DESCRIPTION OF INTENDED USE [Please fill out if building is non-residential as selected in Section 4]:

NOTE: IF THIS IS A SPECULATIVE INDUSTRIAL BUILDING, THE CITY AND/OR REGION MAY REQUIRE A LETTER OF CREDIT TO SECURE THE DIFFERENCE BETWEEN THE INDUSTRIAL & COMMERCIAL RATES.

DEFINITIONS:

THE FOLLOWING DEFINITIONS APPLY TO THE CITY OF BRAMPTON BY-LAWS ONLY. For greater clarification on any definitions pertaining to development charges, please reference the prevailing DC by-laws for the City of Brampton, Region of Peel, Peel District School Board and the Dufferin-Peel Catholic District School Board.

"**Total Floor Area**"/"**Gross Floor Area**" means the total of the areas of the floors in a building or structure, whether at, above or below grade measured between the exterior faces of the exterior walls of the building or structure or from the centre line of a common wall separating two uses, or from the outside edge of a floor where the outside edge of the floor does not meet an exterior or common wall.

Where a building or structure does not have any walls, the total floor area shall be the sum total of the area of land directly beneath the roof of the building or structure and the total areas of the floors in the building or structure.

Also includes:

- a) Floor area of a mezzanine and air supported structure and space occupied by interior walls and partitions. (City, Region and School Board By-laws).
- b) Below grade, only that floor area used for retail, commercial, office, industrial or warehousing purposes (Region and School Board By-laws).
- c) Any part of a building or structure above or below grade used as a commercial parking garage (City).

Less the deductible areas noted in Section 5B of this form.

"**Building or Structure**" means a building or structure occupying an area greater than 10 square metres consisting of a wall, roof, and floor or any of them or a structural system servicing the function thereof. Includes: air-supported structure, mezzanine, and exterior storage tank. Does not include: farm building, canopy, exterior storage tank where such exterior storage tank constitutes an accessory use.

"**Dwelling Unit**" means one or more habitable rooms designed or intended to be occupied as living quarters as a self-contained unit and shall contain sanitary facilities, accommodation for sleeping and one kitchen.

"**Industrial Use**" land, buildings or structures used or designed or intended for use for or in connection with: manufacturing, producing, processing, warehousing or bulk storage of goods; a distribution centre or truck terminal; research or development in connection with manufacturing, producing, processing or storage of goods; office uses and the sale of commodities to the general public where such uses are accessory to an industrial use; and the growing, processing and production of Cannabis or a controlled substance under the Controlled Substance Act, but does not include: a building used exclusively for office or administrative purposes unless it is attached to an industrial building or structure as defined above; and a retail warehouse.

"**Large Apartment Dwelling Unit**" means:

- i.) a dwelling unit in a building containing six or more dwelling units which have a common entrance from the street level, and the occupants of which have the right to use common elements;
- ii.) a dwelling unit in a duplex, triplex, or double duplex;
- iii.) a dwelling unit in a mixed used building;
- iv.) a dwelling unit having a floor area of more than 750 square feet; and
- v.) a unit in a stacked townhouse dwelling having a floor area of more than 750 square feet.

"**Non-Industrial/Non-Office Use**" means the use of land, buildings or structures or parts thereof, used, designed or intended to be used for any use other than for residential use, industrial use, or office use, , and a non-industrial/non-office use includes retail, service, hospitality, motor vehicle service, entertainment and recreational uses and commercial parking lot uses.

"**Non-Residential Use**" means the use of land, buildings or structures or portions thereof used, designed or intended to be used for any use other than for residential use.

"**Office Use**" means the use of land, buildings or structures used primarily for, or designed or intended for use primarily for or in connection with conducting the affairs of businesses, professions, services, industries, governments, or like activities, and where the chief product of labour within that use is the processing and/or storage of information rather than the production and distribution of a good or service.

"**Residential Use**" means land, buildings or structures or portions thereof used, designed, or intended to be used as living accommodation within a dwelling unit, for one or more individuals.

"**Small Apartment Dwelling Unit**" notwithstanding the definition of a "large apartment", means any residential unit having a floor area equal to or less than 750 square feet

"**Speculative Building**" means any building or structure where the ultimate use or occupancy could not be determined to the satisfaction of the City at the time that a development charge became due and payable.

"**Stacked Townhouse Dwelling**" means a building that contains four or more dwelling units where each dwelling unit is separated horizontally or vertically from another dwelling unit by a common wall, each with an entrance that is independent or through a shared landing and/or external stairwell, and that has been developed on a block approved for development at a minimum density of sixty (60) units per hectare pursuant to plans and drawings approved under section 41 of the *Planning Act* .

"**Temporary Building or Structure**" means a building or structure constructed or erected or placed on land for a continuous period not exceeding eight months, or an addition or alteration to a building or structure that has the effect of increasing the total floor area thereof for a continuous period not exceeding eight months.
