A romantic couple is shown in a close-up, smiling at each other. The woman, on the left, wears a red knit beanie and a patterned scarf, holding a glass of champagne. The man, on the right, has a beard and wears a red and black plaid shirt, also holding a glass of champagne. They are both holding lit sparklers that are creating bright sparks. The background is a blurred, snowy outdoor setting with warm, golden light, suggesting a winter evening. A large white snowflake graphic is overlaid in the bottom left corner.

A photograph showing two cylindrical stands, likely made of wood or stone, used for displaying jewelry. The top stand is heavily encrusted with numerous silver-colored bracelets and necklaces, including some with colorful beads and charms. The bottom stand is also covered with a large number of similar jewelry items, primarily featuring intricate metalwork and chain-link designs. The background is a plain, light-colored wall.

Perfect for gifting or treating yourself this season, explore the full collection of handcrafted jewellery.

A red gift box is open, revealing a candle, a bottle of Butter Rum, and a small decorative item. The box is placed next to a thick, light-colored knit blanket. In the background, a small Christmas tree with lights is visible.
