There is currently an inherent risk of exposure to COVID-19 in any public place where people are present. COVID-19 is an extremely contagious disease that can lead to severe illness and death, especially to senior citizens and individuals with underlying medical conditions. Renters must comply with all posted City instructions and understand and assume all risks related to exposure to COVID-19.

Due to the nature of COVID-19 restrictions, this information is subject to change with little notice. 'Participant' includes all individuals at the facility as part of an event team (staff, volunteers, performers, crew), and excludes City of Brampton Performing Arts staff.

The City of Brampton is working in accordance with the provincial [COVID-19 Roadmap to Reopen](#); this plan outlines how current guidelines are being applied in Performing Arts facilities.

All Performing Arts facilities are currently preparing to reopen to the public; the number of participants allowed in each space will vary.

For full details about requirements, restrictions and processes at City of Brampton Performing Arts facilities during COVID-19, please consult the [Performing Arts COVID-19 Safety Plan](#).
