 - Why plan for an age-friendly community?
- Group Activity
- Group Presentations
- Q & A
- Next steps and Closing Remarks

WHO Global Network of Age-Friendly Cities and Communities

- Mission: to help communities around the world become increasingly age-friendly by:
 - Inspiring change – showing what can be done, and how;
 - Connecting communities to exchange information, knowledge and experience; and
 - Supporting communities to find innovative, evidence-based solutions.
- Currently includes 600 cities and communities in 38 countries

What is an age-friendly community?

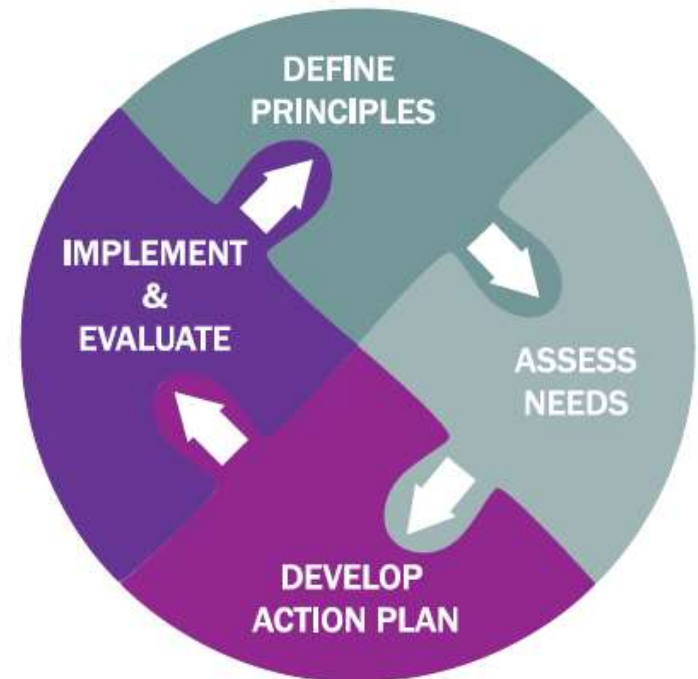

“An age-friendly community encourages active aging by optimizing opportunities for health, participation and security in order to enhance quality of life as people age.”

– WHO, Global Age-friendly Cities: A Guide (2007)

What is an Age-Friendly Strategy?

- Document identifying and coordinating age-friendly actions across City departments and external agencies
- Developed through a collaborative process
- Complements and supports City's other master plans and strategic plans
- To be presented for Council endorsement

How you can help

- Age-Friendly Brampton Advisory Committee and Working Group – stewards and champions of the Strategy
- Please promote in your networks!

Age-Friendly Committee meetings, County of Frontenac and Dubreuilville

Age-Friendly Vision

Alignment with Vision2040 – Living the Mosaic

Group Activity

- Assign one person to record responses and one person to make a presentation.
- With your group, review the WHO age-friendly checklists for each community dimension
- What strengths and opportunities for improvement do you see?
- You will be given a signal when it is time to move on to the next checklist.
- *Keep this in mind:* each group will select a checklist and present the two-three most important points from the discussion (two minutes per table).

Q & A

- What did you learn about your community through today's exercise?
- Is there anything else that you would like us to know about your community?
- Who should be part of our Focus Group discussions?

Age-Friendly Forum – January 19, 2019

- Exhibitors and presenters on the theme of healthy aging
- Presentation of the draft age-friendly strategy for community input

Age-Friendly Expos, Frontenac County, City of North Bay, Municipality of St.-Charles
