

## Treehouse TV's Splash'N Boots in Brampton

*Brampton Guardian*

BRAMPTON— Award winning Canadian children's entertainers, Splash'N Boots, are returning to Brampton's Lester B. Pearson Theatre on Oct. 5 at 3:30 p.m.

This Canadian Children's Group of the Year is run on daily rotation across Canada on Treehouse TV— and now little ones have the chance to see them live and in person.

The cutting-edge duo will perform their most hilarious and infectious music hits, including songs from their newest compilation *Keepin' It Green*— their seventh full length album.

Never showing any signs of slowing down, the breakthrough duo have many other projects in development with Treehouse TV and will have even more airtime on the popular children's network in 2014.

"We're so excited to see our fans in Brampton," said Taes, the group's Boots.

"The Lester B. Pearson Theatre is such a beautiful venue so we are really looking forward to being back."

Splash'N Boots have seven CDs and two full-length DVDs under their belts, as well as over 1,500 international festival and theatre performances.

Their 2012 release, *Coconuts Don't Fall Far From the Tree*, was written in collaboration with their Facebook fans and shot up to number one on Bandcamp in its first week.

In the fall of 2011, Splash'N Boots sold-out 2,000 seat theatres in 11 cities across Canada with Treehouse LIVE for the Roll Play Live Animal Party tour based on Treehouse TV's award-winning show *Roll Play*.

Subsequently, the breakout pair landed an additional four music videos as well as four half hour episodes of *Roll Play* that aired nationally in the summer of 2013.

Splash'N Boots are constantly connected to their fans via social media channels. With a growing following on Facebook, Twitter, YouTube, Instagram and Pinterest, the two have a lot in store for 2014, including several more Kitchen Jam appearances at Sick Kids Hospital; an organization they continually support, recently donating \$1,000 after selling their first thousand copies of their *Back in Yellow* CD.
