Spring into action in April

BRAMPTON, ON: Spring Cleanup in Brampton is underway with a variety of activities happening during the month of April.

This annual event encourages community members to tidy their properties and clean up litter at any time or place, including parks, trails, sports fields, parking lots or school yards. Last year, 91,511 residents took part in Spring Cleanup activities across the city.

Individuals, community groups, schools and businesses can register their cleanup, and collect a free Cleanup Kit, through the City of Brampton or by contacting the Clean City office. Participants can pre-arrange to have their litter bags collected at the end of each registered cleanup.

Community Awareness Booths
Information, registration and supplies will also be available at Community Awareness Booths throughout the city on Saturdays in April from 10 am to 1 pm. Visit www.brampton.ca for locations.

Youth Park and Trail Stewardship Program
Beginning April 6, young people ages 13 to 18 can earn community service hours and meet new friends by volunteering to clean up a City park or trail from 10 am to noon on Saturdays and Sundays. Registration is required.

Corporate Challenge
The City invites community or business groups to register for the Corporate Challenge taking place on April 25 from 12 to 2 pm at Loafer’s Lake Park. All participating organizations will receive a Cleanup Kit, barbecue lunch and refreshments.

Spring Cleanup is organized by the Clean City Committee, in partnership with the City of Brampton and the Region of Peel, and supported by Tim Hortons, Glad and Whole Foods.

Visit www.brampton.ca/cleancity for details about Spring Cleanup events.
