City of Brampton Group Homes and Supportive Housing Study
Public Open House – March 11, 2020, Brampton City Hall (Atrium)

Thank-you for attending this evening’s open house. We are interested to hear your thoughts on the process and the study’s direction.

How did you hear about this evening’s open house and did you find it informative?

Considering the guidance provided by the Ontario Human Rights Commission, do you support:

- removing minimum separation distance requirements between Group Homes in the Official Plan and Zoning By-law? If not, please explain.

- removing restrictions on the maximum number of Group Homes within a Planning Area (per Schedule D of the Zoning By-law)? If not, please explain.

- treating ‘Supportive Housing Type 1’ (non-correctional, 10 or fewer residents), no differently than other forms of housing? If not, please explain.

Do you support the proposed approach of restricting ‘Supportive Housing Type 2’ (correctional) use to specific commercial and institutional districts and not permitting the use in a single-detached dwelling? If not, please explain.

Where supportive housing (non-correctional) is permitted “as-of-right”, do you agree that the City should remove requirements for public notification and open houses? If not, please explain.

Are you planning to attend the 2nd open house on April 2, 2020?
