

# City of Brampton – Marysfield Neighbourhood

## Character Review Study

Public Open House #2 (Wednesday, December 5, 2018)

The City of Brampton has initiated a review of Marysfield to examine the character defining elements of the Marysfield community and to identify how these elements can be protected. The City has retained SGL Planning & Design Inc. to complete the project. The study team would appreciate your comments on the proposed changes to the City's Official Plan policies and Zoning By-law provisions. This feedback will inform our work in finalizing the implementing documents.
