or dance, rock or jazz, we would have shows that appealed to a variety of theatre-goers," says Bernice Morrison, Manager of Arts and Culture, City of Brampton. That variety includes the headliners noted above as well as the reintroduction of the popular Studio Two series featuring music, theatre, comedy and family performances in the venue's intimate, 100-seat secondary hall.

Subscribers receive a number of special benefits including savings up to 25% off regular ticket prices, first access to purchase tickets, first notice of new shows added throughout the season, free exchanges and an invitation to attend the annual Subscriber Appreciation Night at the launch of the new season.

New this year, season Subscribers will have the opportunity to combine Summer and Fall/Winter subscriptions, for nearly a full year of great entertainment. Also, in celebration of the tenth season, for every nine shows purchased at a Pick 5 subscription level, subscribers will receive an additional two tickets to a tenth show of their choosing.
