CYBERSECURITY IN BRAMPTON

BRAMPTON MEANS BUSINESS NOW

Building a Cybersecurity Ecosystem

Digital technologies are increasingly important to innovation and economic growth, and having a strong a cybersecurity strategy is critical to Canada's competitiveness, economic stability, and long-term prosperity.

A cybersecurity ecosystem is growing in Brampton, Canada.

With the Rogers Cybersecure Catalyst, Chang School of Continuing Education and Sheridan College all offering training opportunities in cybersecurity, Brampton continues to strengthen its position in the Innovation Corridor.

Cybersecurity in Numbers

800 JOBS:

Expected to be created through Brampton's cybersecurity efforts

\$14 BILLION:

Canadian businesses spent on cybersecurity in 2017 alone

7% GROWTH:

There is an urgent need for trained cybersecurity professionals worldwide. Canada alone has a 7% annual growth rate in labour demand.

\$200 BILLION:

The global cybersecurity industry is expected to reach US \$200 Billion by 2023. Canada had the 4th most cybersecurity venture capital deals in the world (between 2012 and 2016).

Support for Canadian Cyber Scale-Ups

Brampton is home to a first-in-Canada technology accelerator program solely committed to supporting Canadian cybersecurity scale-ups. In partnership with the DMZ at Ryerson, the Rogers Cybersecure Catalyst cybersecurity accelerator program provides critical assistance to help these early-stage cybersecurity firms succeed: workspace, support, mentorship and access to clients and advisors.

Education, Training and Certification

Ryerson University

Rogers Cybersecure Catalyst

Launched in 2019, Rogers Cybersecure Catalyst is a national centre for Innovation and collaboration in Cybersecurity based in downtown Brampton. Empowering Canadians and businesses to take advantage of the opportunities and tackle the challenges of cybersecurity through training and certification; commercial acceleration and support for cyber scale-ups; applied research and development; and public education.

Ryerson University

The Chang School of Continuing Education

The Chang School of Continuing Education offers cybersecurity courses at Brampton City Hall.

Sheridan

Sheridan College offers cybersecurity programs at its Brampton Davis Campus plus continuing education courses at Brampton Library's Four Corners branch.
